## ATTENDANCE

Please call the attendance hotline to report absences for your student. If you are planning to pick your student up from school, please allow 30 minutes for your call to be processed and for a pass to be delivered.

**913-993-7845**

Please leave the name of your student and spell the last name. State the time in which you will pick up your student and the reason for the absence. Thank you for your patience and cooperation.

## IMPORTANT REMINDER - ATTENDANCE MATTERS

The first class of the day STARTS promptly at 7:40am. Students are welcome to arrive after 7am and breakfast is served starting at 7:15am.

**We need EVERYONE'S cooperation to be here on time.**

Students who understand the value of punctuality and attend school on time, **get better grades and enjoy a greater sense of well-being and confidence**

The school day ends at 2:40pm. Students should be off campus after 3:00pm unless they are under the direct supervision of a coach or sponsor.

Regular attendance is vital for student success.

- Your children can suffer academically if they miss 10 percent of the school year or about 18 days. That can be just one day every two weeks, and that can happen before you know it.
- Some absences are unavoidable. We understand that children will get sick and need to stay home occasionally. The important thing is to get your children to school as often as possible.
- Sporadic absences, not just those on consecutive days of school, matter. Before you know it – just one or two days a month can add up to nearly 10 percent of the school year.
- If too many absences occur, it is still a problem whether they are excused or unexcused because they represent too much lost learning time in the classroom.

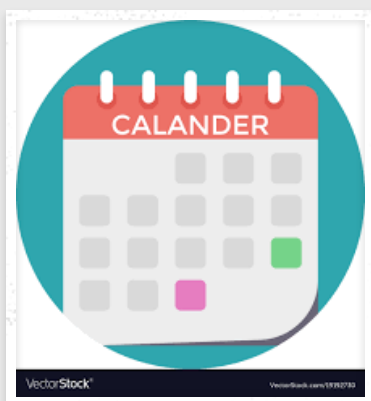

We appreciate our students, parents, staff and community helping to prioritize the importance of coming to school and then making sure to arrive on time to each class throughout the day.

Thank you.

## **WEST READS**

SM West is so very excited to share with our community our West Reads selections.

Each week a different student that might represent one of our clubs/organizations/teams here at West is asked to choose a children's book to read aloud and be recorded. The recording is shared with our elementary feeder schools. This is such a great way to showcase some of the amazing leaders we have in our community and I know the elementary students love seeing the high schoolers sharing literature with them.

We hope you enjoy these editions and will forward to future editions.

This week we are highlighting SMW Pep Club! Aryanna Vila read "If you Give a Cat a Cupcake" by Laura Numeroff. [Here is the video!](#)

## HISTORY:

National Hispanic Heritage Month takes place annually between September 15 to October 15 and provides a time to recognize and celebrate the many contributions, diverse cultures, and extensive histories of the American Latino community. The 2023 theme is 'Prosperity, Power, and Progress,' recognizing the significant achievements of the Hispanic community in the economic and political industries. Along with recognizing the importance of Hispanic Heritage Month, it is equally important for us to raise awareness and further our own learning and depth for understanding.

Participating is a great community service and does count for NHS volunteer hours as well. Plus... it's just a lot of fun.

## NOTE ABOUT DISMISSAL PROCEDURES AND REMINDER ABOUT STUDENT PARKING

Please help us keep our school dismissal safe.

Our school busses line up along the circle drive in the front of the building and leave approximately 7 minutes after the 2:40 bell rings.

For the safety of all our students, we would ask that parents that are driving to pick up their students plan to arrive after the busses leave the premises. Cars lining up on 87th street waiting to enter the front driveway does not create a safe situation.

Thank you for your support in telling your students that you will pick them up after the busses leave the circle.

REMINDER: ALL students who park in the WEST student parking lot need to have purchased a parking sticker and that sticker should be placed on their car. Students should make sure that they are parking only in the designated student parking areas and not staff parking.

Please refer to the information below.

## PARKING PERMITS

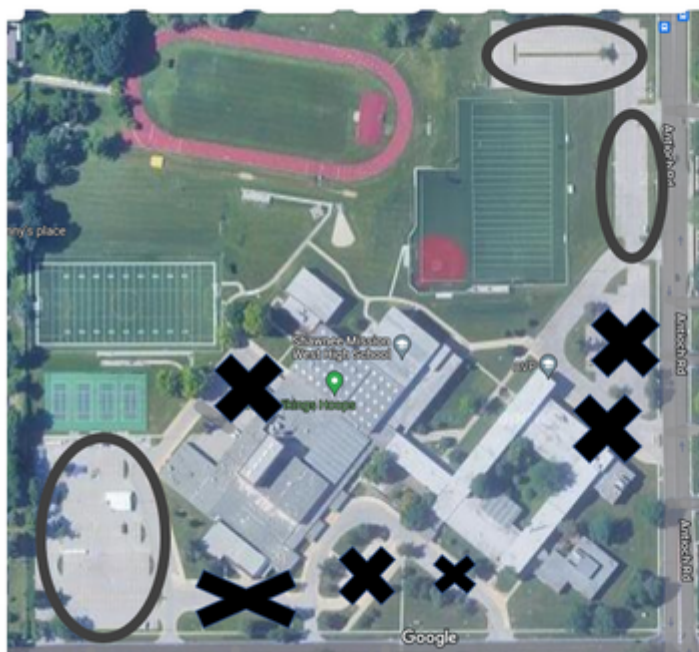

Sophomores, Juniors and Seniors are able to park on campus at SM West. A parking permit must be purchased and a parking sticker picked up from our Security personnel in the front entrance.

Parking is \$50 for the year.

It is extremely important that students only park in assigned areas for students, and not staff parking. Tickets will be assessed by our security staff. All rules and regulations are listed with the parking application. See the PDF below.

Also included is a map of West parking.

The circled spots on the map are where students can park.

The X's indicate STAFF parking.

Students are excluded from parking in the staff spaces.

Please refer to parking guidelines and fee structure for parking enforcement.

WestPatrons'  
GALLERY

WestPatrons'  
GALLERY

Welcome to our **first exhibit of the 2023 - 2024 school year**. The **West Patrons' Gallery** is **officially OPEN & viewable from Aug. 31 - end of September '23**.

My name is **Melinda Heaton, Director of the West Patrons' Gallery & one of 4 art teachers here at West**. I am excited to share our **first exhibition** which includes photography from **Ben Mesa, Amanda Sherraden, Rose Lawler, Sarah Gonzalez, Grant Dreiling, Alaina Case, Kay Rolls, Cristina Seyler, Amy Morgan, Donna Holmes & myself**.

This exhibition is titled: **"Oh the places we've been"**. I enjoy incorporating our staff in our first show of the year.

The idea for this show is based on the Dr. Suess book, "Oh the places you'll go". While it's exciting to consider our future, I thought it would be fun to learn about several of our staff by where they went this past summer. Who did we hang out with & what did the artist/photographers think about the places they went (artist/photography statements included with each collage).

These collages are just a brief snippet of each represented staff members summer fun. Can you tell where they went or what they were doing before reading their artist's statement?

Photography is a wonderful way to capture important experiences in your life and also a wonderful way to express yourself through your camera lens.

### September - "Oh the places we've been" Summer of '23

**Guests are welcome to stop in, between 7:30 - 3:30 most days, Monday through Friday. If you invite someone up to view the show, please check in the front office before heading down to 65, our West Patrons' Gallery space.**

Please feel free to bring your students down to see what their teachers/coaches & staff at West were up to this past summer. Photo collage is a great way to bring everything together in a single viewing experience.

**Remember:** We have 3 ways to see what's happening in our gallery & in the art hallways downstairs.

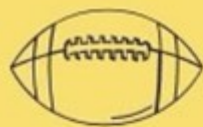

We will rotate up to 6 exhibitions throughout the year, in the West Patrons' Gallery & you will also be able to view each gallery exhibition, within approximately one week of the physical show going live in 65 @ <https://www.smwpatronsgallery.com>.

The physical gallery shows will feature NEW artworks approx. every 6 - 8 weeks.

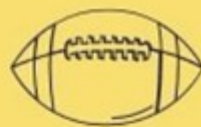

More extensive bodies of work, from our students as a whole from our art classes, will rotate every 2-3 weeks. In our art hallways, each art teacher's classes (Drawing, Painting, Graphic Design, AP/Drawing 2, Digital Photography, Analog Photography, Ceramics, Sculpture & Intro to Studio Art) will change out shows in the art hallways & on our **instagram: SMWVisualarts**

## FROM OUR SM WEST NURSE

Hello,

I wanted to share a "refresher" on Covid Guidelines for everyone as we head into this fall. These are also guidelines that apply to Influenza A & B.

- Day 0: the 1st day of symptoms or test positive day
- Counting from Day 0—a person is then out of school for 5 days.
- Day 6—may return to school if no ongoing symptoms and no fever in the previous 24 hours.
- Day 6-10—highly recommended and encouraged to mask.
- Students do not need to stay home for exposure to Covid —only if they have symptoms or test positive.

For more information you can refer to the following link:

<https://www.smsd.org/about/departments/health-services/coronavirus-or-covid-19-information>

- Please reach out with any questions or concerns—sometimes email is the best:

## MACBOOK/IT - IMPORTANT

Many of our students were able to pick up their MacBooks during our Early MacBook Rollout.' If you received your device on July 25th, then please make sure to set Chrome as your default browser. Here is a link for instructions:

<https://docs.google.com/document/d/1UCo7L5B9PwmqDECiLayyb7r965hd9M1WxJfgynQgWqU/edit?usp=sharing>

Please make a diligent choice to take care of your MacBook each and everyday.

- **Cracked Screens**

- The screens to the new devices are very delicate. Please remind students not to pick up the device by the screen and do not close the device with something in it.

- **Tech Resource Page**

- We have a Tech Resource Page that assist students with tech issues that arise. Please bookmark this page. Link =>

<https://sites.google.com/smsd.org/smwtechrescue/tech-issue>

## ICT Updates

We want to remind you of a few things now that we are back in the swing of the school year:

1. Your MacBook must have the district issued case on it at all times. (Failure to have the cover in place will result in confiscation of the MacBook.)
2. Please only carry your MacBook with the screen shut and with both hands to keep the machine secure.
3. Do not ever pick up the MacBook by the screen. The LCD is very sensitive and the pressure of your grip will break the screen.
4. Keyboard covers should not be used since non-Apple keyboard covers might be too large and can put pressure on the screens and cause damage.
5. Please don't leave your MacBook in a car overnight.
6. Needed programs can be found on Manager. You will not be able to download programs from the App Store for use on these devices.
7. Downloading VPNs (Virtual Private Networks) or other programs that mask your device on the network are a violation of the Responsible Use Policy you have agreed to. Use of these will result in the confiscation of the MacBook and you may MacBook access for the semester/school year for consistent violations.
8. Due to the MacBook refresh this summer and the cost of the new hardware, the replacement device cost has gone up. Although, the charger cost has dropped. The incident fees have stayed the same (fees reset in high school).
  1. 1st Incident/Damaged Device fee: \$100.00
  2. 2nd Incident/Damaged Device fee: \$150.00
  3. 3rd and Subsequent Incident/Damage Device fee: Actual cost of repair/replacement or \$300.00 whichever is greater.
  4. Apple MacBook Air M1 USB-C Cable Replacement - \$19
  5. Apple MacBook Air M1 Charger Replacement - \$39
  6. Apple MacBook Air M1 Adapter Set Replacement - \$58
  7. Apple MacBook Air M1 Replacement/Lost Device fee - \$1,117.95
9. If you ever need help or support with your device, please review our Tech Rescue Page (<https://sites.google.com/smsd.org/smwtechrescue/tech-issues>). If you are still experiencing issues, then you can

submit a Web Help Desk Ticket

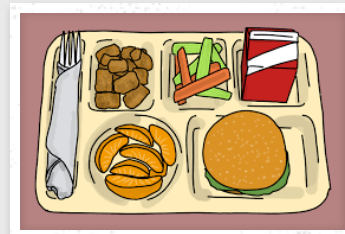

(<https://support.smsd.org>).

Please reach out if there are any questions or issues. We do work with students and families through this process.

Below you will find some helpful images to assist with Skyward and Canvas.

### **2023-24 - Child Nutrition Program Meal Benefit Application**

Families are encouraged to complete an application for meal benefits – free or reduced priced meals – as part of the Online Verification. Contact the Food Service office by calling 913-993-9710 for questions on the meal benefit application.

### **Potential Benefits of Filling out the Application**

Families who qualify for child nutrition meal benefits, may receive additional benefits such as free/reduced instructional resource fees, transportation fees, and Pre-k enrollment.

### **Consent for Disclosure and Eligibility**

Families are encouraged to complete a Consent for Disclosure form in [Skyward](#) which gives SMSD Food Service permission to share a child's eligibility status information with the programs families designate on the consent form.

Families who are receiving certain types of state assistance, a meal benefit application may not be necessary. If a family is directly certified for meal benefits due to state assistance, Food Service will email a notification of eligibility. If you receive state assistance and have not received a notification of eligibility, call the [SMSD Food Service office](#) before completing a meal program application.
