About College Board

College Board reaches more than 7 million students a year, helping them navigate the path from high school to college and career. Our not-for-profit membership organization was founded more than 120 years ago. We pioneered programs like the SAT® and AP® to expand opportunities for students and help them develop the skills they need. Our BigFuture® program helps students plan for college, pay for college, and explore careers. Learn more at [cb.org](https://collegeboard.org).

About National Merit Scholarship Corporation (NMSC)

NMSC® is an independent, not-for-profit organization that operates without government assistance. NMSC conducts the National Merit® Scholarship Program, an annual academic competition for recognition and college scholarships. The PSAT/NMSQT® is the screening test for high school students who wish to participate in the National Merit Scholarship Program.

If you have questions about any aspect of the National Merit Scholarship Program, including student participation requirements, the selection process, and awards offered, see the NMSC section of this publication.

The PSAT/NMSQT

The Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT) is cosponsored by College Board and National Merit Scholarship Corporation. Contact customer service if you have suggestions, questions, or comments about exam setup, administration, or score reports. If you wish to report test administration irregularities, you must notify the test coordinator or the PSAT/NMSQT office immediately.

PSAT/NMSQT Customer Service

You can reach us from 8 a.m. (9 a.m. mid-June to September) to 7 p.m. ET, Monday to Friday.

PHONE: 866-433-7728

INTERNATIONAL: +1-212-713-8105

Test-Taking Information

Using This Guide

Taking the PSAT/NMSQT® is a great way to find out how prepared you are for college and career. The PSAT/NMSQT is the qualifying test for entry to the National Merit® Scholarship Program (described in the second part of this guide). The test also connects you to College Board programs and services that can propel you to opportunities you've earned. We've created this guide to help you:

- Become familiar with the test and the Bluebook™ testing application so you know what to expect on test day.
- Learn the digital test structure and how it is the same and different from the SAT® Suite of Assessments paper and pencil versions you may have taken.
- Be aware of what you need to know about taking this test and provide you with an opportunity to review the Digital PSAT/NMSQT Testing Rules (which you can preview starting page 18 of this guide). **You will be required to review and agree to the Testing Rules in Bluebook before testing.**

IMPORTANT: *You will be bound by the Testing Rules as they exist on test day. Prior to testing you must review any updates to these Testing Rules, which will be clearly communicated to you at [cb.org/pn-rules](https://collegeboard.org/pn-rules).*

Introducing the Digital PSAT/NMSQT

PSAT/NMSQT is being offered digitally starting in fall 2023. While the transition to digital will bring a number of student and educator friendly changes, many important features of the SAT and PSAT-related assessments will stay the same. That said, we're not simply creating a digital version of the current paper and pencil tests—we're taking full advantage of what digital testing makes possible. The digital PSAT/NMSQT will be easier to take, more secure, and more relevant. Learn more at psat.org.

What's Staying the Same?

The digital SAT Suite, including the PSAT/NMSQT, continues to measure the skills and knowledge that students like you are learning in school and that matter most for college and career readiness. The Suite continues to be scored on the same score scale as the paper and pencil tests they are replacing (for example, the PSAT/NMSQT will continue to be scored on a 320–1520 point scale).

The two sections of the digital PSAT/NMSQT—(1) Reading and Writing and (2) Math—measure largely similar knowledge and skills as their paper and pencil predecessors, including:

- Use of reading/writing passages that come from different subject areas and vary in difficulty level.
- Emphasis on showing command of evidence, both textual and quantitative.
- Emphasis on high-utility words and phrases in context.
- Focus on revising texts to improve the effectiveness of written expression and meet specific rhetorical goals.
- Measurement of ability to edit texts to follow core conventions of Standard English sentence structure, usage, and punctuation.
- Continued focus on the math that matters most for college and career readiness and success.
- Math problems in (and out of) context.
- Use of both multiple-choice and student-produced response question formats in the Math section.

What's Changing?

- The digital PSAT/NMSQT is substantially shorter than its paper and pencil predecessor—lasting 2 hours and 14 minutes instead of almost 3 hours.
- You'll have more time, on average, to answer each question, meaning that, more so than ever before, the digital PSAT/NMSQT measures your skills and knowledge, not test-taking speed.
- There will be shorter reading passages and a built-in calculator that can be used on the entire Math section.

How the PSAT/NMSQT Is Organized

The digital SAT Suite of Assessments uses multistage adaptive testing. Each test section (Reading and Writing, Math) is divided into two equal-length, separately timed parts, called modules. Students answer a set of questions in the first module before moving on to the next. The questions that students are given in the second module depend on how they performed on the first module.

This type of adaptive testing allows for a much shorter, but just as reliable, assessment that delivers accurate scores more efficiently.

The test breaks down like this:

Section	Time Allotted (min.)	Number of Questions
Reading and Writing	64	54
Math	70	44

The PSAT/NMSQT follows the same timing as all other tests in the digital SAT Suite.

You must complete all sections of the test based on your approved timing, and get to the Congratulations screen to confirm that your answers were submitted. If you leave before dismissal, your test may be considered incomplete and your scores may be ineligible for scholarship consideration or may be subject to cancellation.

Introducing Bluebook

Bluebook is the custom-built application you'll use to take the PSAT/NMSQT. Starting in spring of 2024, Bluebook will also be used for the digital SAT, so taking the digital PSAT/NMSQT will be good practice. You'll be able to familiarize yourself with key aspects of the app before the test during your school's digital readiness activities. For more information about digital readiness, please see Before You Test on page 4.

If you want to preview Bluebook, you can download the application to your device.

Bluebook Tools

Bluebook includes plenty of test tools for students. Here are some examples:

- **Mark for review:** You can flag and return to any question within a given test module that you want to come back to later.
- **Testing timer:** A clock counts down the time remaining in each module. You can hide the timer, and you get an alert when 5 minutes remain in the module. When there are only 5 minutes remaining, the clock can no longer be hidden.
- **Calculator:** A built-in Desmos graphing calculator is available for the entire Math section. The calculator is provided in the practice test on Bluebook to allow you to practice using the calculator before the test. (You can also bring your own acceptable calculator; please see psat.org/calculator for a full list.)
- **Reference sheet:** On the Math section, you have access to a list of common formulas.
- **Annotation:** You can highlight any part of a passage and leave yourself a note. This tool is only available for Reading and Writing questions.
- **Option eliminator:** If you think an answer option is wrong, you can cross it out.

Digital Testing Disruptions

An internet connection is required to start the test, but Bluebook will keep running even if your connection drops momentarily. If your device battery runs down, you can simply plug in, restart your device, and pick up where you left off—all your work will be saved, and you won't lose testing time.

If the app crashes during your exam, just relaunch it and hit **Resume Testing** to get back to the question you were on. The testing timer will be paused until you resume testing.

Before You Test

If you plan to take the PSAT/NMSQT at the school you normally attend, your school will register you and let you know if you need to bring your own or a school-issued device or if one will be provided for you on test day. School staff will also provide you with sign-in information that is unique to you.

Before you test, staff at your school will lead you through a digital readiness check, which is how your school will orient you to the functionalities of digital testing. You will have the chance to confirm personal information, review and agree to the Digital PSAT/NMSQT Testing Rules, which you can preview starting on page 18 of this guide, and make sure your device will work on test day. It is important to confirm your personal information is correct after you log in to the testing application with your sign-in ticket. If your information is incorrect or you received someone else's sign-in ticket, tell school staff immediately.

During these digital readiness activities, you'll also have the opportunity to answer questions about yourself, your educational experience, and your plans for after you graduate high school. All questions are optional. If any of your answers differ from answers you have us on previous in-school tests, we'll use your latest information.

College Board may use the information you provide:

- To verify your identity;
- To provide you score information;
- To maintain the fairness and validity of our tests;
- For test security purposes;
- For test accommodations purposes;
- On a de-identified basis, for psychometric and educational research purposes, and to maintain, develop, support, improve, and diagnose our services and applications
- To disclose as required by law, when we believe in good faith that it's necessary to protect our rights, protect an individual's safety or the safety of others, investigate fraud, or respond to a government request.

Your high school, school district, and state may receive your responses. Institutions that receive your information are required to keep it confidential and to follow College Board guidelines for using this information.

College Board sends information you provide to our cosponsor, National Merit Scholarship Corporation, for it to consider your eligibility for the National Merit Scholarship Program (see the second part of this guide).

If you choose to use the BigFuture School™ mobile application, we'll use your information to provide you with educational information and recommendations about college and career options. If you opt in to Connections™, we'll use your information to deliver content from nonprofit colleges, universities, scholarship organizations, and other educational organizations that may be a good fit for you. Note: your school, district, or state may choose to not provide access to Connections for its students.

More information about the BigFuture School app and the Connections feature can be found in *Introducing BigFuture School and Connections* on page 15.

See the Digital PSAT/NMSQT Testing Rules on page 18 for more information on use and disclosure of the information you may choose to provide.

Away Students

If you are a homeschooled student or plan to take the PSAT/NMSQT at a school you do not normally attend, you won't automatically be included in the registration file the testing institution completes. You'll need to complete the following steps before the deadline:

- Use our **in-school assessment search tool** to find a testing institution near you.
- Reach out to staff at the participating institution by **September 5, 2023**, to request to be included in their registration file. (Check the administering school district website for applicable deadlines. Some districts may need this step completed earlier.)

Provide the following information to the testing institution for registration:

- ◆ First and last name.
 - ◆ Date of birth.
 - ◆ Name/AI code for the school you normally attend (if you're homeschooled you'll only need to share that you are homeschooled). Ask your school counselor if you do not know your AI code.
 - ◆ Gender.
 - ◆ Your Services for Students with Disabilities (SSD) number if you are approved to test with accommodations.
- Confirm whether the testing institution will provide you with a device, or if you need to bring a testing device on test day.

If you would like to find out more about testing at a school you do not normally attend, visit our **Away Students** page.

IMPORTANT: *Away Students must bring a valid photo ID with them for check-in on test day. Please see the Digital PSAT/NMSQT Testing Rules on page 18 for information about acceptable photo identification.*

Special Considerations

Here are some situations you may need to prepare for.

You know in advance that you cannot take the test when your school offers it: Tell your counselor as soon as possible that you have a conflict, such as a religious observance. You may be able to take the test later in the month (during the testing window, which is defined as the period of time the test can be administered at your school) or as an Away Student (see previous section) at a nearby school that has selected a different test date. If you test at another school, be sure to take your school code and an acceptable photo ID with you. You'll need to keep your ID with you at all times, especially if you leave the testing room. (See the Digital PSAT/NMSQT Testing Rules on page 18 for information about acceptable photo identification.)

You are homeschooled and want to take the PSAT/NMSQT: Make arrangements in advance with your local school or another nearby school that is administering the test. Contact PSAT/NMSQT Customer Service (see page ii) if you need help finding a school in your area that's giving the test.

You missed the test but want to enter the National Merit Scholarship Program: For information about another route of entry to the National Merit Scholarship Program, see Unable to Take the PSAT/NMSQT? on page 34.

PSAT/NMSQT Test Dates and Fee

The PSAT/NMSQT testing window is October 2–31, 2023. Ask your counselor or principal when you will test. While different students from your school may test on different days, each student is only allowed to take the test once during the testing window, unless an irregularity occurs that warrants a retest.

The fee for the 2023 PSAT/NMSQT is \$18, but you might not have to pay it—some districts and schools cover all or part of the cost for their students. Schools sometimes charge an additional fee for administrative costs.

Testing Devices

Most schools participating in the PSAT/NMSQT will distribute school-managed devices for testing. In those cases, the school will have downloaded Bluebook and ensured that the testing device is charged and ready for testing.

If your school allows you to test on a personal device, you must download the exam app onto your device before testing. (A personal device is one that you bring for your use in testing and that is not provided by your school.) Your device must also be able to connect to Wi-Fi and be charged enough to stay on for roughly 3 hours. We recommend you bring a power cord or portable charger, but we can't guarantee you'll have access to an outlet. You're permitted to bring an external mouse for your device and an external keyboard if your device is a tablet. You can't use detachable device privacy screens. All other applications and programs must be closed during the test.

If you are bringing a personal device for testing, visit bluebook.collegeboard.org/students/approved-devices for more information about device requirements.

If You Need Testing Accommodations

If you have a disability that requires accommodations such as a screen reader, extra breaks, or permission to test blood sugar, be sure to have your school request College Board approval well in advance of the test date you need the accommodations for. Requests for accommodations are handled by the SSD office. If you're already approved for accommodations on College Board tests, you don't need to submit a new accommodations request for the digital tests.

Many accommodations work the same way for digital exams as they do for paper exams. For example, if you're approved for extended time, you'll receive a digital exam enabled with your approved amount of extended time per section.

Some accommodations differ for digital testing because of features available in Bluebook. For example, if approved for large-print test books, you won't need separate exam materials. You can take the digital exam with an increased font size by zooming in to enlarge the content as needed.

Additionally, if you're approved for human reader, braille, pre-recorded audio, or scribe, you'll now test with a screen reader or dictation. If you can't use the digital accommodation (e.g., screen reader) and need to continue to test with a human reader/scribe, speak to your SSD coordinator or contact the SSD office as soon as possible. Visit our website for more information about digital accommodations at cb.org/digital-accommodations. It is extremely important to practice taking a digital test with the technology you plan to use to test. Please see Prepare for the PSAT/NMSQT on page 9 for more information about practice.

When considering accommodations, note the following:

- Work with your school's SSD coordinator or counselor for accommodations. Your SSD coordinator or other appropriate school staff can help determine what accommodations are best for you and submit a request online.
- If you want to request accommodations on your own, download a paper Student Eligibility Form from collegeboard.org/ssd.

- Once approved for accommodations, with some exceptions, you remain approved and do not have to apply again when taking another College Board test.
- If you move to a new school after you've been approved for accommodations, your new school needs to confirm your continued eligibility. Print your SSD eligibility letter from your student account to give to your new school.
- If you are approved for extended time for specific subject areas (math, for example), you'll only get those accommodations on the relevant sections or tests. However, if you're approved for extended time for reading, you'll get extended time for the entire test.
- Talk to your SSD coordinator or other appropriate staff member before testing to confirm what accommodations you're approved for and any additional information you need for testing. If you are interested in opting out of your accommodations for testing, you will need to tell your test coordinator at least 2 weeks ahead of test day. You may only opt out of all your accommodations and this choice will only apply for this test administration.
- Bring your SSD eligibility letter with you on test day in case there are any questions.
- If you're interested in participating in the National Merit Scholarship Program and don't receive accommodations that you're approved for, or you don't receive approval in time for the test, please contact NMSC immediately (see National Merit Scholarship Program Overview on page 30 for further details).

Accommodations and Digital Testing

Accommodations that don't involve assistive technology or a change to exam timing or breaks won't require a special format of the digital exam. Examples of these types of accommodations include permission for small-group testing, food/drink/medication, and permission to test blood sugar.

The PSAT/NMSQT is accessible to students approved to use assistive technology (AT). You'll need to open and start the AT device or software before you open Bluebook for practice and for testing. On test day, adjust any necessary settings before you start to check in for the digital test. The app has extensive help content to answer your questions about setup, navigation, and tools to help you access test content.

REMINDER: All students must stay for the entire test. If you have accommodations that involve additional timing, you must stay for your approved amount of extended time. At the end of the test, wait until you get confirmation that your answers have submitted before closing the lid to your laptop, turning off your tablet screen, closing Bluebook, or shutting down your device.

Privacy Policies

College Board recognizes the importance of protecting your privacy. Please review our privacy policies at collegeboard.org/privacy-center ("Privacy Policies") and the Digital PSAT/NMSQT Testing Rules on page 18 to understand our collection, use, and disclosure of your personally identifiable information.

Telemarketing Scams

We sometimes get reports of phone scams when callers posing as employees of College Board or National Merit Scholarship Corporation (NMSC) try to sell test preparation products or request sensitive, personally identifying information, such as credit card and Social Security numbers. College Board and NMSC do not make unsolicited phone calls or send emails to students or families requesting this type of information. This type of activity, known as telemarketing fraud, is a crime and should be reported to local law enforcement.

Test Question Inquiries

If you find what you consider to be an error or an ambiguity in a test question, tell the test coordinator immediately after the test. You may also email psatquestion@collegeboard.org.

In your inquiry, provide your name and mailing address, the date you took the PSAT/NMSQT, the name and address of your testing site, the test section and module, the test question (as well as you can remember), and an explanation of your concern about the question.

College Board will send you a written response after your inquiry has been reviewed thoroughly by subject-matter specialists. If you submit a report for what you consider to be an error or an ambiguity in a test question, you understand that College Board may need to hold your PSAT/NMSQT score for review. As a result, your score may not be available by the published release date for your administration.

IMPORTANT: *We won't respond via email, so be sure to include your full name and mailing address.*

Additional Information on the SAT Suite of Assessments

Procedures to Ensure Fairness and Equity

College Board combats any bias in our tests with our review processes. Fairness reviewers ensure that test materials are accessible to all students, have no offensive or insensitive content, and aren't made easier or harder by factors outside the subject being measured. You can download a copy of [Assessment Framework for the Digital SAT Suite](#) to learn about the evidence-based design and development of the digital SAT Suite as well as more about fairness on the tests.

Prepare for the PSAT/NMSQT

You may have an opportunity to practice for the PSAT/NMSQT before testing as part of your school's digital readiness activities. The school where you're testing will register you and provide sign-in credentials for Bluebook during the readiness activities. You can access the following practice tools in the app:

Test Preview: To prepare for the PSAT/NMSQT, you'll have access to a test preview within Bluebook. This tool helps you:

- Get familiar with functions in the app.
- See the structure of the test.
- Try a small sample of Reading and Writing and Math questions to familiarize yourself with the kinds of questions you'll encounter on test day and with how to properly enter your answers.
- Try all the testing tools and experience how the digital tests work with any assistive technology you're approved to use.

Full-Length Adaptive Digital PSAT/NMSQT Practice Test: You can access a practice test in Bluebook. If your school does not run a full-length practice session during the readiness check, you can download Bluebook and sign in using the credentials provided by your school.

Taking a full-length practice test for the PSAT/NMSQT will let you experience digital testing and familiarize yourself with test content. If you'll be using a personal device for testing, you can also make sure your testing device supports the app and is ready to use for testing. The full-length practice test will also give you a score.

College Board provides downloadable versions of linear practice tests for students who will test with paper-based accommodations. Because they are nonadaptive—please see description of what adaptive testing is on page 3—these linear tests are longer and require more questions to assess your knowledge and skills. To practice on paper, you'll need to print the linear practice test or ask your counselor to help you obtain the test.

Official Digital SAT Prep on Khan Academy: You can go to Khan Academy® and enter your planned test date and location to be directed to the best test prep content for your test type. Khan Academy's digital SAT course content includes videos, articles, and worked examples designed to help you understand and experience what's new about the digital SAT Suite. Visit khanacademy.org/sat.

For more information on practice for the PSAT/NMSQT, go to psat.org/practice.

Practice Test

Take an official PSAT/NMSQT practice test to become familiar with Bluebook, including the types of questions you'll answer and the exam tools you'll use to take the test.

1. Download the Bluebook app at bluebook.app.collegeboard.org.
2. Go to **Practice and Prepare** on the Bluebook homepage, and select **Full-Length Practice**.
3. After you've finished the practice test in Bluebook, go to **My Practice** at mypractice.collegeboard.org and sign in with the same credentials provided by your school to view your score results and review your practice exam questions, answers, and their explanations.

What the Digital Reading and Writing Section Is Like

The Reading and Writing section of the PSAT/NMSQT is designed to measure your success with building critical college and career readiness in literacy. In this section, you'll answer multiple-choice questions requiring you to read, comprehend, and use information and ideas in texts; analyze the craft and structure of texts; revise texts to improve the rhetorical expression of ideas; and edit texts to follow core conventions of Standard English.

Passages in this section, which serve as the basis for answering test questions, represent the subject areas of literature, history/social studies, the humanities, and science. There is a single question per passage.

Select questions in this section are accompanied by an informational graphic.

Reading and Writing Section Overview

Test length:

- 1st module: 25 operational questions and 2 pretest questions
- 2nd module: 25 operational questions and 2 pretest questions

Total: 54 questions

Time per module:

- 1st module: 32 minutes
- 2nd module: 32 minutes

Total: 64 minutes

(~1 minute and 11 seconds per question)

Questions in the Reading and Writing section represent one of four content domains, shown in the table that follows. To help you budget your time, questions that test similar skills and knowledge are grouped together and arranged from easiest to hardest. Pretest questions don't count toward your score.

READING AND WRITING SECTION CONTENT DOMAINS AND QUESTION DISTRIBUTION

Content Domain	Domain Description	Skill/Knowledge Testing Points	Operational Question Distribution
Craft and Structure	Measures the comprehension, vocabulary, analysis, synthesis, and reasoning skills and knowledge needed to understand and use high-utility words and phrases in context, evaluate texts rhetorically, and make connections between topically related texts	▪ Words in Context, Text Structure and Purpose, Cross-Text Connections	13–15 questions
Information and Ideas	Measures comprehension, analysis, and reasoning skills and knowledge and the ability to locate, interpret, evaluate, and integrate information and ideas from texts and informational graphics (tables, bar graphs, and line graphs)	▪ Central Ideas and Details, Command of Evidence (Textual, Quantitative), Inferences	12–14 questions
Standard English Conventions	Measures the ability to edit texts to conform to core conventions of Standard English sentence structure, usage, and punctuation	▪ Boundaries, Form, Structure, and Sense	11–15 questions
Expression of Ideas	Measures the ability to revise texts to improve the effectiveness of written expression and to meet specific rhetorical goals	▪ Rhetorical Synthesis, Transitions	8–12 questions

NOTE: Some tests may differ from these specifications because of format variations. For example, some students with accommodations will take a linear test (with linear practice also available in Bluebook), and that linear test has different item counts in the modules. You can learn more in the [Assessment Framework for the Digital SAT Suite](#).

What the Digital Math Section Is Like

The Math section of the PSAT/NMSQT is designed to measure your success with building critical college and career readiness knowledge and skills in math. It focuses on key elements of algebra, advanced math, problem-solving and data analysis, and geometry and trigonometry. Over the course of the Math section, you'll answer multiple-choice and student-produced response questions that measure your fluency with, understanding of, and ability to apply the math concepts, skills, and practices that are most essential.

Approximately 30% of Math questions are set in context. These in-context “word” questions require you to consider a science, social studies, or real-world scenario and apply your math skills and knowledge, along with an understanding of the context, to determine the answer to each.

Select questions in this section are accompanied by an informational graphic.

Math Section Overview

Test length:

- 1st module: 20 operational questions and 2 pretest questions
- 2nd module: 20 operational questions and 2 pretest questions

Total: 44 questions

Time per module:

- 1st module: 35 minutes
- 2nd module: 35 minutes

Total: 70 minutes

(~1 minute and 35 seconds per question)

Questions from all four content domains appear in each test module. Across each module, questions are arranged from easiest to hardest, allowing you to have the best opportunity to demonstrate what you know and can do. Pretest questions don't count toward your score.

MATH SECTION CONTENT DOMAINS AND QUESTION DISTRIBUTION

Content Domain	Domain Description	Skill/Knowledge Testing Points	Question Distribution
Algebra	Measures the ability to analyze, fluently solve, and create linear equations and inequalities as well as analyze and fluently solve equations and systems of equations using multiple techniques	▪ Linear equations in 1 variable; Linear equations in 2 variables; Linear functions; Systems of 2 linear equations in 2 variables; Linear inequalities in 1 or 2 variables	13–15 questions
Advanced Math	Measures skills and knowledge central for progression to more advanced math courses, including demonstrating an understanding of absolute value, quadratic, exponential, polynomial, rational, radical, and other nonlinear equations	▪ Equivalent expressions; Nonlinear equations in 1 variable and systems of equations in 2 variables; Nonlinear functions	13–15 questions
Problem-Solving and Data Analysis	Measures the ability to apply quantitative reasoning about ratios, rates, and proportional relationships; understand and apply unit rate; and analyze and interpret 1- and 2-variable data	▪ Ratios, rates, proportional relationships, and units; Percentages, 1-variable data: distributions and measures of center and spread; 2-variable data: models and scatterplots; Probability and conditional probability; Inference from sample statistics and margin of error; Evaluating statistical claims: observational studies and experiments	5–7 questions
Geometry and Trigonometry	Measures the ability to solve problems that focus on area and volume; angles, triangles, and trigonometry; and circles	▪ Area and volume; Lines, angles, and triangles; Right triangles and trigonometry; Circles	5–7 questions

NOTE: Some tests may differ from these specifications because of format variations. For example, some students with accommodations will take a linear test (with linear practice also available in Bluebook), and that linear test has different question counts in the modules. You can learn more in the [Assessment Framework for the Digital SAT Suite](#).

Information You'll Need on Test Day for Digital Testing

Be prepared for digital testing by making sure you bring only what you need for the test. You will have a testing device, but won't be able to use or access any other personal electronic devices, such as a mobile phone or wearable technology, during the test. Review the other important guidelines in this section to make sure you understand the policies that cover your PSAT/NMSQT testing experience.

This section also includes information about test day technical support.

Test Day Items

See Section 1 of the Digital PSAT/NMSQT Testing Rules on page 18 for full requirements for taking the PSAT/NMSQT.

The following items are required for taking the PSAT/NMSQT:

- A pen or pencil for scratch work (it doesn't have to be a No. 2 pencil).
- A fully charged, acceptable testing device with Bluebook already downloaded.
- A valid photo ID for check-in if testing as an Away Student.

Though not required, consider bringing:

- Snacks and drinks (which must be under your desk during testing)
- An acceptable calculator—please see psat.org/calculator for full list—for use on the Math section of the test (if you prefer using a handheld calculator to using the embedded Desmos calculator in the Bluebook app)
- Extra batteries, a power cord, and backup calculator

Testing Guidelines

This section summarizes important guidelines for digital testing. See Section 1 of the Digital PSAT/NMSQT Testing Rules on page 18, to make sure you cover all the steps to successfully prepare to take the PSAT/NMSQT.

- If you are allowed to bring your own or a school-issued device, plan ahead and bring equipment that's in good working order with enough battery power to last for 3 hours. Your testing device must be able to connect to Wi-Fi, and you may need to update your operating system to support the digital test. Testing staff might not have extra batteries or calculators.
- Expect to complete a digital readiness check led by school staff in the time leading up to testing. You will be able to review and agree to the Testing Rules and familiarize yourself with Bluebook. As part of this, you'll have the option to provide additional information about yourself. This information is used by College Board to ensure the test is fair for all test takers.
- On test day, you'll follow instructions to connect to Wi-Fi, complete exam check-in on your testing device, and type a brief statement saying that you agree to follow all test day rules.
 - ◆ Store any snacks or drinks you bring under your desk. You may only eat snacks during breaks. The testing staff will tell you where you can go to have your snack.
 - ◆ Aside from a scheduled break, you must not leave the testing room before you're dismissed; if you do, your scores are subject to cancellation.

Test Submission

Do not close the lid to your laptop, turn off your tablet screen, close Bluebook, or shut down your device until you see the Congratulations screen indicating that your answers have been submitted.

In the event of an internet disruption at the end of the test or another issue that keeps you from submitting your answers, you'll need to follow instructions provided by your school to complete submission. This may include waiting until the internet is back online to leave the testing room, or returning later with your testing device once the internet service resumes.

If answers aren't received by the end of the submission period, College Board may cancel your scores or report them for guidance purposes only.

After the Test

Once you've taken the PSAT/NMSQT, you'll be ready for the next step of accessing your scores, understanding them, and gauging your progress. Use the information in this section to help you make the most of your scores. You can also start exploring other tools that College Board offers to help you plan for the future.

How the PSAT/NMSQT Is Scored

Students receive a total score that is the sum of their scores on the two sections.

All test questions are first scored as correct or incorrect. There is no penalty for guessing, so try to answer every question. The difficulty level and other qualities of each question (such as how well it differentiates skill level or how easy it is to guess on a question), as well as whether the student got the question right or wrong, are taken into account when calculating a student's score. This score is then converted to the reported scaled score of 160–760 on each section. Every test conforms to a standardized specification of question types and qualities, so all students have equitable opportunity to demonstrate their strengths.

PSAT/NMSQT Score Reported	Details	Score Range
Section Scores (2)	- Reading and Writing (RW) - Math (M)	160–760 160–760
Total Score	Sum of the 2 section scores	320–1520
Selection Index Score	$\frac{2RW + M}{10}$	48–228

Retesting

If you encounter an issue on test day that makes you want to consider canceling your score, you may be able to work with your school to retest later in the testing window. (For more information on canceling scores, please see 4(e) Test Taker Reporting Violations or Suspicious Behavior on page 23 in the Testing Rules.)

Contact your school's test coordinator immediately to report any issues you encountered on test day.

If you do not want your PSAT/NMSQT Selection Index score used for participation in the National Merit Scholarship Program, you must contact NMSC immediately. See page 34 for further details.

Introducing BigFuture School and Connections

Get Your PSAT/NMSQT Scores Delivered Right to Your Phone

BigFuture School is a free mobile app that lets you view your scores and get customized career information and guidance about planning and paying for college.

When you take the PSAT/NMSQT, you may have an opportunity to share your mobile phone number with us. After you complete the test, we'll text you a link to download the app, send you a code you'll use to sign in, and let you know when your scores are ready. We won't use your phone number for any other reason.

BigFuture School is available only to students 13 and older who are testing in the U.S.

A New Way to Find Colleges and Scholarships

You may also choose to participate in Connections™, a free program that lets you hear directly from nonprofit colleges, scholarship programs, and educational organizations that are interested in students like you. We use the information you and your state, district, or school provide as part of the PSAT/NMSQT—including your score range—to make connections that are relevant to you.

NOTE: The content from these educational organizations is not written, edited, or approved by College Board.

We'll deliver this content via the BigFuture School app, email, and postal mail (if you choose to download BigFuture School, and/or provide your email and/or address when you take the PSAT/NMSQT or later in the BigFuture School mobile app, all of which is optional).

Read more about BigFuture School and Connections at satsuite.org/bigfutureschool.

Connections Put Privacy First

We will never share your personal information with any of these organizations as part of Connections. If you're interested in one of the colleges or programs we tell you about, you decide if and when to contact them. We may provide reports about your use of Connections to these organizations, but none of your personal info will be included.

What Organizations Will We Connect You With?

When you opt in to Connections, we will only deliver content to you from nonprofit organizations that meet one of the following criteria:

- Nonprofit colleges and universities accredited institution-wide by a U.S. DoE recognized accreditor to offer 2-year associate and/or 4-year bachelor's degrees
- Nonprofit colleges and universities outside the U.S. accredited institution-wide by a government recognized accrediting agency
- 501(c)(3) organizations for the purpose of offering no-cost scholarships, financial aid, or information regarding access to higher education
- Nonprofit consortia of any of the above organizations for the purpose of offering no-cost scholarships, financial aid, or information regarding access to higher education with equal regard for any and all organizations participating in the consortia

What Information About You Will We Use?

To customize the content you see as part of Connections, we use information your state, district, or school provides us with and information you choose to provide to us.

The educational and career interests and preferences you share with us will be used to tailor the content you see in Connections.

Information about you that your state, district, or school provides:

- Date of birth
- Gender
- Where you go to school
- Which College Board test you're taking
- Grade level
- When you will test

Information about you that you provide (optional):

- Home/mailling address
- GPA
- Email address
- Intended college major
- Race
- Level of education aspirations
- Ethnicity
- Parents' level of education
- First and best language

Opting Out Is Easy

Your participation in BigFuture School and Connections is completely voluntary, and you can opt out at any time.

There are different ways you can opt out of BigFuture School text messages:

- Text STOP to to any text we send you about BigFuture School.
- Call customer service at 866-756-7346.
- For additional help, text **HELP** to any text we send you about BigFuture School or contact us at [cb.org/contact](https://collegeboard.org/contact).

There are different ways you can opt out of Connections:

- There is an opt-out feature within the BigFuture School app.
- You can contact College Board's customer service at 866-756-7346.

You are also able to control specific communication preferences as you use Connections, including through email/mail/app notification controls within the app, an unsubscribe option within Connections emails, opt-out instructions included in each mailing, and by contacting College Board Customer Service.

Please know that your school, district, or state may choose to not provide access to Connections for its students or students that test at their schools.

PSAT/NMSQT scores will be available in the BigFuture School mobile app.

Please visit psat.org/scores for score release dates.

Getting Your Scores

In addition to the BigFuture School mobile app, you can review the PDF score report with educators at your school. Schools have access to the downloadable PDF for their students through the online K–12 score reporting portal. As always, you may use or create a personal College Board account at studentscores.collegeboard.org to get additional insights about your scores and explore BigFuture.

We send your scores, data derived from your scores, and other information you provide during testing to our cosponsor, National Merit Scholarship Corporation (NMSC), who conducts the National Merit Scholarship Program. Your score report will also include the NMSC Selection Index score, which NMSC uses as an initial screen of entrants to its National Merit Scholarship Program. For further information, see the National Merit Scholarship Program section later in this publication.

PRO TIP: After reviewing the career information on your score report, take the free BigFuture Career Quiz in less than 10 minutes to get a list of more potential careers that match your interests. Visit bigfuture.org/careerquiz.

College Board National Recognition Programs

If you take the PSAT/NMSQT as a sophomore or junior and identify as Black, Latino, or Indigenous and/or attend school in a rural area or a small town, you may be invited to apply for one or more College Board National Recognition Programs:

- African American Recognition
- Hispanic Recognition
- Indigenous Recognition
- Rural and Small Town Recognition

This recognition of your achievements will help you stand out to colleges and connect with ones you might not have otherwise considered. You can include your award on college applications. Learn more and apply on BigFuture at bigfuture.org/recognition.

Scholarship Programs

College Board partners with a variety of education organizations to help connect students like you to funding to help pay for college. These partners generally look for groups of students based on expected graduation date, where they live, self-reported grade point average (GPA), test score ranges, intended college major, geography, and other limited parameters. Some of our partners offer more than one scholarship, with varying deadlines. For more information about how you may apply directly with these organizations, visit their website(s).

- American Indian Science and Engineering Society (aises.org)
- American Savings Foundation (asfdn.org)
- Asian & Pacific Islander American Scholars (apiascholars.org)
- Boettcher Foundation (boettcherfoundation.org/colorado-scholarships)
- Cobell Scholarship (awarded by Indigenous Education, Inc.) (cobellscholar.org)
- Coca-Cola Scholars Foundation (coca-colascholarsfoundation.org)
- Daniels Fund (danielsfund.org)
- The Ford Family Foundation (tfff.org/scholarship-programs-information)
- The Gates Scholarship (thegatesscholarship.org)
- George Snow Scholarship Fund (scholarship.org)
- Greenhouse Scholars (greenhousescholars.org)
- Hispanic Scholarship Fund (hsf.net)
- Horatio Alger Association (scholars.horatioalger.org)
- Jack Kent Cooke Foundation (jkcf.org)
- The Jackie Robinson Foundation (jackierobinson.org)
- Native Forward (nativeforward.org)
- Ron Brown Scholar Program (ronbrown.org)
- Sachs Foundation (sachsfoundation.org)
- Society of Women Engineers (swe.org/scholarships)
- Southern Scholars Initiative (southernscholarsinitiative.org)
- Sunrise Scholars Foundation (sunrisescholars.org)
- TheDream.US (thedream.us)
- United Negro College Fund (uncf.org)
- Washington State Opportunity Scholarship (waopportunityscholarship.org)

See psat.org/scholarships for more information.

Digital PSAT/NMSQT Testing Rules

Introduction

These Testing Rules (“**Testing Rules**,” “**Terms and Conditions**,” or “**Agreement**”) are a legal contract between you and College Board (“**College Board**” or “**we**”). They set forth important rules and policies you must follow related to taking the digital PSAT/NMSQT. Please read these carefully.

All disputes between you and College Board will be resolved through binding arbitration in accordance with Section 9 of this Agreement. You understand that by agreeing to arbitration, you are waiving your right to resolve disputes in a court of law by a judge or jury except as otherwise set forth in this Agreement.

CONTENTS:

- Section 1. Requirements for the Digital PSAT/NMSQT*
- Section 2. Prohibited Items*
- Section 3. Prohibited Behaviors*
- Section 4. Score Cancellation and Disciplinary Measures*
- Section 5. Privacy*
- Section 6. Miscellaneous*
- Section 7. Policies and Requirements*
- Section 8. Intellectual Property Rights*
- Section 9. ARBITRATION OF DISPUTES AND CLASS ACTIONS WAIVER*
- Section 10. Venue and Waiver of Jury Trial*
- Section 11. LIMITATIONS OF LIABILITY*
- Section 12. Disclaimer of Warranties*
- Section 13. Severability*
- Section 14. Restricted Registrations*
- Section 15. Accessibility of These Testing Rules*

Section 1.

Requirements for the Digital PSAT/NMSQT

The digital PSAT/NMSQT is taken at a school (typically a school you attend) (“**your school**”) on a Testing Device as defined below. It is administered on College Board’s Bluebook digital testing application (“**Exam App**”) that is downloaded to your Testing Device.

Step 1: Testing Device. You will need an eligible fully charged testing device (“**Testing Device**”) that can connect to the internet to take the test. Testing Devices are one of the following: Windows laptop or tablet, Mac laptop, or iPad. You can also use a Chromebook if it is a School-Managed Testing Device as defined below. You cannot take the digital PSAT/NMSQT on a mobile phone. The Testing Device must have sufficient charge to last a duration of about three hours (to account for testing and set up).

The two types of Testing Devices are:

- **School-Managed/Shared Testing Device:** a device that your school provides to you for your use in testing that your school has administrative rights over.
- **Personal Testing Device:** a device that you bring for your use in testing and that is not provided by your school. If you bring a Personal Testing Device, you must make sure that it is allowed by your school. You are responsible for making sure your Testing Device is running on the latest operating system software, and if it isn’t, you must update it prior to testing. Schools reserve the right to deny use of outside devices on their school networks. Students may be asked to use a School Managed or Shared Testing Device in these instances.

Step 2. Exam App Installation. The Exam App must be downloaded onto your Testing Device. If your Testing Device is a School Managed/Shared Testing Device, your school administrator will likely download the Exam App to your Testing Device, but it is your responsibility to confirm that the Exam App has been installed. If you are using a Personal Testing Device, you will need to download the Exam App yourself from bluebook.app.collegeboard.org prior to testing.

Step 3. Digital Readiness Check. You must complete the digital readiness check in order to test. You must complete the readiness check in your school to ensure that your Testing Device can connect to your school internet. Your school will need to provide you with sign-in credentials in order for you to complete the readiness check. You should complete the readiness check prior to testing. Your school may provide you with additional directions on preparing your Testing Device for testing and you must follow such directions.

Step 4. Test Day.

- On test day, your school will direct you to your testing room.
- Your proctor will provide you with three sheets of scratch paper and your sign-in credentials to input into the Exam App.
- You will follow the instructions provided to you by the Exam App and your proctor.
- You will connect to your school's internet.
- You must bring the following items ("**Required Items**").
 - ◆ Acceptable photo ID if you are an Away Student or testing at a school you don't regularly attend. (Digital SAT Suite ID requirements are on the College Board website at satsuite.collegeboard.org/digital/what-to-bring-do/id-requirements.)
 - ◆ Fully charged Testing Device with the Exam App installed.
 - ◆ Acceptable Calculator (defined below) if you choose not to use the built-in Desmos calculator in the Exam App.
 - ◆ Pen or pencil for scratch work.
- Internet Connection: The Exam App is designed to work with intermittent connection to the internet. An internet connection is required to start the test and to submit results at the end of the test. You will receive instructions from your proctor on test day if there is an outage.

Step 5. Taking the Test.

- Modules: Each section of the digital PSAT/NMSQT is made up of 2 modules. Once you move on from a module, you cannot return to access any questions from it.
- Online Calculator: There is a graphing calculator built into the Exam App for your use on the Math section, but you may also bring an **Acceptable Calculator** as described on the College Board website at psat.org/calculator. No other calculators are permitted.
- Managing Your Time: The Exam App has a timer that will count down the minutes and seconds remaining in each module. You can hide the timer, but once there are 5 minutes remaining, the timer will become visible until time is up. When time expires, your work will be automatically saved and submitted if you are connected to the internet. You will not be able to keep working on a question after time expires. You are required to stay for the full duration of the test. You cannot end a module early or submit your answers before the timer runs out.
- No Other Open Programs or Applications: Prior to testing, you must close all other applications or programs on your device. You cannot work in any other program or application while the test is running and you cannot paste work into the Exam App from another program or application. You cannot have any open apps on your Testing Device at the start of testing. Attempting to do so may result in score cancellation. The only exception is for your use of approved assistive technology where you have been approved for testing accommodations by College Board Services for Students with Disabilities.

- **Answer Submission in the Exam App:** You must enter your answers in the Exam App. You will not submit any handwritten work, files, or photos. You must not close your Testing Device lid until your answers are submitted. Closing the Testing Device lid before this point may prevent answers from being submitted and cause your test to be incomplete. Answer submission happens automatically if your Testing Device is connected to the internet when the digital PSAT/NMSQT ends. If your answers were successfully submitted, you will see a confirmation screen indicating so. However, if your Testing Device is not connected to the internet when the digital PSAT/NMSQT ends, you must work with your school to resolve any submission errors within the submission window. College Board will score all digital PSAT/NMSQT exams that have been started, even if a submission is incomplete or a submission error occurs.
- **Answer Submission in a Paper Test Book:** Students approved for an accommodation to test with a paper test book only, outside of the Exam App, will record their answers in the test book by circling their final answer choice. Circle only 1 answer for each question. Multiple circled answers to 1 question will be counted as an incorrect answer. Most questions are multiple choice, but some questions are student-produced responses. Directions for filling in your answers to these questions are in your test book. You'll write your answer next to or under the test question and circle it clearly. You won't receive credit for anything written outside of the circle, or if there are multiple circles for a question. Be sure to follow all instructions to prevent any scoring delays or issues.

WARNING. College Board is not responsible for your failure to follow the steps, directions and instructions relating to taking the digital PSAT/NMSQT. You may be prevented from testing, in College Board's sole discretion, for such failure.

Section 2. Prohibited Items

You may not bring prohibited items to the digital PSAT/NMSQT. Prohibited items include:

- Electronic equipment including phones, smartwatches, fitness trackers, wearable technology, cameras, recording or listening devices, or any other type of electronic or communication device except for your Testing Device used for the digital PSAT/NMSQT and, if applicable, any assistive technology that you have been approved to use for testing as an accommodation by College Board.
- Books, reference guides, notes, compasses, protractors, dictionaries, highlighters, or colored pencils.
- Papers of any kind.
- Watches that beep, make a noise, or have an alarm.
- Calculators that are not approved.
- Detachable privacy screens for a Testing Device.
- Reference guides, keyboard maps, or other typing instructions.
- Ear plugs.
- Headphones.
- Weapons or firearms.

If you do not bring the required items, or if you bring prohibited items, you may be denied admission to or be dismissed from the test; in addition, we may decline to score your test, or cancel your score.

NOTE: Some exceptions to the above may apply if a test taker has received a College Board–approved accommodation.

Section 3. Prohibited Behaviors

You **may not engage** in the prohibited behaviors set forth below:

- Attempt to cheat, or otherwise obtain an unfair advantage on the digital PSAT/NMSQT.
- Remove or attempt to remove any test questions or responses or any notes or scratch paper from the testing room, including through memorization, give them to anyone else, or discuss them with anyone else through any means, including, but not limited to, email, text messages, or the internet.
- At any time, improperly access or attempt to improperly access the test site, the test (or any part of the test), an answer key, or any information about the test.
- Engage in any way in (i) theft or attempted theft of test content including through Exam App intrusion; (ii) postexam manipulation of test content, responses or test administration data; (iii) attempting to adversely impact or adversely impacting College Board or your school network or Exam App through any means including cybersecurity means.
- Attempt to give or receive assistance, including by copying or through the use of an answer key.
- Discuss, record, copy, or share information about the test including questions, answers, or form of a test, or any other information that might compromise the security of the test at any time (including before the test, during the test, during breaks, or after the test).
- Communicate with other test takers or other individuals in any form while testing is in session.
- Allow anyone to see your test questions or answers or attempt to see or copy others' test questions or answers.
- Consult notes, other people, electronic devices, textbooks, websites, or any other resources during the test or during breaks.
- Have subject-related information on your clothing, shoes, or body.
- Use or access any prohibited items including devices or aids such as, but not limited to, mobile phones, smartwatches, fitness trackers, other oral or written communication devices or wearable technology, cameras, notes and reference books, etc., during or in connection with the test, including during breaks.
- Have any applications running on your Testing Device other than the Exam App or approved assistive technology or visit any other digital resource(s) or website(s) during the test.
- Fail to turn in or store away a mobile/smartphone in accordance with your school's collection process.
- Share a calculator with another person.
- Use any calculator on any test section other than the Math section.
- Use a prohibited calculator.
- Leave the testing room without permission and prior to the conclusion of all sections or modules of the test. Students may only test in their assigned testing room. Testing outside of their testing room may result in score cancellation.
- Go to a locker or leave the designated testing area at any time during the test administration, including during breaks.
- Deliberately attempt to and/or take the test for someone else or attempt to have someone else impersonate you to take the test.
- Provide false information to College Board.
- Disturb others during the test.
- Consume food or drink in unauthorized areas or times.
- Exhibit or engage in confrontational, threatening, or unruly behavior, conduct, or communication toward or concerning others including, without limitation, any test taker, test administrator, proctor, employee of College Board, or College Board contractor.
- Allow an alarm or a personal item to sound in the testing room.
- Fail to follow any of the test administration rules set forth in these Terms and Conditions or in other registration information or directions given by the testing staff or rules of the test site.

- Utilize or attempt to utilize any artificial intelligence (“AI”) tools, including AI writing solutions such as Generative Pre-trained Transformer (“GPT”) 3 and 4 and subsequent versions or developments.
- Deliberately sabotage, damage, or attempt to remove the Testing Device from the testing room or test site during the administration of the test.

Section 4.

Score Cancellation and Disciplinary Measures

- a. **Score Cancellation and Disciplinary Measures.** In the event that College Board and/or its contractors determine that your scores are invalid under Section 4(b) below, or you have engaged in Misconduct under Section 4(c) below, we may, in our sole discretion, take 1 or more of the following measures (“**Measures**”): deny you entry to a test administration, dismiss you from the test, decline to score your test, cancel your scores, ban you from taking future College Board assessments (including without limitation the Advanced Placement® and CLEP® Exams), and/or share information with others as set forth in Section 4(f) below. **CAUTION! THE CONSEQUENCES OF CHEATING ON THE DIGITAL PSAT/NMSQT ARE SEVERE.**
- b. **Invalid Scores.** We may cancel your scores and/or take any of the other Measures described above, if after following the procedures set forth in this section, we determine, in our sole discretion, that there is substantial evidence that your scores are invalid (“**Invalid Scores**”). Examples of evidence of Invalid Scores include, without limitation, unusual answer patterns or other evidence that indicates these Terms and Conditions have been violated. Before canceling your scores under this Invalid Scores section, we will notify you in writing (via email if an email address is provided by you in the Exam App for this test) or through your school and offer you 3 options: voluntary score cancellation, a retest (if during the testing window and available at the test site), or an opportunity to submit additional information and request a further review by a College Board panel. If you opt for a further review by a College Board panel, and it confirms, in its sole discretion, that your scores are invalid, we will offer you 3 options: voluntary score cancellation, a retest (if during the testing window and available at the test site), or binding arbitration. If the retest option is available at your test site and you choose to pursue the retest option, you may not review scores from the administration under review—such scores will be canceled. This process is referred to as the “Score Validity Process.” Additional information about security measures and consequences of violating security policies is set forth at the College Board website. The binding arbitration option is available only for tests administered in the United States and U.S. territories.
- c. **Misconduct.** Notwithstanding Section 4(b) above, if we determine, in our sole discretion, that there is overwhelming evidence that you violated these Terms and Conditions (“**Misconduct**”), the Score Validity Process will not apply, and we may cancel your scores and/or take any of the Measures described above. Examples of Misconduct include overwhelming evidence that you used or attempted to use an answer key, mobile phone, the internet, or an application other than the Exam App; remove test content; adversely impact (e.g., take down, disrupt, or deface) College Board server or Exam App through a cyberattack or other malicious activity; reverse engineer test specifications and content; or engage in postexam manipulation of test content, answer keys, or telemetry data. Misconduct may be established in various ways including, without limitation, through observations during an administration or by evidence discovered afterward.
- d. **Testing Irregularities.** We may cancel your scores if we determine, in our sole discretion, that any testing irregularity occurred (collectively “**Testing Irregularities**”). Examples of Testing Irregularities include, without limitation, problems, irregular circumstances, or events associated with the administration of a test that may affect one (1) test taker or groups of test takers. Such problems include, without limitation, administrative errors (e.g., improper seating, improper admission to a test site, providing accommodations not approved by College Board, defective materials, defective equipment, technical issues (such as Testing App malfunction, Testing Device hardware issues, internet outage), evidence of possible preknowledge of secure test content, and disruptions of test administrations caused by events such as internet disruptions, natural disasters, weather events, epidemics or pandemics, wars, riots, civil

disturbances, or other emergencies. When Testing Irregularities occur, we may cancel an entire administration or individual registrations, decline to score all or part of the test, or cancel scores. We may do this regardless of whether or not you caused the Testing Irregularities, benefited from them, or violated these Terms and Conditions. We may, in our sole discretion, give you the opportunity to take the test again within a reasonable time frame, and without charge. This is the sole remedy that may be available to you as a result of Testing Irregularities.

- e. **Test Taker Reporting Violations or Suspicious Behavior.** You may confidentially report any suspected violation of the digital PSAT/NMSQT Terms and Conditions, or any suspicion concerning the security of an SAT Suite test administration, by immediately reporting this information to College Board by emailing us at collegeboardtestsecurity@collegeboard.org or online at forms.collegeboard.org/reportcheating.
- f. **College Board Sharing Information with Third Parties.** We may share the results of test security investigations (including without limitation those relating to Misconduct and Invalid Scores described above and other disciplinary-related information), with third parties, including with your school, district, or State Department of Education, National Merit Scholarship Corporation, parents, legal guardians, or law enforcement. College Board may also share such information with third parties that have a legitimate reason for knowing the information or who may be able to assist College Board in its investigation or who may be conducting their own investigation. If you publicize any review, investigation, or decision of College Board, College Board may make any and all details of such matter public.

Section 5.

Privacy

- a. **Privacy Policies.** College Board recognizes the importance of protecting your privacy. Our privacy policies located on the College Board website at collegeboard.org/privacy-center (“**Privacy Policies**”), and also available to you under **Help** on the Exam App homepage, are part of these Terms and Conditions. You consent to the collection, use, and disclosure by College Board of your personally identifiable information as described in our Privacy Policies and these Terms and Conditions. College Board may update its Privacy Policies from time to time, and they are subject to change up to 1 week prior to your test date and any subsequent test dates for which you register. You are required to review the Privacy Policies located at collegeboard.org/privacy-center prior to each test administration.

- b. **Testing Device and Activity Data.**

Testing Device Data: When you download the Exam App, College Board will receive certain information about your Testing Device, including device type, operating system type and version, applications and processes running on your device, Internet Protocol (IP) address, screen size and resolution, number of screens, available memory, storage and disk bytes, disk mount, type and size, battery level, and other device-specific information for the purposes described below.

Activity Data: We also capture and monitor the actions you take in the Exam App, including your responses, where you click, where you put your mouse on the page, how long you spend on each page, ctrl/alt/delete attempts, and how you navigate through the Exam App.

Testing Device Data and Activity Data: Testing Device Data and Activity Data (collectively, “**Data**”) may be used by College Board to make sure your device is compatible with the Exam App, for test security purposes, for test validation and research, and to develop and improve College Board products and services. Data may be disclosed to trusted vendors, but only in their provision of services to College Board, and we may disclose aggregated and de-identified Data. Data is not sold or licensed to third parties including without limitation for their marketing purposes or other commercial purposes. We may share Data with your school, district or state education department related to the PSAT/NMSQT you take on the Exam App, including any misuse of the Exam App. You will also be asked to type specific sentences in the Exam App. Neither data nor those typed sentences are used for biometric identification.

- c. BigFuture School.** If you are age 13 or older and take the test within the United States, and you decide to provide your mobile number in the Exam App, download the BigFuture School mobile application, and authenticate your identity in BigFuture School, then you may access the following educational services, as described below.
- ◆ **Score Information.** You may access your score(s) and other score information in BigFuture School. This is separate from a score report your school and/or district may provide to you. Score release dates will be posted online at psat.org/scores.
 - ◆ **Educational and Career Information from College Board.** We will provide you with educational information and recommendations about college and career options in BigFuture School. This may include, for example, postsecondary options and opportunities, career pathways, scholarships, National Recognition Program potential eligibility, financial aid and paying for college information, and opportunities to participate in College Board research studies. We may customize this information based on certain demographic information from your school, district, or state, information you provide during testing, your score(s) on this test, and your activities on the BigFuture School mobile application.
- d. Connections.** Connections is a free, voluntary program that connects students with information about nonprofit colleges, universities, scholarship organizations, and other nonprofit educational organizations (“**Eligible Organizations**”), which may be a good match for their interests. If available in your state, district, and/or school, you may choose to opt in to Connections during testing in the Exam App or in the BigFuture School mobile application. When you opt in to Connections, we will match you with Eligible Organizations based on the information that you and your school, district, or state provide to us as part of this test, score ranges from this test, your interests and preferences as controlled by you in BigFuture School, and demographics and characteristics of students in which Eligible Organizations are interested. You may then receive information and messages from us about Eligible Institutions to which you’ve been matched, through the BigFuture School mobile application, email, and postal mail (if you choose to download BigFuture School, and/or provide your email and/or address as part of this test or later in BigFuture School mobile app, all of which is optional). **College Board will not share any of your personally identifiable information with any Eligible Organizations as part of Connections.** We may provide reports and analytics to Eligible Organizations regarding your use of Connections, but only in de-identified and aggregated form. More information about Connections is available at satsuite.org/bigfutureschool.
- ◆ **Opt-out:** You can opt out of Connections at any time by an opt-out feature within the BigFuture School mobile application and by contacting College Board’s customer service at 866-756-7346. You can also control specific communication preferences as you use Connections, including through email/mail/app notification controls within BigFuture School, an unsubscribe option within Connections emails, opt-out instructions included in each mailing, and by contacting College Board’s customer service at 866-756-7346.
- e. Educational Reporting.** We send your scores, data derived from your scores, and other information you provide during testing to your school and district. In addition, your scores may be sent to your state for educational, diagnostic, and/or reporting purposes. (Students who test away from the school they regularly attend will have their scores shared with the school they regularly attend and will not be shared with the school at which they tested. Homeschooled students’ scores will not be shared with the school that administers the test.)
- f. National Recognition Programs.** We use the information that you and your school, district, or state provide to us as part of this test and your score(s) on this test to determine and contact you about your potential eligibility for the College Board National Recognition Programs. We may share this information and your eligibility and recognition status with your school and district. The College Board National Recognition Programs create pathways to college for underrepresented students by awarding them academic honors and connecting them with universities across the country. For more information visit satsuite.collegeboard.org/psat-nmsqt/scholarships-recognition/programs.

- g. National Merit Scholarship Program.** We send your scores, data derived from your scores, certain demographic information from your school, district, or state, and other information you provide during testing to our cosponsor, National Merit Scholarship Corporation (“**Cosponsor**” or “**NMSC**”) for it to consider your eligibility for its National Merit Scholarship Program in accordance with the National Merit Scholarship Program section in this guide and www.nationalmerit.org. NMSC may in turn share your name, address, and birth date with your high school if you qualify for entrance to the National Merit Scholarship Program.

Section 6. Miscellaneous

- a. Retest.** If you encounter test day issues that invalidate your test, including without limitation Testing Irregularities (defined above), or otherwise keep you from completing your test, you may work with your school to schedule a retest. Your school may reschedule testing to later in the test window if feasible. Testing cannot be offered outside of the testing window. If a reschedule cannot occur within the window, other options may be shared with your school. Not all issues will be retest-eligible. If a retest is not available, students who are otherwise eligible and who are interested in entering the National Merit Scholarship Program should turn to the National Merit Scholarship Program section in this guide to learn how to request information about another route of entry to the 2025 competition.
- b. In some instances, scores may be issued for guidance purposes only.** This means that the test was not administered in accordance with testing policies described in the relevant digital guide(s) and Exam App. Therefore, the resulting scores cannot be considered for some scholarship competitions. When scores are provided for guidance purposes only, a message will appear below the National Merit Scholarship Corporation (NMSC®) Selection Index score on your score report directing you to follow up with your school to learn more about the reason for the “guidance purposes only” report. Students who are otherwise eligible and who are interested in entering the National Merit Scholarship Program should turn to the National Merit Scholarship Program section in this guide to learn how to request information about another route of entry to the 2025 competition. College Board will forward all reports of misconduct or testing irregularities to NMSC, which reserves the right to make its own independent judgment about a student’s participation in the National Merit Scholarship Program.
- c. Away Students.** If you are testing at a school that you do not regularly attend (an “**Away Student**”) and will be bringing a Testing Device that is managed by the school you regularly attend, you must contact the school you attend to ensure that the Exam App is downloaded to the device prior to testing. College Board will provide public deadlines and guidelines for Away Students to participate in the digital PSAT/NMSQT. Schools have the discretion to allow Away Students to test at their school.
- d. Testing Devices**
- ◆ Charging. Your Testing Device must be fully charged and be able to last for the duration of the test and set up (about 3 hours). If your Testing Device does not have at least 3 hours of battery life, you may wish to bring a charging cable or portable charger. Your school may not have outlets available for all test takers. Schools will prioritize access to electricity for test takers approved for extended time who are testing for longer than 3 continuous hours.
 - ◆ Schools may have policies regarding whether the use of Personal Testing Device is allowed on their campuses. If Personal Testing Devices are not allowed and students must test using School-Managed/Shared Testing Devices, then schools are not required to provide a school-issued Testing Device to Away Students.
 - ◆ College Board is not responsible for Testing Device failure.
- e. To ensure the integrity of the digital PSAT/NMSQT, for security reasons, or for other reasons in our sole discretion, College Board reserves the right to bar any individual or group of individuals from registering for and/or taking any College Board assessment.**
- f. If College Board becomes aware that you or someone else may be in imminent danger, we reserve the right to contact the appropriate individuals or agencies, including your parents, guardians, high school, or law enforcement agencies. We may also provide the relevant content, along with any personal information, to those contacted.**

- g. College Board or its designee may use methods to capture images, video, or audio at any or all test sites to help ensure test security. The resulting images or recordings, which may permit College Board to identify specific individuals, may be collected, stored, reviewed, and used for the purposes of (i) identifying, collecting evidence of, and/or investigating possible test security incidents; and (ii) enhancing digital PSAT/NMSQT test security. These images and/or recordings are maintained following the test administration for as long as reasonably necessary for the purposes specified. Thereafter, the images and recordings are securely destroyed. College Board will not use or disclose such information except as described earlier in this section, as requested by law enforcement, and/or as reasonably necessary to protect the rights and property of College Board or third parties.
- h. College Board takes steps to ensure that registration records are properly processed, that answers are properly processed, and tests are properly scored. In the unlikely event of a problem with processing registrations, materials, answers, score reports, scoring the test, or score reporting, College Board will correct the error, if possible, or may schedule a makeup test for impacted test takers. This is your sole remedy in relation to such issues. College Board will communicate what your options are if one of these scenarios applies to you. College Board has sole discretion in determining whether to score corrupted and irrecoverable answers that are eventually recovered.
- i. You must follow the local policies of your school. All personal property brought into the test site, such as purses, bags, backpacks, mobile phones, calculators and other electronic devices, may be subject to search at the discretion of College Board and testing staff. Searches may include the use of tools or other methods, that detect prohibited devices and/or their use. College Board and testing staff may confiscate and retain for a reasonable period of time any personal property suspected of having been used, or capable of being used, in violation of our test security and fairness policies, for further investigation.
- j. College Board and your school will not be responsible for personal property, including prohibited items, brought to the test site on test day that becomes lost, stolen, or damaged.
- k. You may not attempt to take the digital PSAT/NMSQT more than 1 time. You cannot take the test at different schools. You may only have 1 valid score for the test window.
- l. Your school has sole discretion on when the test will be administered during the testing window and has the right to modify the test date in its sole discretion.

Section 7. Policies and Requirements

- a. All College Board policies and requirements referenced in these Testing Rules as well as those located at satsuite.collegeboard.org/psat-nmsqt/taking-the-test, satsuite.collegeboard.org/psat-nmsqt/taking-the-test/what-to-bring-leave, and satsuite.collegeboard.org/psat-nmsqt/scores, are part of these Testing Rules.
- b. College Board may update its policies and requirements from time to time, including without limitation Testing Device requirements, and they are subject to change up to 1 week prior to your test date.

Section 8. Intellectual Property Rights

- a. All College Board tests, including digital PSAT/NMSQT, test-related documents and materials, and test preparation materials ("**Test Content**") are copyrighted works owned by College Board and protected by the laws of the United States and other countries.
- b. All software, webpages, algorithms, processes, and technologies, including the Exam App through which you access and take the exam, your answers are scored, and the test is secured and proctored, but excluding your device, your internet service provider (ISP) and the public internet, belong to College Board and its licensors.
- c. You shall not screenshot or attempt to make any image, copy, or download Test Content or the Exam App or the BigFuture School mobile application. You shall not attempt to decompile, reverse engineer, or disassemble the Exam App or BigFuture School mobile application.
- d. All answers and answer documents you submit on the digital PSAT/NMSQT are owned by College Board, and these may be used by College Board for any purpose, subject to the Privacy Policies located on the College Board website, and these Testing Rules.

Section 9.

ARBITRATION OF DISPUTES AND CLASS ACTIONS WAIVER

a. General Arbitration Rules (“General Arbitration Rules”)

- ◆ Any dispute regarding the enforceability of these arbitration provisions, or whether a dispute is subject to these arbitration provisions, shall be resolved by the arbitrator.
- ◆ All disputes between you and College Board and/or any or all of its contractors that relate in any way to registering for, participating in, or taking the digital PSAT/NMSQT, including but not limited to requesting or receiving test accommodations, score reporting, the use of your data, test security issues, or the Score Validity Process, but excluding all claims that a party violated the intellectual property rights of the other party, shall exclusively be resolved by a single arbitrator through binding, individual arbitration administered by the American Arbitration Association (“AAA”) under the AAA Consumer Arbitration Rules in effect at the time a request for arbitration is filed with the AAA. Copies of the AAA Consumer Arbitration Rules are located at [adr.org](https://www.adr.org).
- ◆ Disputes relating to the Score Validity Process (defined in the “Invalid Scores” section herein) are subject to both these General Arbitration Rules and the Supplemental Arbitration Rules defined below. If there is a conflict between the General Arbitration Rules and the Supplemental Arbitration Rules, the Supplemental Arbitration Rules will control.
- ◆ This arbitration will be conducted as a documents-only arbitration (i.e., there will be no in-person or telephone hearing) unless otherwise agreed by the parties or required by the arbitrator. Should the parties agree to or the arbitrator require proceedings, such proceedings should be conducted at a location which is reasonably convenient to both parties with due consideration of their ability to travel and other pertinent circumstances. If the parties are unable to agree on a location, the parties agree that the proceedings will be conducted via a video or telephonic call or, in the event that face-to-face proceedings are agreed to by the parties or required by the arbitrator, at a location that is reasonably convenient to both parties in accordance with the AAA Consumer Arbitration Rules.
- ◆ The parties agree that the Federal Arbitration Act (“FAA”) 9 U.S.C. § 1 *et seq.* governs this provision, and it is the intent of the parties that the FAA shall preempt all State laws to the fullest extent permitted by law.
- ◆ No arbitration may be maintained as a class or collective action, and the arbitrator shall not have the authority to combine or aggregate the disputes of more than 1 individual, conduct any class or collective proceeding, make any class or collective award, or make an award to any person or entity not a party to the arbitration, without the express written consent of College Board.
- ◆ By agreeing to arbitration in accordance with this section, you are waiving your right to have your dispute heard by a judge or jury except as set forth below.
- ◆ To commence arbitration, you must pay the AAA filing fee (unless AAA agrees to waive the fee for you) and follow the AAA Consumer Arbitration Rules. The filing fee will be reimbursed by College Board if you prevail in arbitration. Each party will be responsible for its own attorney’s fees and expenses. College Board generally pays the arbitrator’s compensation, but the arbitrator may require you to pay those fees if the arbitrator determines that your claim was filed for purposes of harassment or is patently frivolous, as per the AAA Consumer Arbitration Rules.

b. Supplemental Arbitration Rules for the Score Validity Process (“Supplemental Arbitration Rules”)

- ◆ If you receive a notice from us or your school that your scores are subject to the Score Validity Process, you may be provided with the option to choose arbitration. In addition to the General Arbitration Rules, the below rules will apply.
- ◆ The sole issue for the arbitrator to decide is whether College Board acted in good faith and followed the Score Validity Process.
- ◆ This arbitration will be based only on (i) the documents you submitted to College Board pursuant to the Score Validity Process and (ii) College Board documents unless otherwise agreed by the parties or required by the arbitrator.
- ◆ If the arbitrator finds that College Board did not act in good faith in deciding to cancel your scores, your scores will not be canceled (or they will be reinstated, if applicable).
- ◆ All other disputes with College Board will be resolved solely by the General Arbitration Rules in Section 9(a) above.

- c.** Notwithstanding the foregoing arbitration provisions in Sections 9(a) and 9(b) above, either party may take a claim to small claims court instead of arbitration if the party’s claim is within the jurisdiction of the small claims court, as permitted in the AAA Consumer Arbitration Rules. If either party institutes an action in small claims court, you and College Board agree to accept the findings of the small claims court as a final resolution of the parties’ dispute and not to appeal the small claims court’s decision or pursue any other claim (including a claim asserted in arbitration) relating to that dispute.

Section 10.

Venue and Waiver of Jury Trial

All disputes arising from or related to these Terms and Conditions that are not subject to arbitration under Section 9 shall be resolved exclusively in the state and federal courts located in New York County, New York State, and each party to these Terms and Conditions irrevocably consents to the jurisdiction of such courts. Each party expressly waives any right to a jury trial in any lawsuit arising from or related to these Terms and Conditions.

Section 11.

LIMITATIONS OF LIABILITY

EXCEPT TO THE EXTENT FINALLY DETERMINED TO BE PROHIBITED BY LAW, THE TOTAL LIABILITY OF COLLEGE BOARD TO YOU OR ANYONE CLAIMING BY OR THROUGH YOU OR ON YOUR BEHALF, FOR ANY CLAIMS, LOSSES, COSTS, OR DAMAGES ARISING OUT OF OR RESULTING FROM OR IN ANY WAY RELATED TO COLLEGE BOARD, OR ANY TEST ADMINISTRATION BY COLLEGE BOARD, FROM ANY CAUSE, SHALL NOT EXCEED THE TEST REGISTRATION FEES YOU PAID TO COLLEGE BOARD (IF APPLICABLE) OR \$100.00, WHICHEVER IS GREATER. IN ADDITION, COLLEGE BOARD WILL NOT BE LIABLE IN ANY EVENT FOR ANY CONSEQUENTIAL, INDIRECT, PUNITIVE, EXEMPLARY, OR SPECIAL DAMAGES.

Section 12.

Disclaimer of Warranties

COLLEGE BOARD MAKES NO WARRANTIES REGARDING THE DIGITAL PSAT/NMSQT, PSAT/NMSQT CONTENT, OR THE APPLICATION INCLUDING WITHOUT LIMITATION A WARRANTY THAT THE TESTING EXPERIENCE WILL BE UNINTERRUPTED OR ERROR FREE. YOU ACCEPT PSAT/NMSQT, PSAT/NMSQT CONTENT, AND TESTING APPLICATION AS IS.

Section 13.

Severability

If any provision or part of this Agreement is held to be invalid, illegal, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way, and, to the extent possible, the invalid, illegal, or unenforceable provision shall be modified so that it is valid, legal, and enforceable and, to the fullest extent, reflects the intention of the parties.

Section 14.

Restricted Registrations

College Board, along with our service providers overseas, is subject to U.S. economic sanctions, laws, and regulations and is prohibited from providing testing services to, or accepting registrations from, persons residing in certain areas or designated by the U.S. government as Specially Designated Nationals and Blocked Persons (collectively, “**Sanctioned Persons**”), unless specifically licensed or otherwise authorized by the U.S. government. If a Sanctioned Person attempts to register despite U.S. sanctions that prohibit College Board from doing business with such Sanctioned Person, College Board or a U.S. financial institution may block the registration or payments submitted by or for such Sanctioned Persons. If payment is not blocked, College Board is required to cancel the registration and may not be able to refund the payment. Please contact digital PSAT/NMSQT Customer Service at 866-433-7728 (+1-212-713-8105 internationally) or the website of the U.S. Treasury Department’s Office of Foreign Assets Control (OFAC) to obtain the current list of sanctioned programs and Sanctioned Persons.

Section 15.

Accessibility of These Testing Rules

If you have difficulty accessing these Terms and Conditions, including our policies and requirements, please contact College Board Customer Service at 866-433-7728 (+1-212-713-8105 internationally) or satsuite.collegeboard.org/contact-us in advance of registering or taking the digital PSAT/NMSQT. We will be happy to provide these Terms and Conditions in an alternative format or assist you in some other manner as reasonably necessary to enable you to access these Terms and Conditions.

National Merit[®] Scholarship Program

conducted by National Merit Scholarship Corporation (NMSC[®])

Overview

The **National Merit Scholarship Program** is an annual academic competition among high school students for recognition and college scholarships that began in 1955. The program is conducted by National Merit Scholarship Corporation (NMSC[®]), a not-for-profit organization that operates without government assistance. United States high school students enter the National Merit[®] Scholarship Program by taking the Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT[®]), which serves as an initial screen of over 1.3 million entrants each year, and by meeting published program entry and participation requirements.

To enter the National Merit Scholarship Program and compete for recognition and 7,880 scholarships to be offered in 2025:

- Take the PSAT/NMSQT in October 2023.
- Meet other program entry requirements.

The 2023 PSAT/NMSQT is the qualifying test for entry to the 2025 program. Program entrants must take the test in the specified year of the high school program (see When to Take the Test on page 33). Most entrants will complete high school and enroll in college in 2025.

Steps in the 2025 National Merit Scholarship Competition

1,300,000 ENTRANTS

In October 2023, U.S. high school students who take the Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT®) and meet other program requirements will enter the 2025 competition for National Merit Scholarship Program recognition and scholarships. Nearly all program participants (entrants) will be juniors planning to enter college in 2025. NMSC® uses PSAT/NMSQT Selection Index scores (calculated from the Reading and Writing, and Math section scores) to determine 50,000 high-scoring participants who qualify for program recognition.

50,000 HIGH SCORERS

In April 2024, NMSC will send a list of high-scoring participants to high school principals and ask them to identify any errors or changes in the reported eligibility of students whose scores will qualify them for recognition in the fall of 2024.

PARTICIPANTS WHO QUALIFY FOR NATIONAL MERIT PROGRAM RECOGNITION

34,000 COMMENDED STUDENTS

In late September 2024, more than two-thirds of the 50,000 high scorers will be notified that they have qualified as Commended Students. NMSC will notify them through their schools and provide *Letters of Commendation* in recognition of their outstanding academic promise. Although Commended Students will not continue in the competition for National Merit Scholarships, some may be candidates for Special Scholarships provided by corporate and business sponsors (see below).

16,000 SEMIFINALISTS

In early September 2024, about one-third of the 50,000 high scorers will be notified that they have qualified as Semifinalists—the highest-scoring entrants in each state. NMSC will notify them through their schools and provide scholarship application materials explaining requirements to advance in the competition for National Merit Scholarships to be offered in 2025.

15,000 FINALISTS

In February 2025, Semifinalists who meet academic and other requirements will be notified that they have advanced to Finalist standing and will receive *Certificates of Merit* attesting to their recognition in the program. All National Merit Scholarship winners (Merit Scholar® awardees) will be chosen from this group of Finalists based on their abilities, skills, and accomplishments.

SCHOLARSHIP WINNERS

740 SPECIAL SCHOLARSHIP RECIPIENTS

Beginning in March 2025, NMSC will notify winners of Special Scholarships provided by corporate sponsors. Scholarship recipients will be chosen from candidates who will be sent scholarship application materials through their high schools in November 2024. Although not Finalists, scholarship recipients will be outstanding students who meet their sponsors' eligibility criteria. Sponsors will handle public announcement of their Special Scholarship winners.

7,140 MERIT SCHOLARSHIP WINNERS

Beginning in March 2025, NMSC will notify winners of the three types of National Merit Scholarships:

- National Merit® \$2500 Scholarships
- Corporate-sponsored scholarships
- College-sponsored scholarships

In April, May, June, and July, NMSC will release names of Merit Scholar designees to news media for public announcement.

2025 Competition Begins in 2023

The 2023 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT®) is the qualifying test for entry to the 2025 National Merit® Program. (The PSAT™10 and PSAT™8/9 will NOT be considered for entry to the National Merit Scholarship Program.) The competition will span about 18 months from entry in the fall of 2023 until the spring of 2025 when scholarships for college undergraduate study will be awarded. It is expected that about 3.5 million students will take the PSAT/NMSQT in 2023, and approximately 1.3 million of them will meet requirements to enter this program.

Entry Requirements

To enter the 2025 National Merit Program, a student needs to meet **all** of the following requirements. A student must:

1. be enrolled as a high school student (traditional or homeschooled), progressing normally toward graduation or completion of high school by 2025, and planning to accept admission to college no later than the fall of 2025;
2. attend high school in the United States, District of Columbia, or U.S. commonwealths and territories; or meet the citizenship requirements for students attending high school outside the United States (see the box at the bottom of the page); and
3. take the 2023 PSAT/NMSQT in the specified year of the high school program and no later than the third year in grades 9 through 12, regardless of grade classification or educational pattern (explained in When to Take the Test on page 33).

During the digital readiness check, students will be asked the following three questions to determine entry to the National Merit Scholarship Program:

1. Are you enrolled as a high school student (traditional or homeschooled)?
A. Yes B. No
2. When will you complete or leave high school and enroll full-time in college?
A. 2024 C. 2026 E. Not planning to
B. 2025 D. After 2026 attend college
3. How many total years will you spend in grades 9–12?
A. 1 year C. 3 years E. 5 or more years
B. 2 years D. 4 years

Students testing outside the United States will also be asked the following question:

4. Are you a citizen of the United States?
A. Yes B. No
C. No, but I am a U.S. lawful permanent resident (or have applied for permanent residence, the application for which has not been denied) and I intend to become a U.S. citizen at the earliest opportunity allowed by law.

Students Attending High School Outside the United States

To be eligible for the 2025 National Merit Scholarship Program, a student attending high school outside the United States must be a citizen of the United States; or be a U.S. lawful permanent resident (or have applied for permanent residence, the application for which has not been denied) and intend to become a U.S. citizen at the earliest opportunity allowed by law.

When to Take the Test

To participate in the National Merit Program, students must take the PSAT/NMSQT in the specified year of their high school program. Because a student can participate (and be considered for a scholarship) in only one specific competition year, the year in which the student takes the PSAT/NMSQT to enter the competition is very important.

1. **Students who plan to spend the usual four years in high school (grades 9 through 12) before entering college full time** must take the qualifying test in their third year of high school (grade 11, junior year).

Sophomores who take the 2023 PSAT/NMSQT but plan to spend four years in grades 9 through 12 will **not** meet entry requirements for the 2025 National Merit Program. They must take the PSAT/NMSQT again in 2024 (when they are juniors) to enter the competition that will end when scholarships are awarded in 2026, the year they will complete high school and enter college.

2. **Students who plan to leave high school early to enroll in college full time after spending three years or less in grades 9 through 12** usually can participate in the National Merit Program if they take the PSAT/NMSQT before they finish high school. To enter the competition for awards offered in 2025, these students must be in either the next-to-last or the last year of high school when they take the 2023 PSAT/NMSQT:
 - a. if students are in the **next-to-last year** of high school when they take the 2023 PSAT/NMSQT, awards will be offered as they are finishing their last year of high school; or
 - b. if students are in their **last year** of high school when they take the 2023 PSAT/NMSQT, awards will be offered the year after they have completed high school.
3. **Students who are dual enrolled in both high school and college** must take the qualifying test in their third year of high school (grade 11, junior year). To enter the competition that ends when scholarships are offered in 2025, these students must be in their third year of high school when they take the 2023 PSAT/NMSQT, the same as all other students who plan to spend four years in grades 9 through 12. The high school determines whether a student is dual enrolled and confirms the student's status as a high school student.
4. **Students who plan to take five years to complete grades 9 through 12** can participate in the National Merit Program if they take the PSAT/NMSQT in the third year of high school and again in the fourth year. These students' Selection Index scores will not be eligible for the program until a written request for entry to the competition is approved by NMSC. The request should include the student's name, high school name and location, year the student began high school, year the student will complete high school, and a brief explanation of the student's educational pattern.

NMSC will use the student's Selection Index score from the PSAT/NMSQT taken in the student's third year of grades 9 through 12 to determine the expected level of recognition. In order to be recognized in the fifth (final) year of high school, the student must take the PSAT/NMSQT again in the fourth year and earn a qualifying Selection Index score at or above the level achieved on the third year test. The level of recognition a student receives cannot exceed the level earned on the qualifying test taken during the student's third year in grades 9 through 12, the year in which all other competitors are considered.

NOTE: If your high school standing and enrollment do not fit one of the preceding descriptions or if you have any questions about when to take the PSAT/NMSQT for National Merit Program entry, contact NMSC immediately.

Unable to Take the PSAT/NMSQT?

If you do not take the 2023 PSAT/NMSQT because of illness, an emergency, or other extenuating circumstance, you may still be able to enter the 2025 National Merit Scholarship Program.

If the PSAT/NMSQT testing window has not yet closed, see Special Considerations on page 5. You may be able to take the PSAT/NMSQT on another day or at another high school.

If the PSAT/NMSQT testing window has closed, write to NMSC as soon as possible but no later than April 1, 2024, to request another route of entry to the 2025 National Merit Scholarship Program.

The alternate entry request should include your name and home address, the contact information of the person making the request, the name and address of your high school, and a brief explanation of why you were unable to take the PSAT/NMSQT. **Do not delay**; the earlier you write, the more options you will have for scheduling test dates.

Mail your request to:

National Merit Scholarship Corporation
Attn: Scholarship Administration
1560 Sherman Avenue, Suite 200
Evanston, IL 60201-4897

Your letter must be postmarked on or before April 1, 2024, for your request to be considered.

If you felt your test performance was negatively affected for any reason and you do not want your 2023 PSAT/NMSQT Selection Index score used for participation in the 2025 National Merit Program, you must contact NMSC **immediately**, but no later than 10 days following the test administration to submit a formal request. Requests received after 10 days will not be considered.

Eligibility Verification

The NMSC section of the PSAT/NMSQT Score Report shows the student's responses to the entry requirement questions and whether the student's Selection Index score will be considered for the National Merit Scholarship Program. Students are encouraged to review this section of their Score Report carefully and contact NMSC immediately if any responses to their entry requirement questions are incorrect or have changed.

Program Recognition

PSAT/NMSQT Selection Index

The PSAT/NMSQT Selection Index score is calculated using a student's section scores and the following formula:

$$\frac{2RW + M}{10} = \text{Selection Index score}$$

NMSC uses PSAT/NMSQT Selection Index scores as an initial screen of some 1.3 million program entrants. The 2023 Selection Index scores of all students who meet entry requirements for the 2025 program will be considered. In the spring of 2024, NMSC will ask high school principals to identify any errors or changes in the reported eligibility of their high scorers (students whose Selection Index scores will qualify them for recognition in the fall of 2024).

Commended Students

In September 2024, more than two-thirds (about 34,000) of the high scorers will be designated Commended Students. They will be named on the basis of a nationally applied Selection Index qualifying score that may vary from year to year.

In recognition of their outstanding ability and potential for academic success in college, NMSC will honor these students by sending *Letters of Commendation* to them through their high schools. Although Commended Students will not continue in the competition for National Merit Scholarships, some may be candidates for Special Scholarships offered by corporate sponsors (see page 38). NMSC will notify those candidates in November 2024.

Semifinalists

More than 16,000 of the high scorers, representing less than 1% of the nation's high school graduating seniors, will qualify as Semifinalists. Only Semifinalists will have an opportunity to advance in the competition for Merit Scholarship® awards. NMSC will notify Semifinalists of their standing and send scholarship application materials to them through their high schools in September 2024. Their names will be sent to regionally accredited four-year U.S. colleges and universities and released to local news media for public announcement in mid-September.

NMSC designates Semifinalists in the program on a state-representational basis to ensure that academically accomplished young people from all parts of the United States are included in this talent pool. Using the latest data available, an allocation of Semifinalists is determined for each state, based on the state's percentage of the national total of high school graduating seniors. For example, the number of Semifinalists in a state that enrolls approximately 2% of the nation's graduating seniors would be about 320 (2% of the 16,000 Semifinalists).

NMSC then arranges the Selection Index scores of all National Merit Program participants within a state in descending order. The score at which a state's allocation is most closely filled becomes the Semifinalist qualifying score. Entrants with a Selection Index score at or above the qualifying score are named Semifinalists. As a result of this process, Semifinalist qualifying scores vary from state to state and from year to year, but the scores of all Semifinalists are extremely high.

In addition to Semifinalists designated in each of the 50 states and without affecting the allocation to any state, Semifinalists are named in several other selection units that NMSC establishes for the competition. These units are for students attending schools in the District of Columbia, schools in U.S. commonwealths and territories, schools in other countries that enroll U.S. citizens, and U.S. boarding schools that enroll a sizable proportion of their students from outside the state in which the school is located. A participant can be considered for Semifinalist standing in only one state or selection unit, based on the high school in which the student is regularly enrolled when taking the PSAT/NMSQT.

Finalists

A Semifinalist must fulfill several additional requirements and advance to the Finalist level of the competition before being considered for a National Merit Scholarship. About 95% (over 15,000) of the Semifinalists are expected to become Finalists and receive a *Certificate of Merit* attesting to their distinguished performance in the competition.

To qualify as a Finalist, a Semifinalist must:

1. continue to meet all program entry requirements (explained on page 32);
2. be enrolled in the last year of high school and planning to enroll full-time in college the following fall, or be enrolled in the first year of college if grades 9 through 12 were completed in three years or less;
3. be fully endorsed for Finalist standing and recommended for a National Merit Scholarship by the high school principal;
4. have a record of consistently very high academic performance in all of grades 9 through 12 and in any college course work taken (the high school must provide a complete record of courses taken and grades earned by the student, as well as information about the school's curriculum and grading system);
5. complete the National Merit Scholarship Application with all information requested, which includes writing an essay;
6. take the SAT® or ACT and earn scores that confirm the PSAT/NMSQT performance that resulted in Semifinalist standing; and
7. provide any other documentation and information that NMSC requests.

Choosing Scholarship Winners

Only Finalists will be considered for the National Merit Scholarships. Approximately half of the Finalists will be Merit Scholarship winners (Merit Scholar awardees). Winners are chosen on the basis of their abilities, skills, and accomplishments—without regard to gender, race, ethnic origin, or religious preference. Scholarship recipients are the candidates judged to have the greatest potential for success in rigorous college studies and beyond.

To receive a scholarship payment, a Merit Scholarship winner must notify NMSC of plans to (a) enroll in a college or university in the United States that holds accredited status with a regional accrediting commission on higher education, and (b) enroll full time in an undergraduate course of study leading to a traditional baccalaureate degree. NMSC scholarship stipends are not payable for attendance at service academies or certain institutions that are limited in their purposes or training.

The selection process involves evaluating substantial amounts of information about Finalists obtained from both students and their high schools. Included are the Finalist's academic record (course load and difficulty level, depth and breadth of subjects studied, and grades earned); PSAT/NMSQT scores; the student's essay; demonstrated leadership and contributions to school and community activities; and the school official's written recommendation and characterization of the Finalist.

The same process is used to select Special Scholarship winners for a corporate sponsor's awards.

Types of Scholarships

Some 7,140 National Merit Scholarships of three types and approximately 740 Special Scholarships will be awarded in 2025; these 7,880 awards will have a combined value of over \$35 million. Different types of scholarships will be offered, but no student can receive more than one monetary award from NMSC.

National Merit \$2500 Scholarships

These awards are unique because every Finalist is considered for one and winners are named in every state and other selection unit. The number awarded in each state is determined by the same representational procedure used to designate Semifinalists. Finalists compete with all other Finalists in their state or selection unit for one of the 2,500 National Merit \$2500 Scholarships. Winners are selected by a committee of college admission officers and high school counselors.

National Merit® \$2500 Scholarships provide a single payment of \$2,500. NMSC's own funds support the majority of these scholarships, but corporate sponsors help underwrite these awards with grants they provide to NMSC in lieu of paying administrative fees.

SCHOLARSHIPS OFFERED

	Who is considered?	What is the monetary value?	Who selects winners?	When does NMSC begin sending scholarship offers?
National Merit® \$2500 Scholarships	All Finalists compete with all other Finalists in their state or other selection unit.	Awards provide a one-time payment of \$2,500.	A committee of college admission officers and high school counselors	Late March
Corporate-sponsored Merit Scholarships	Finalists who meet criteria specified by a corporate sponsor, usually: ▪ children of employees; ▪ residents of specific communities; or ▪ Finalists with certain college major or career plans	Varies by sponsor—awards can be a one-time payment ranging from \$2,500 to \$5,000 or renewable awards that range from \$1,000 to \$10,000 per year.	NMSC's professional staff	Early March
Corporate-sponsored Special Scholarships	High-performing program participants (although not Finalists) who meet a sponsor's criteria; most are for: ▪ children of employees; ▪ residents of specific communities; or ▪ participants with certain college major or career plans	Varies by sponsor—awards can be a one-time payment ranging from \$2,500 to \$5,000 or renewable awards that range from \$1,000 to \$10,000 per year.	NMSC's professional staff	Early March
College-sponsored Merit Scholarships	Finalists who plan to attend a sponsor college and have informed NMSC that the sponsor college is their first choice	Varies by sponsor—awards are renewable for four years of study at the sponsor institution. Stipends range from \$500 to \$2,000 per year.	Officials of each sponsor college	Early May

Corporate-sponsored scholarships

In 2023, about 160 corporations, company foundations, and businesses sponsored scholarships through the National Merit Program as part of their educational philanthropy. These sponsors committed over \$13 million to support approximately 840 corporate-sponsored Merit Scholarship awards and 740 Special Scholarships for children of employees, or for other accomplished students who meet the sponsor's criteria.

The number of **National Merit** Scholarships a company or business offers annually may range from one to more than 100. Finalists who meet a sponsor's criteria are identified from information Semifinalists supply on their scholarship applications. Winners are selected from this pool based on their abilities, skills, and accomplishments. The scholarship name usually identifies the grantor—for example, National Merit XYZ Company Scholarship.

Over two-thirds of the program's corporate sponsors also provide Special Scholarships. Organizations that sponsor Special Scholarships make Entry Forms available to children of employees or members, or to students with qualifications of interest to the sponsor. Entry Forms are completed by students (and their parents, if applicable). If the number of Finalists eligible for a sponsor's awards is smaller than the number of awards the corporate organization wishes to offer, NMSC establishes a pool of candidates to compete for the remaining awards (Special Scholarships). These candidates are the highest scoring students who filed Entry Forms with the sponsoring organization but were not named Finalists. NMSC sends Special Scholarship application materials to these candidates through their high schools.

Each corporate sponsor specifies the monetary limits of scholarships it finances and decides whether the awards provide one-time payments or fixed stipends that can be renewed for up to four years of college undergraduate study. (See chart on page 37.)

College-sponsored Merit Scholarships

In the 2025 competition, it is expected that about 3,800 National Merit Scholarships will be offered to Finalists who plan to attend a sponsor college or university. (See the list of about 160 colleges that currently are Merit Scholarship sponsors, beginning on page 48.) A college-sponsored scholarship is renewable for up to four years of undergraduate study at the sponsor institution. It cannot be transferred; therefore, it is canceled if a winner does not attend the college financing the award.

Officials of each sponsor institution choose award recipients from among Finalists who have been accepted for admission and have informed NMSC that the sponsor college or university is their first choice. Each college sponsor chooses the annual stipend their institution offers to award recipients, within a range of \$500 to \$2,000 per year. All college-sponsored scholarship recipients at the institution will receive the same stipend amount as determined by the college.

Scholarship Sponsors

Approximately 320 independent organizations and institutions sponsor more than two-thirds of the National Merit Scholarships offered each year. All Special Scholarships are sponsored by business organizations that also support Merit Scholarship awards.

Corporations and Business Organizations

Following is a list of corporate organizations that currently sponsor scholarships in the National Merit Program with any eligibility criteria that apply to candidates for their awards. **An asterisk (*) indicates the sponsor offers Special Scholarships in addition to National Merit Scholarships and requires students or their families to file Entry Forms.**

The number of awards shown is an estimate of the yearly total, and neither the sponsor nor NMSC is obligated to offer these scholarships in 2024, 2025, or beyond.

A

- * **Acushnet Company**—3 awards for children of employees of the company and its subsidiaries.
- * **ADP Foundation**—40 awards for children of employees of ADP.
- * **Aerojet Rocketdyne Foundation**—10 awards for the children of employees of Aerojet Rocketdyne Holdings, Inc. and its subsidiaries.
- * **Akzo Nobel Inc.**—4 awards for children of employees of the corporation and its subsidiaries.
- * **Albany International**—2 awards for children of employees of the corporation and its subsidiaries.
- * **Ameren Corporation Charitable Trust**—6 awards for children of employees of Ameren Corporation.
- American Air Liquide Holdings, Inc.**—5 awards for Finalists who are children of employees of the corporation and its subsidiaries.
- * **American City Business Journals, Inc.**—2 awards for children of employees of the corporation.
- American Electric Power**—5 awards for Finalists who are children of employees of the corporation and its subsidiaries.
- * **AmerisourceBergen Corporation**—8 awards for children of employees of the corporation and its subsidiaries.
- * **The AMETEK Foundation**—8 awards for children of employees of AMETEK, Inc., and its subsidiaries.
- * **Aon Foundation**—15 awards for children of employees of Aon and its subsidiaries.
- * **Apache Corporation**—2 awards for children of employees of the corporation and its subsidiaries.
- * **Arkema Inc. Foundation**—4 awards for children of employees of Arkema Inc. and its subsidiaries.
- Ascension**—20 awards for Finalists who are children of employees of the organization and its eligible subsidiaries.
- Aspen Technology, Inc.**—3 awards for Finalists who are children of employees of the corporation and its eligible subsidiaries.

This corporate sponsor * offers Special Scholarships in addition to Merit Scholarship awards, and Entry Forms must be filed with the sponsor.

- * **Astellas US LLC**—2 awards for children of employees of the corporation and its eligible affiliates.
- * **AstraZeneca Pharmaceuticals LP**—36 awards for children of employees of AstraZeneca Pharmaceuticals and its eligible affiliated companies.

B

BASF Corporation—Up to 20 awards for Finalists who are children of employees of the corporation and its subsidiaries.

Battelle—Every Finalist who is the child of an employee of the company will be offered an award.

Bentley Systems, Incorporated—Every Finalist who is the child of an employee of the corporation will be offered an award.

Mary E. Beyerle Trust—7 awards for Finalists from Maryland, New Jersey, and Pennsylvania.

BNSF Railway Foundation—Up to 10 awards for Finalists who are children of employees of BNSF Corporation and its subsidiaries.

The Boeing Company—Every Finalist who is the child of an employee of the company or a subsidiary will be offered an award.

- * **Brady Corporation**—5 awards for children of employees of the corporation and its eligible subsidiaries.
- * **Bridgestone Americas Trust Fund**—Up to 50 awards for children of employees and retirees of Bridgestone Americas, Inc., and its participating subsidiaries.
- * **Bristol Myers Squibb Foundation**—50 awards for children of employees of the Bristol Myers Squibb's U.S. divisions and subsidiaries.
- * **Broadridge Financial Solutions, Inc.**—6 awards for children of employees of the corporation and its qualifying subsidiaries.
- * **Brown & Brown, Inc.**—10 awards for children of employees of the corporation and its eligible subsidiaries.
- * **Bunge**—4 awards for children of employees of the corporation and its subsidiaries; the awards are distributed among employment groups.
- * **Bunzl USA, LLC**—5 awards for children of employees of the corporation and its subsidiaries.

C

CACI International Inc—5 awards for Finalists who are planning to major in certain technological and mathematical fields.

- * **Carlisle Companies Incorporated**—2 awards for children of employees of the corporation and its subsidiaries; the awards are distributed among employment groups.
- * **Carpenter Technology Corporation**—4 awards for children of employees of the corporation and its subsidiaries.
- * **CDK Global, LLC**—6 awards for children of employees of the corporation.

Chevron U.S.A. Inc.—5 awards for Finalists who are children of employees of the corporation and its affiliated companies.

This corporate sponsor * offers Special Scholarships in addition to Merit Scholarship awards, and Entry Forms must be filed with the sponsor.

- * **Coalfire Systems, Inc.**—2 awards for children of employees of the corporation and its subsidiaries.
- * **Colgate-Palmolive Company**—20 awards for children of employees of the company and its subsidiaries.
- * **Commvault Systems, Inc.**—2 awards for children of employees of the corporation.
- * **Computer Aid, Inc.**—2 awards for children of employees of CAI and its eligible subsidiaries.
- * **Corning Incorporated**—5 awards for children of employees of the corporation and its subsidiaries.
- * **Crum & Forster**—10 awards for children of employees of the company.
- CSX Corporation**—5 awards for Finalists who are children of employees of the corporation and its eligible subsidiaries.

D

- * **Dollar Tree, Inc.**—Up to 20 awards for children of employees of the corporation and its eligible divisions. The awards are distributed among employment groups.
- Gaylord and Dorothy Donnelley Foundation**—1 award for a Finalist from a designated county in South Carolina.

E

- * **Eaton Charitable Fund**—15 awards for children of employees of Eaton Corporation.
- ECMS**—3 awards for Finalists who are children of employees of the corporation.
- Ellucian Company L.P.**—2 awards for Finalists who are children of employees of the company.
- Emerson Charitable Trust**—10 awards for Finalists who are children of employees of Emerson Electric Co. and its subsidiaries.
- * **The Estée Lauder Companies Inc.**—3 awards for children of employees of the corporation and its U.S. affiliates and subsidiaries.
- * **Eversource Energy Foundation, Inc.**—10 awards for children of employees of the company or its subsidiaries.

F

- * **FedEx Custom Critical, Inc.**—4 awards—2 awards for children of employees; 2 awards for children and grandchildren of contractors.
- * **FedEx Freight Corporation**—20 awards for children of employees of the corporation.
- * **FedEx Ground Package System, Inc.**—12 awards—6 awards for the children of package handlers; 6 awards for the children of non-package handlers.
- * **Fifth Third Foundation**—25 awards for children of employees of Fifth Third Bank.
- Fluor Foundation**—4 awards for Finalists who are children of employees of Fluor and its eligible subsidiaries.
- * **FMC Corporation**—4 awards for children of employees of the corporation and its subsidiaries.

This corporate sponsor * offers Special Scholarships in addition to Merit Scholarship awards, and Entry Forms must be filed with the sponsor.

Formosa Plastics Corporation, U.S.A.—Every Finalist who is the child of an employee of the corporation or an affiliated organization will be offered an award.

- * **Fox News Channel, LLC**—2 awards for children of employees of the corporation and its eligible subsidiaries.

FTS International, LLC—1 award for a Finalist from either Washington, DC, or Denver, Colorado, metropolitan areas planning to pursue certain college majors.

G

- * **GAF**—2 awards for children of employees of the corporation and its subsidiaries; the awards are distributed among divisions.

- * **Gates Industrial Corporation Foundation**—Up to 10 awards for children of employees of Gates Industrial Corporation and its subsidiaries; the awards are distributed among the employment base.

GEICO Philanthropic Foundation—3 awards for Finalists who are children of associates of GEICO Corporation and its subsidiaries.

General Dynamics Corporation—Every Finalist who is the child of an employee of the corporation or a subsidiary will be offered an award.

- * **General Dynamics Ordnance and Tactical Systems**—2 awards for children of employees of the corporation and its subsidiaries.

- * **Gleason Family Foundation**—Up to 8 awards for children of employees of Gleason Corporation and its U.S. subsidiaries and divisions.

- * **Global Tungsten & Powders Corp.**—2 awards for children of employees of Global Tungsten & Powders Corp. and GTP Group Services.

- * **W.W. Grainger, Inc.**—12 awards—10 awards for children of employees of the corporation and its U.S. subsidiaries; 2 awards for Finalists in the National Merit Scholarship Program.

- * **Greyhound Lines, Inc.**—Up to 6 awards for children of employees of the corporation and its subsidiaries.

H

- * **Hormel Foods Corporation Charitable Trust**—18 awards for children of employees of Hormel Foods Corporation and its subsidiaries.

- * **The Hubbell Foundation**—4 awards for children of employees of Hubbell Incorporated and its subsidiaries.

- * **Hunter Industries Incorporated**—2 awards for children of employees of the corporation and its subsidiaries.

I

- * **Illinois Tool Works Inc.**—Up to 30 awards for children of employees of ITW and its subsidiaries.

- * **Ingalls Shipbuilding Division of Huntington Ingalls Industries**—4 awards for children of employees of Ingalls Shipbuilding.

- * **Insperity Services, L.P.**—4 awards—2 awards for children of corporate employees; 2 awards for children of worksite employees.

This corporate sponsor * offers Special Scholarships in addition to Merit Scholarship awards, and Entry Forms must be filed with the sponsor.

J

- * **J. Walter Thompson Company Fund, Inc.**—4 awards for children of employees of Wunderman Thompson and its subsidiaries.
- * **John Bean Technologies Corporation**—2 awards for children of employees of JBT Corporation and its subsidiaries.
- * **Johnson & Johnson Services Inc.**—20 awards for children of employees of the corporation and its business units.

K

- * **Kaman Corporation**—3 awards for children of employees of the corporation and its subsidiaries.

L

- L3Harris Technologies**—2 awards for Finalists who are children of employees of the company and its subsidiaries.
- * **LANXESS Corporation**—5 awards for children of employees of LANXESS Corporation, LANXESS Solutions, Great Lakes Chemical Corporation, and each corporation's respective subsidiaries.
- Leidos, Inc.**—10 awards for Finalists who are children of employees of the corporation or its subsidiaries.
- * **Liberty Mutual Scholarship Foundation**—50 awards for children of employees of Liberty Mutual Insurance Company and its subsidiaries.
- * **Loews Corporation**—4 awards for children of employees of the corporation and its divisions and wholly owned subsidiaries.
- * **LPL Financial LLC**—6 awards for children of associates of the corporation and its eligible subsidiaries.
- The Lubrizol Foundation**—Every Finalist who is the child of an employee of The Lubrizol Corporation, Lubrizol Specialty Products, Inc., and their eligible subsidiaries will be offered an award.

M

- * **Mannington Mills, Inc.**—2 awards for children of employees of the corporation and its eligible subsidiaries.
- * **Marsh McLennan**—25 awards for children of employees of the corporation and its subsidiaries.
- * **McGraw Hill LLC**—4 awards for children of employees of the corporation and its affiliates.
- Mead Witter Foundation, Inc.**—3 awards for Finalists from specified geographic areas of Wisconsin.
- The MITRE Corporation**—4 awards for Finalists who are children of employees of the corporation.
- Motorola Solutions Foundation**—10 awards for Finalists who are children of employees of Motorola Solutions, Inc., or its subsidiaries.

N

National Distillers Distributors Foundation—7 awards for Finalists in the National Merit Scholarship Program.

- * **(National Gypsum Company) C. D. Spangler Foundation, Inc.**—2 awards for children of employees of National Gypsum Company and its subsidiaries.

- * **Nationwide Foundation**—10 awards for children of employees of Nationwide Insurance Companies and certain affiliates and associates.

- * **New Jersey Manufacturers Insurance Company**—At least 3 awards for children of employees of New Jersey Manufacturers Insurance Group.

New York Life Foundation—Every Finalist who is the child of an employee or agent of New York Life or certain subsidiaries will be offered an award.

- * **The NewMarket Foundation**—2 awards for children of employees of NewMarket Corporation and its subsidiaries.

- * **NextEra Energy Foundation, Inc.**—10 awards for children of employees of NextEra Energy, Inc. and its subsidiaries.

- * **NiSource Charitable Foundation**—15 awards for children of employees of NiSource and its subsidiaries.

Norfolk Southern Foundation—Every Finalist who is the child of an employee of Norfolk Southern Corporation or an affiliated company will be offered an award.

- * **Northrop Grumman Corporation**—55 awards for children of employees of the corporation and its subsidiaries.

NOV Inc.—Every Finalist who is the child of an employee of the corporation and its eligible subsidiaries will be offered an award.

- * **Novartis US Foundation**—20 awards for children of employees of Novartis Corporation and its subsidiaries and divisions.

- * **Novo Nordisk Inc.**—3 awards for children of employees of the corporation and its participating affiliates.

NVIDIA Corporation—Every Finalist who is the child of an employee of the corporation or an eligible subsidiary will be offered an award.

O

Occidental Petroleum Corporation—6 awards for Finalists who are children of employees of the corporation or an eligible division or subsidiary.

- * **Omron Foundation, Inc.**—Up to 5 awards for children of employees of Omron.

Owens Corning Foundation—Every Finalist who is the child of an employee of Owens Corning will be offered an award.

This corporate sponsor * offers Special Scholarships in addition to Merit Scholarship awards, and Entry Forms must be filed with the sponsor.

P

- * **Paramount Global**—5 awards for children of employees of the corporation and its eligible subsidiaries.

Parker Hannifin Foundation—Every Finalist who is the child of an employee of Parker Hannifin Corporation or a subsidiary will be offered an award.

The PepsiCo Foundation, Inc.—Every Finalist who is the child of an employee of PepsiCo Inc., or a division, subsidiary, or affiliate will be offered an award.

- * **Pfizer Inc.**—50 awards for children of employees of the corporation and its subsidiaries.
- * **Pilkington North America, Inc.**—2 awards for children of employees of the corporation and its subsidiaries.
- * **PPG Foundation**—56 awards—Up to 35 awards for children of employees of PPG and its subsidiaries; 21 awards for residents of communities where PPG has operations.
- Principal Life Insurance Company**—Every Finalist who is the child of an employee of the company or an affiliate will be offered an award.
- Public Service Enterprise Group**—2 awards for Finalists who are children of employees of Public Service Enterprise Group or its subsidiaries.
- * **Putnam Investments, LLC**—2 awards for children of employees of the corporation and its subsidiaries.

R

- * **Research Triangle Institute**—2 awards for children of employees of the institute.
- * **Reynolds American Foundation**—Up to 20 awards for children of employees of Reynolds American Inc. and its eligible subsidiaries.
- * **Rheem Manufacturing Company**—5 awards for children of employees of the company and its subsidiaries.
- Robert Half International Inc.**—2 awards for Finalists who are children of employees of the corporation and its eligible subsidiaries.
- Rockwell Automation Charitable Corporation**—5 awards for Finalists who are children of employees of Rockwell Automation and its subsidiaries.
- RSM US LLP**—2 awards for Finalists who are children of employees of the corporation and its eligible subsidiaries.

S

- * **S&P Global**—6 awards for children of employees of the corporation and its subsidiaries.
- * **Schindler Elevator Corporation**—5 awards for children of employees of the corporation.
- * **Schneider Electric North America Foundation**—20 awards for children of employees of Schneider Electric North America.
- * **Sensient Technologies Foundation**—3 awards for children of employees of Sensient Technologies Corporation and its divisions and subsidiaries.
- * **Sentry Insurance Foundation, Inc.**—5 awards for children of employees of Sentry Insurance Group and its eligible subsidiaries.
- Siemens Foundation**—Every Finalist who is the child of an employee of Siemens Corporation or an eligible affiliated company will be offered an award.

This corporate sponsor * offers Special Scholarships in addition to Merit Scholarship awards, and Entry Forms must be filed with the sponsor.

- * **Snap-on Incorporated**—6 awards for children of employees and dealers of the corporation.
Sogeti USA—Every Finalist who is the child of an employee of the corporation will be offered an award.
- * **Sony Electronics Inc.**—3 awards for children of employees of Sony Electronics Inc. and Sony Corporation of America.
South Carolina Sports Medicine & Orthopaedic Center—4 awards—first preference for Finalists who are children of employees of the practice; second preference for Finalists from the Greater Charleston area of South Carolina.
Southern Company Services, Inc.—Every Finalist who is the child of an employee of Southern Company or a subsidiary will be offered an award.
Specialty Materials Inc.—2 awards for Finalists from Massachusetts or New Hampshire planning to major in materials engineering or materials science.
Spirit AeroSystems, Inc.—7 awards for Finalists who are children of employees of the corporation and its eligible subsidiaries.
- * **State Farm Companies Foundation**—100 awards for children of employees and insurance agents of State Farm Companies.
- * **Suburban Propane, L.P.**—3 awards for children of employees of the company.
- * **Synthomer Foundation**—3 awards for children of employees of Synthomer plc.

T

- Teachers Insurance and Annuity Association of America**—15 awards for Finalists who are children of employees of TIAA and its eligible subsidiaries.
The TeleTech Community Foundation—2 awards for Finalists who are children of employees of TTEC Holdings, Inc.
- Texas Instruments Foundation**—Every Finalist who is the child of an employee of Texas Instruments Incorporated will be offered an award.
- * **Textron Charitable Trust**—10 awards for children of employees of Textron, Inc. and its subsidiaries.
- * **3M Company**—40 awards for children of employees of the company and its affiliates and subsidiaries.
- * **The Travelers Employees' Club**—10 awards for children and specified relatives of members of The Travelers Employees' Club.
- * **Tredegear Corporation**—3 awards for children of employees of the corporation and its subsidiaries.
- * **Truist Financial Corporation**—30 awards for children of employees of the corporation.

U

- United Services Automobile Association**—Every Finalist who is the child of an employee of the company will be offered an award.
- * **The UPS Foundation**—180 awards—150 awards for children of full-time employees and 30 awards for children of part-time employees of UPS and its subsidiaries.
- * **USG Foundation, Inc.**—8 awards for children of employees of USG Corporation and its subsidiaries.

This corporate sponsor * offers Special Scholarships in addition to Merit Scholarship awards, and Entry Forms must be filed with the sponsor.

V

ViaSat, Inc.—Every Finalist who is the child of an employee of the corporation will be offered an award.

- * **Vulcan Materials Company Foundation**—3 awards for children of employees of Vulcan Materials Company and its subsidiaries.

W

Walgreen Co.—Every Finalist who is the child of an employee of the company will be offered an award.

Waste Management National Services Inc.—Every Finalist who is the child of an employee of Waste Management National Services Inc.'s family of companies will be offered an award.

Westlake—2 awards for Finalists who are children of employees of the corporation and its eligible subsidiaries.

X–Z

- * **Zoetis Inc.**—5 awards for children of colleagues of the corporation.

Colleges and Universities

The higher education institutions listed below currently sponsor National Merit Scholarships. The number in parentheses reflects the minimum number of Merit Scholarship awards NMSC expects the college to offer annually. However, neither the institution nor NMSC is obligated to offer these scholarships in 2024, 2025, or beyond.
