

Apprenticeships

Maryland and U.S. Apprenticeship and Training Programs -

Apprenticeships combine supervised, structured, paid on-the-job training and related technical instruction to teach apprentices the skills necessary to succeed in a specific occupation. The apprentice works full time and receives training from the sponsoring organization:

U.S. Apprenticeship and Training Program:

**If you are ready to dream big and achieve your full potential,
then an apprenticeship may be right for you!!!**

- **Earn while you learn.** Apprentices are paid a progressive wage while they learn valuable job skills.
- **Increase your earning potential.** The average annual starting salary for an apprentice graduate is \$50,000 (according to U.S. Department of Labor statistics).
- **Be in demand.** Learn the skills and gain the credentials that employers want.
- **Become more confident.** Gain self-assurance by working independently under the tutelage of a journeyman.
- **Make new friends.** Apprenticeship training classes attract people of all ages and backgrounds.
