## School Accountability Report Card

### Reported Using Data from the 2019-2020 School Year

#### Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020-2021)

Twice selected as a California Distinguished School, Sartorette has earned its long-standing reputation as a close knit community where every student is known and cared for within an outstanding learning environment that addresses the needs of the whole child. Staff intellectually challenges and enriches the lives of our students, both during the school day and with extended-day programs. We are a rare school in that we provide both a weekly motor skills program and weekly physical education program. Our Art Vistas program provides art lessons throughout the school year and students receive music instruction weekly from a credentialed music teacher. Our garden provides a hands-on living lab for our students, and our MakerSpace and Science Lab allow them to further explore STEM opportunities. Students have access to a well-integrated technology infrastructure with laptops and iPads to enhance their learning. Our new library will feature up-to-date literature, access to technology, and multi-use space for learning and collaboration. Now in its eighth year, our Positive Behavioral Intervention Supports (PBIS) program establishes social and behavioral support to ensure a positive learning environment exists for all students. We further promote the well-being of the whole child with social emotional curriculum, and a supportive parent community as well. Sartorette is a place where young children grow and thrive, both academically and socially as students are nurtured in an equitable, collaborative environment of high expectations. They are empowered advocates of their own learning, critical thinkers, and academic and social-emotional citizens of character on target to lead independent lives as healthy, innovative communicators, collaborators, problem solvers, and contributors to the global community. Sartorette students will be critical thinkers who are confident, resilient, and persevering problem solvers who demonstrate empathy and equity toward others as they take risks navigating life's challenges. They are ready to reach for the stars!

## School Facility Conditions and Planned Improvements

The schools are situated on sites of 10 acres or more with classroom size at least 960 square feet in dimension. Each school has a separate staff room with adult restrooms and kitchenette facilities. Playscapes have been replaced and upgraded to code over the past several years at the elementary school sites.

Suitability of the facility as a learning environment including, but not limited to, cleanliness; building condition; lighting, heating, and cooling systems; noise negation; condition of the school's fire alarm system; and the condition of the school's technology infrastructure.

Sartorette Elementary School is well maintained by staff of custodians who are assigned to the school with 8 hr shifts. They provide cleanliness and support of the facility in many ways. They are supplemented by the district staff who regularly assist in building maintenance. They assure jobs are completed in a timely manner through an automated work order system. Sartortte School's renovation is completed. This includes new cabinets, carpet, floor tile, blinds and paint in each of the classrooms. Other improvements include new water pipes, an expanded school office, new landscaping and improvements to the multi-purpose room. In 2015, new perimeter fencing was installed. Soar arrays were added in 2015 to meet 85% of the schools electrical needs.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
English Language Arts/Literacy (grades 3-8 and 11)	49	N/A	66	N/A	50	N/A
Mathematics (grades 3-8 and 11)	53	N/A	64	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2020-2021)

The Home and School Club brings parents, students, and our community together for a variety of activities. For example, these include the Monster Bash, Art Show, Field Day, movie nights, family STEM events, and family dining-out events. Several clubs are active at school, including the Girl Scouts, Boy Scouts, and Girls on the Run. Our Back To School and Open House evenings are well attended. We have a high attendance rate for fall parent/teacher conferences. Volunteers help in our classes as Arts Vista instructors, reading/math tutors, Motor Skills assistants, maker-space, running/jogging club managers and supervisors for our students in the garden. Our instrumental and vocal music programs provide additional opportunities for parents and community members to join us for student performances. Our Home and School Club supports our students and teachers in a myriad of ways, including raising funds to support assemblies, Motor Skills, field trips, library and more. Plus, we are always open to parents who want to get involved in ways that extend learning opportunities for students and their families.

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

## Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
<b>Suspensions</b>	1.8	1.2	2.5
<b>Expulsions</b>	0	0	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

## School Safety Plan (School Year 2020-2021)

Cambrian is a small district with history of providing a safe learning environment. Our Safety Plans are annually updated in collaboration with the community and local law enforcement representatives. We participate, drill, and practice emergency responses, including run-hide-defend, earthquake, and fire drills. Our local fire and police departments regularly visit our campus to check on fire and traffic safety. We work with consultant Incident Command System (ICS) to guide us on all emergency-response practices.

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	5	5	4

District-wide staff professional development is reflective of students, staff, school, and district's goals and needs. Professional learning activities are design to engage teachers in learning and implementing best practices that benefit student learning in alignment with district goals. These opportunities for professional learning include the following:

- Grade-level data teams
- K-8 articulation days (teacher inservice days)
- District/site/grade level collaboration time (early release days)

Staff development is designed in our primary areas of focus: Common Core math and ELA instructional strategies, English-learner instructional strategies using ELD standards, questioning for critical thinking, and mathematical understanding and problem solving. Using CCSS assessments, professional development is aligned with district, school, and/or individual-professional needs to ensure teachers have the adequate background, skills, and materials they need to support student learning. When new programs are introduced (e.g. math, science, language arts, social-emotional learning), specific time is dedicated to staff development to ensure the even and effective implementation of the program.
