## TREATS AT SCHOOL

Birthdays and holidays are causes for celebration at school and they are celebrated in a variety of ways in class through singing, making cards, and doing special activities together. Parents can even donate a hardcover book to the library in their child's name and Librarian Cindy Foo will add a bookplate sticker on the inside cover to honor your child.

For the safety and health of the population on our campus with various food allergies, we can no longer allow food to be part of the celebration during the school day. Thank you for your understanding and cooperation.

## SARTORETTE STORE OPENS DEC 1ST

Another recognition of positive student behavior is being added at Sartorette. The Sartorette Store, formally known as the Superbucks Store, will be launched December 1st at lunch. Students earning 10 Caught Being Good slips may turn them into their teacher in exchange for a Sartorette Store ticket that must be used to purchase an item that month. This is a great way to encourage and reward students for good behavior as a school-wide recognition program.

*Thank you, HSC, for making this program possible!*

## NEW MATH CLUB FOR 4TH & 5TH GRADERS STARTS DEC 1

Many Sartorette students love math! We are grateful to local high school student and math enthusiast Aiden for organizing an after school Math Club for our 4th and 5th graders.

Beginning Dec 1st, Math Club will meet once a week on alternate Thursdays and Fridays, 3:05-3:50pm. Students will learn problem solving strategies that complement what they learn in the classroom and prepare them to form a team to participate in math competitions. An adult volunteer will be present for each Math Club meeting. **Parents are asked to escort their child**

from classroom dismissal to the Math Club meeting in the library on at least the first few meeting days. See flyer below for details.

Participation is limited and registration is required using this [Math Club Registration Link](#).

## Math Club!

Do you want to prepare for math competitions, learn problem solving strategies, and develop critical thinking skills? Then Math Club is for you!

- **Instructor:** Branham High School student (AIME qualifier & AMC 8 Distinguished Honor Roll)
- **Time:** First meeting on December 1st from 3:05 to 3:50 pm. Meetings take place weekly.
- **Location:** Sartorette Elementary School.

If you are interested, please fill out the following Google form:

## MAKERSPACE

Thank you for the continuing donations! For a project in 2 weeks we need more metal hangers (like from the dry cleaners) and rolls of colored tape (washi, masking & other decorative tape). Please drop them in the blue barrel by the office.

Lunchtime MakerSpace is now open on Mondays & Fridays if we have volunteers to staff it. If you are free between 11:20-1:15 on Mondays & Fridays please consider signing up using the link below. Thank you for supporting the MakerSpace!
