

SSC/ELAC meeting - 3/13/19

- Talked about our 4 goals and what we want to keep and what we want to change/add/remove. Members used sticky notes for recommendations.

Goal 1 - Student Achievement

- Talked about implementing 1 module of NGSS Foss kit this year
- Math intervention - Changed from pull out to push in for math intervention
- Should have new budget by May, we do not have it right now
- Talked about having a more consistent HW policy....is it meaningful?
- Looking at our target students as a staff
- Talked about how the money is allocated to meet this goal, H&SC money is not included in this

Goal 2 - Teacher Effectiveness

- Cycle of Inquiry - Teacher are able to be more methodical with analyzing data
- Learning Cohorts - 4 focus areas where teachers signed up for a cohort
- ELD focus time at every staff meeting
- Digital citizenship - ABC's of the internet
- Bulk of the money went to learning cohorts - so teachers could have release time

Goal 3- School Climate

- Project cornerstone - Parent Help
- CICO - Check in Check Out - Tier 2 intervention
- Social Emotional Learning
- Attendance Monitoring
- Noon Duty Supervision
- 2 days of counseling : maintain
- Trying to find someone to run the Maker's Space, since Ms. Hoffman is subbing now

Goal 4 - Community

- Art Vistas : fund docent
- Cornerstone is a great way for parents to come in and read in the classroom
- Michelle Kelch works way more than the hours she is putting in for Art Vistas

Last part of the meeting was spent on recommendations for each of the 4 goals.

*Discussed information being sent home paper vs.email from the H&SC, as Beth said that the paper fliers are VERY expensive.
