COMMUNITY

Relations with Parents Organizations

- I. The Board expects all staff members to work closely with the officers of the Home and School Clubs and other parent organizations in the pursuit of the following goals:
 - A. To involve parent/guardian and school personnel in a cooperative and sustained system of activities which will increase the educational opportunities of the children both in school and at home.
 - B. To improve school-home relationships by enabling parent/guardian and school personnel to:
 1. Define their roles as they pertain to the children served by the schools.
 2. Identify family needs and resources, including those of community, as well as school needs and resources.
 - C. To provide teachers and administrators with opinions and viewpoints that will lead to a better analysis of the needs of student and more relevant program planning.
- II. The Board further encourages the Home and School Clubs and groups with whom they cooperate to maintain a close liaison with Board and administration.
- III. The Board appoints the Superintendent as its authorized representative to establish procedures for granting approval of Home and School Club organizational events.
