Nov. 21st - Nov. 25th: Thanksgiving Week - NO SCHOOL

MESSAGE FROM THE PRINCIPAL

Monster Bash was a Smash!

Thank you, Home & School Club, for bringing back and leading the major undertaking of this year's Monster Bash. It was absolutely thrilling to feel the electricity as families enjoyed the variety of things to see and do around campus during the event. Thank you to all the volunteers for giving all of us a significant highlight of the school year.

5th Science Camp This Week

Fifth graders had a great time at Camp Campbell this week where they learned science from a variety of indoor and outdoor learning opportunities with their classroom families. *Thank you, HSC, for making this event possible.*

Climate Surveys

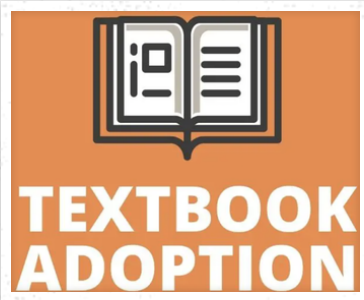

Student Climate Survey. It's important for students to share how they honestly feel about school so we can continue to improve it. For that reason, 3rd-5th graders will participate in taking a survey next week. The survey questions are attached to the bottom of this newsletter for your knowledge. Please do not share the survey questions with your child.

Parent Climate Survey. In alignment with our Local Control & Accountability Plan (LCAP) goals and initiatives to ensure positive academic, social emotional, and behavioral learning, this survey is intended to understand parent perception on progress toward academic achievement, effective instruction, positive environment, and strong community engagement at Sartorette. **The survey is linked below. Submit completed surveys by Monday, Nov 7th.**

[Parent Climate Survey_\(Spanish\)](#)

All the best,
Debbie Stein

PARENTS NEEDED FOR DISTRICT SCIENCE CURRICULUM ADOPTION

Cambrian School District is in the process of adopting new K-8 science curriculum that meets Next Generation Science Standards (NGSS). Parents are needed to share their perspectives on what they want from new science curriculum. There will be four meetings in total. The first meeting will be on Monday, November 7, 3:30-5pm, at Professional Development Center at the School District Office. Additional opportunities to be part of the conversation will be in January, April, and May. Please email Principal Stein at steind@cambriansd.com if you are interested in participating.

SARTORETTE STUDENTS OF THE WEEK

SARTORETTE STANDARDS! SUPERSTARS ARE:

- SAFE
- RESPONSIBLE
- RESPECTFUL

Each week students are recognized for positive citizenship.

For Exemplifying Sartorette's Life Skills: CURIOSITY

Mrs. Peckham: Ty B.

Mr. Harris: Austin T.

For Exemplifying Sartorette's PBIS Focus Area of the Week:

ENCOURAGE OTHERS

Mrs. Hart: Nicole M.

Mrs. Lozzio: Skyler L.

HALLOWEEN DOOR DECORATING CONTEST WINNERS

Thank you to all teachers, room parents, and students who decorated the doors throughout our campus with imaginative Halloween themes. Everyone on campus has enjoyed the

variety and creativity of every single door decoration. Here are the final results.

Thank you, HSC, for making this event possible.

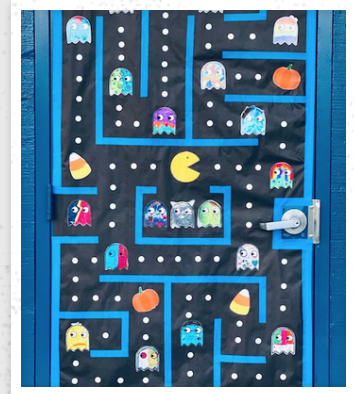

Winner: Mrs. Lozzio's/Pokemon AND Ms. Wickemeyer/Pac-Man

2nd: Mrs. Peckham's Class/Spooky Square Pumpkin

3rd: Mrs. Craig's Class/Creepy Spiders

4th: Mr. Harris' Class/ Dia de los Muertos/Day of the Dead

5th: Mrs. Colon/Brewing Up Fun

MAKERSPACE

This week in the MakerSpace TK classes had free making time. They are continuing to learn how to use the MakerSpace space. For the k-4 graders (5th graders were at science camp), this was our first week working on a maker challenge-The Great Chain Challenge. They worked in groups of three and were tasked with making the longest paper chain. They had 1- 12x18 piece of construction paper, 1 pair of scissors and 1 glue stick. They had to work together to plan and assemble their paper chain. There was a lot of teamwork and enthusiasm! The

Thank you for the continuing donations! For a project in 2 weeks we need more metal hangers (like from the dry cleaners) and rolls of colored tape (washi, masking & other decorative tape). Please drop them in the blue barrel by the office.

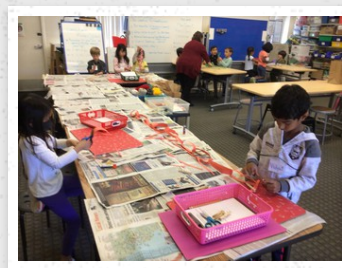

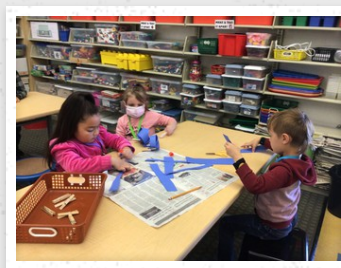

Lunchtime MakerSpace is now open on Mondays & Fridays if we have volunteers to staff it. We were unable to open Monday because we didn't have enough volunteers. If you are free between 11:20-1:15 on Mondays & Fridays please consider signing up using the link below. Thank you for supporting the MakerSpace!

To sign up to be a lunchtime volunteer, please click on the Sign Up Genius link below.

Our Superstar students THANK YOU IN ADVANCE for volunteering!!

Chrisy Teil, MakerSpace Coordinator

LUNCHTIME MAKERSPACE NEEDS VOLUNTEERS

Lunchtime MakerSpace is on Mondays and Fridays so students have the option of free-making during lunch. Last Friday, October 21, was our first Lunchtime MakerSpace, but we **had to cancel Mondays's due to lack of volunteers.**

If you are free from 11:20-1:15 on Mondays or Fridays, please consider volunteering.

The job is simple: collect MakerSpace passes as students arrive, supervise the students making (the younger ones may need a little more hands on help), call time to clean up, make sure the STUDENTS clean up what they took out, sort passes into teachers boxes on the way out. That's it!

Thank you to those who have signed up so far.

To sign up to be a lunchtime volunteer, please click on the [Sign Up Genius link](https://m.signupgenius.com/#!/showSignUp/4090b45aaad22a5ff2-lunch) below.

THIS WEEK IN THE SCIENCE LAB

Fourth graders learned about topographic maps. They made a three dimensional model and their own topographic map of Mt. Shasta.

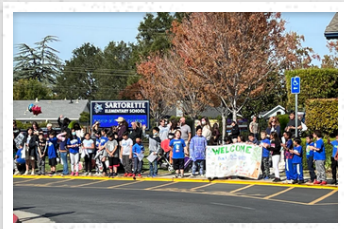

ADORABLE ANNUAL PUMPKIN PARADE

Thanks to Mrs. Colon's K/1 and Mrs. Peckham's kindergarten classes, the cutest pumpkins in town were parading around Sartorette to the delight of parents, staff, and the student body.
