Call to order:

Rachel Rosenberg - 7:12pm called meeting to order on Wednesday, March 18, 2015.

Fammatre HSC guest : Aletta Godden

informed us about a successful fundraiser called Farmigo. It is to order farm fresh local produces to Fammatre school every Wednesday 1-3pm pick up. Price parents can join to Fammatre program for a while, and if it goes well, Price can have their own account. Fammatre is getting 10% of all sales if exceeding \$500/week.

Minutes review:

Rachel emailed Jan and Feb Meeting minutes prior to the HSC meeting. Reviewed on screen/paper copies. Jan minute was approved by Megan's motion and Heather seconded.

Feb minute was reviewed and approved with Gil's motion and Jennifer Pippin's second.

Treasury : Jennifer pippin

. **Approved by Rachel and heather second.**

. Moved to student discretion fund from tech fund with the amount of \$2000. Approved by Rachel and seconded by Megan.

. Gil explained that donors giving money may have usage requirements for their donated funds. If the donated money has a specified use, then the money has to be directed to the specified school club and used by the specified club. Example: the recent fund donations from Silicon Valley Bank to the Music Department's new piano. To support this, a "wash" account will be needed in our accounting system and cash flow reporting must accommodate the tracking of these donated funds. A new process was introduced to support donor funds, track them from CEF to specified school club, and a report on the funds.
