J. Open Discussion/Questions

Suggestion: To have a kinder social before school starts. Maybe have it the day of kinder assessments.

Would like to see better management of Yahoo group. Post HSC minutes on board & Facebook.

Back to school night has HSC introductions, what HSC needs for volunteers, give welcome speech.

Bulletin board of event with descriptions. Have pictures posted of past events. Have sign up sheets.

We have less parent involvement, more working families. Need to help people keep in contact. Maybe have a school directory. Myschooldirectory.com lets parents decide whether they want to be on it. There's an app for smart phones. Teachers can use it too. Parents can access it for volunteering; play dates, coordinating teacher gift, etc. Cost is approx. \$400/yr. would replace Yahoo group, etc. Privacy opt-out is built in.

Compare district calendar with school calendar to get all the important dates for the school year set before the school year begins.
