Smog

The Cambrian School District acknowledges the potentially adverse effects of smog conditions on the health of its students and employees and accepts the responsibility for:

- A. Instructing the students about the effects of smog upon human, plant and animal life
- B. Notifying all students and school personnel when smog episodes are predicted or declared.
- C. Modifying school programs and work assignments for the protection of its students and employees when smog episodes are predicted or declared.
- D. Cooperating with other governmental agencies and with the entire community in matters of critical concern regarding smog.
