Dec. 19-Jan. 2nd: Winter Break-No School

MESSAGE FROM THE PRINCIPAL

Great Pumpkin Pie Giveaway

One of the greatest joys this week was going to each classroom with Activities Coordinator, Ms. Bobby, to announce the winner of Sartorette's Great Pumpkin Pie Giveaway. One student in each class won a pie with all students eligible to win the anonymous drawing. Although they were given clues last week, students did not know the prize ahead of time. Classes erupted in celebration to cheer their winner and learn the prize of a pumpkin pie will be shared with the student's loved ones for Thanksgiving. Scroll down to see pictures of the prize winners.

Thank you, HSC, for making this possible.

Covid Tests

Due to the increased travel and social interactions that often occur during school breaks with increased risk of COVID transmission, it is recommended that all Cambrian students and staff get tested for COVID-19 prior to returning to school following Thanksgiving break. Students were sent home with rapid Covid tests to use before returning to school from Thanksgiving Break. **Please use the test for your child on Sunday, November 27th.** Students with Covid-19 must stay home from school and follow school district protocols. Report students who test positive for Covid or are symptomatic by using the Attendance Line or email below. You will be advised on when your child is eligible to return to school.

Sartorette 24-HOUR ATTENDANCE LINE: (408) 264-4380 x 6102, or

Email: boggini@cambriansd.com

Please scroll to the note in this newsletter for more information about the Covid-19 rapid test kits.

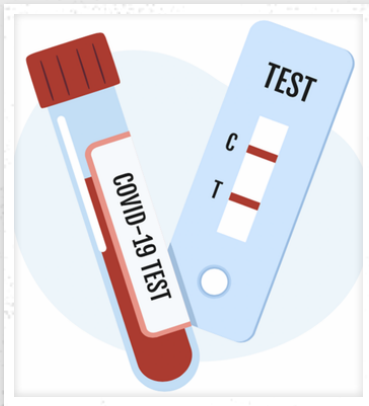

Report Cards

Your child will come home with a report card by November 18.

Thanksgiving Gratitude

All of us at Sartorette are most grateful for our students, their families, and our colleagues. Our school community is like family as we work together to teach children to love themselves, to love each other, and to love life. We wish you and your family a very safe and Happy Thanksgiving!

All the best,
Debbie Stein

NOTE ABOUT COVID-19 RAPID TESTS

PLEASE NOTE:

The California Department of Public Health endorses the emergency use of over-the-counter COVID-19 Tests beyond their FDA authorized expiration. This blanket extension, subject to appropriate internal control development* during testing, is valid until CDPH posts that the emergency extension has ended, at which point participants should cease using tests beyond their printed expiration dates. The emergency extension applies to all FDA authorized over-the-counter COVID-19 tests, including:

- Abbott BinaxNOW™ COVID-19 Antigen Self-Test
- AccessBio CareStart™ COVID-19 Antigen Home Test
- ACON Flowflex™ COVID-19 Antigen Home Test
- iHealth™ COVID-19 Antigen Rapid Test
- On/Go™ COVID-19 Antigen Self-Test

*The internal control line after test development should be both easily visible and the color specified by the specific test instructions.

FAMILY CODE NIGHT - NOV. 28TH

Family Code Night

Hello Sartorette Families! Cambrian School District and the Cambrian Education Foundation (CEF) invite you to attend **Family Code Night at Sartorette on Monday, November 28, 2022 from 6:30pm to 8pm.**

- **Family Code Night** is a **FREE** family event held at each school site, where you will play in parent-child teams to complete fun Code.org puzzles and challenges at your own pace, and learn core concepts in coding at the same time!
- *No coding experience is needed and laptops will be available for use.* This is a great experience to share with your kids. This event is inspired by the [Hour of Code](#) from Code.org®.
- All grade levels welcome!

Please [register here!](#) We hope to see you there!

SARTORETTE STUDENTS OF THE WEEK

SARTORETTE STANDARDS! SUPERSTARS ARE:

- SAFE
- RESPONSIBLE
- RESPECTFUL

Each week students are recognized for positive citizenship.

For Exemplifying Sartorette's Social Emotional Skills of the Week:

TK-1 Prevent distraction
Mrs. Peckham: Zia F.

2-3 Don't let mistakes stop you
Mr. Harris: Georgette S.

4-5 Rethink a situation to calm yourself

Ms. Wickemeyer: Matthew K.

For Exemplifying Sartorette's PBIS Focus Area of the Week:

Wait patiently for your turn

Mr. Harris: Nadia T.

NEW MATH CLUB FOR 4TH & 5TH GRADERS STARTS DEC 1

Many Sartorette students love math! We are grateful to local high school student and math enthusiast Aiden for organizing an after school Math Club for our 4th and 5th graders.

Beginning Dec 1st, Math Club will meet once a week on alternate Thursdays and Fridays, 3:05-3:50pm. Students will learn problem solving strategies that complement what they learn in the classroom and prepare them to form a team to participate in math competitions. An adult volunteer will be present for each Math Club meeting. **Parents are asked to escort their child from classroom dismissal to the Math Club meeting in the library on at least the first few meeting days. See flyer below for details.**

Participation is limited and registration is required using this [Math Club Registration Link](#).

Math Club!

Do you want to prepare for math competitions, learn problem solving strategies, and develop critical thinking skills? Then Math Club is for you!

- **Instructor:** Branham High School student (AIME qualifier & AMC 8 Distinguished Honor Roll)
- **Time:** First meeting on December 1st from 3:05 to 3:50 pm. Meetings take place weekly.
- **Location:** Sartorette Elementary School.

If you are interested, please fill out the following Google form:

<https://bit.ly/SartoretteMathClub>

The club is limited to 15 people (4th and 5th graders), so sign up quickly!

If you have any questions, please contact
aidenj7788@gmail.com

MAKERSPACE

There has been a lot of creativity in MakerSpace the last couple of weeks, the kids are having a great time!

Last week students made mobiles of things they are grateful for. They had a sheet they filled out or drew pictures and decorated. Then they had a variety of materials they could use to decorate them with: feathers, beads, pipe cleaners, colored tape and yarn.

This week in the MakerSpace was a challenge week. Students worked in groups of three and had the task of building a chute to slide acorns down and into a cup. The constraints they had were the following:

- use a cup to catch the acorn
- use the whole acorn (no taking the top off)
- use the foam insulation as part of the chute
- may not tape to the table

Then they had blue tape, cups, small boxes, cardboard tubes & egg cartons to build their chutes. They spent time planning, built and then demonstrated their chutes for the class. They then dismantled them and put supplies back to be ready for the next class. There was lots of

ingenuity and creativity. Thank you to all who donated supplies for our last two projects. After the break students will have free making again so please keep the donations coming!

Lunchtime MakerSpace is now open on Mondays & Fridays if we have volunteers to staff it. If you are free between 11:20-1:15 on Mondays & Fridays please consider signing up using the link below. Thank you for supporting the MakerSpace!

To sign up to be a lunchtime volunteer, please click on the Sign Up Genius link below.

Our Superstar students THANK YOU IN ADVANCE for volunteering!!

Chrisy Teil, MakerSpace Coordinator

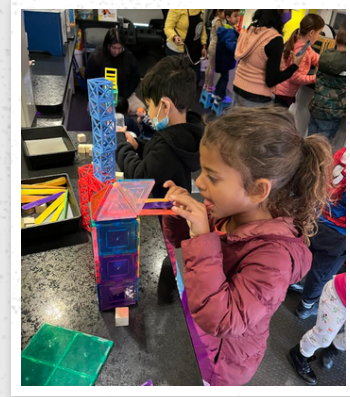

SAN JOSE LIBRARY MAKERSPACE SHIP LANDS AGAIN

The San Jose Library MakerSpace Ship landed at Sartorette again so that all classes benefitted from the fabulous experience. TK and kindergarten students built structures while first and second graders learned about and experimented with structural engineering. The students are loving it and wishing the MakerSpace Ship would come every week!

Thank you, HSC, for providing our superstars with this fun and educational experience.

FROM YOUR HOME & SCHOOL CLUB (HSC) BOARD

HSC is excited to announce that we will be hosting a Holiday Gift Shop for 3 days next month! This is a great way to buy gifts for friends and family while helping Sartorette at the same time. The in-person only event will take place in the cafeteria on Tuesday, Dec. 6th to Thursday, Dec. 9th. Please check your child's Thursday folder **next week** for the CASH ONLY envelopes. More information to come!

GET YOUR SARTORETTE SPIRIT WEAR!

Stock up on Sartorette spirit wear for your child and the whole family to enjoy all year long! Click [HERE](#) to start shopping from the HSC webpage.

IN THE SCIENCE LAB

This week in Science Lab, 4th graders students used a topographic map to create mountain profiles of Mt. Shasta and Mt. St Helens. The profile of Mt. St Helens shows before and after the 1980 eruption.

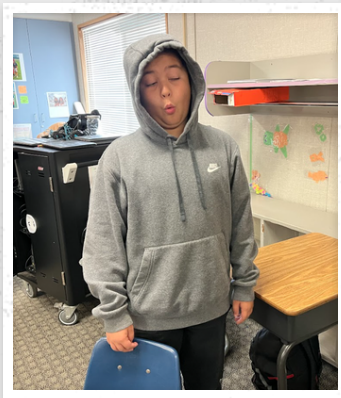

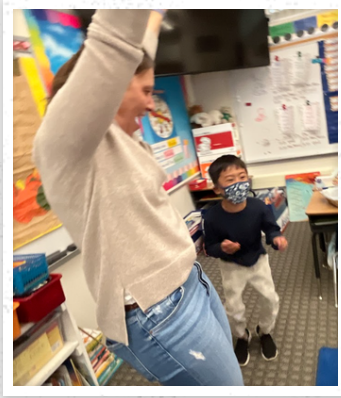

Thank you, HSC, for making this program possible.

GREAT PUMPKIN PIE GIVEAWAY

Activities Coordinator, Ms. Bobby, and Mrs. Stein visited each classroom to declare the student winner of Sartorette's Great Pumpkin Pie Giveaway! A student from every class won a pumpkin pie to contribute to their loved one's Thanksgiving celebration. Here are pictures of students when they found out they won a pumpkin pie.

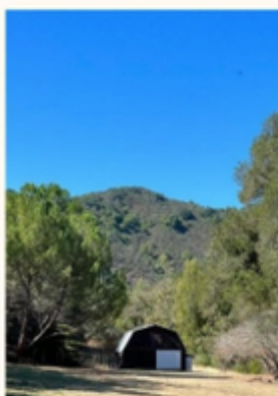

Thank you, HSC, for making this possible.

ALMA BONITA ANIMAL RESCUE

is thrilled to announce...

OUR NEW LOCATION

**5970 Little Uvas
Morgan Hill, CA 95037**

ABAR has had the opportunity to find a new location and further enrich the lives of its animals and the community.

WE NEED YOUR HELP!

With this new move, we are also looking for anyone interested in providing contributions in the form of volunteering and donations. We are looking for volunteers who can help set up our animals in their new location and help with our landscaping and contracting needs.

EXCITING NEWS!

Gilroy Garlic Festival Association

Has donated \$2,000 towards our move. Thank you for your generosity!

WE HOPE TO SEE YOU SOON!

The new and improved location is a spacious, easily accessible area where our animals will be able to further thrive and live. We are looking forward to this new chapter for ABAR.

Sartorette Standards

- ★ We Are **SAFE**
