**Pupil Progress Reports to Parents**

The governing Board believes that good communication between parent/guardian and teacher is important in the educational process. Reporting contacts between parent/guardian and teacher should be varied and frequent, and all appropriate forms of communication should be utilized, including parent-teacher conferences, mail, telephone, email, and school visitation by parents.

A written progress report shall be sent to the parent/guardian of any student who is not showing satisfactory academic progress. The progress report should reflect the educational progress of the student in terms of class work and proficiency levels.
