Tues, Jan 5, 2021

7:00 p.m. on Zoom

Welcome - Jill Brigham (President)

- Called the meeting to order at 7:02pm.

President's Comments

- We don't usually have a meeting in January. This is a Special Meeting to vote on an adjustment to the budget to pay for a special spiritwear t-shirt for staff and students. The plan is to increase the student expenditure line item by \$3,000 to make it \$7,000 which will cover the expense.
- There will be a FDN coming up this month at Mountain Mike's

Price Updates - Natalie Gioco, Principal

- Busy working on adjustments to student schedules in preparation for a return to school at some point.
- Melissa O asked about the possibility of offering next year's 6th Graders a Science Camp experience since they will miss this opportunity in 5th Grade.
 - From Ms. Gioco: There would be a lot to consider; most significantly, with the number of students at a single Elementary school versus all 6th Graders at a Middle School

Price Updates - Margaret Lavin, Assistant Principal

- Had a PBIS meeting this week, and the 2nd Redemption Week will be next week (week of January 11th).

New Business

A. Student Discretionary Fund Budget Increase

- 2nd to the motion made by Erika Foss.
- All approved the motion. None opposed.
