D. Principal's Report: Scott Johnson Thursday April 21 Sports Day at 12:40pm, Walk-A-Thon Friday April 22 with special appearance by Station 9 firefighters, end of school year – all items listed on principal's newsletter. New Public Relations/Communications person at the district office.

E. Teacher's Report: Mrs. Horn Girls on the Run is an excellent program; we are halfway through to the 5K run on May 14 at Vasona. Can information about the run please go into the HSC newsletter? YES!

F. HSC Board Reports:

1. Presidents' Report: Need new HSC board for 2016-2017 school year. No volunteers for the spring Book Fair. Leslie will run it again. Book fair will be Tuesday, Wednesday, and Thursday during lunch. Tuesday & Wednesday after school, and Wednesday night. Book fair raises money to support school programs like the library.

2. VP Report: Science Camp funds: funds do not transfer for kids going to Steindorf. It is supposed to be setup as a grade level fund rather than the individual. It is not tax deductible. It can be transferred to a like science program. Mr. Johnson will clarify this point and get back to the HSC. HSC newsletter is going home next Thursday & includes recruitment info & Girls on the Run.

3. Treasurer Report: On track for funding depending on Walk-A-Thon money raised.

4. Secretary Report Nothing to report.

5. Auditor Report

6. Parliamentarian Report: This is the meeting where we hold nominations before May elections for HSC. One vote per candidate, multiple candidates we highly encourage job sharing. Ballot vote for one person who doesn't want to job share. This is simple & straightforward. HSC is a village: many people helping behind the scenes. It is a fun way to get to know school & be involved.

Question: Can you describe positions?

Answer: Committee & Coordinator responsibilities- posted on HSC bulletin board. It goes over all the detailed descriptions.
