COMMUNITY

Community Involvement in Decision Making

It is the policy of the Board to encourage community involvement in the decision making process.

In order to facilitate this involvement, the Board urges the citizens of the Cambrian School District to:

- I. Attend Board meetings and to express their concerns, opinions, and points of view on subjects with which the Board is dealing.
- II. Serve on local school committees.
- III. Serve on District Advisory committees that are established to make recommendations to the Superintendent and the Board.
