

Request to Excuse Student from HIV/AIDS Prevention Education Grade 5

I have attended the school district's presentation of the HIV/AIDS prevention education program for my child's (or legal ward's) grade level and/or reviewed the related curriculum materials.

I object to the participation of my child (or legal ward) in the HIV/AIDS prevention education program and request that he/she be excused from participation.

I understand that the HIV/AIDS epidemic presents a serious threat to the general population, particularly to youth, and that resources are available for me to present to my son/daughter at home.

Signature of parent/legal guardian

Date

Name of child/Legal ward

School of attendance

Grade

Note: This form is to be sent to the principal of the school your child/legal ward attends. One form needs to be completed for each child you wish to exempt from instruction.
