Oct. 25-28th: 5th Grade Science Camp (Camp Campbell)

Oct. 26th: Crumbl School Fundraiser 3-6:00pm (See flyer below)

Oct. 27th: MakerSpace Ship @ Sartorette

Nov. 8th: Picture Retakes

MESSAGE FROM THE PRINCIPAL

Monster Bash is TODAY!

I hope you and your family join us for TODAY'S Monster Bash. The return of this much beloved fun-filled event for all ages is a celebration for all of us. *Thank you, HSC, for making this event possible.*

5th Science Camp Next Week

Fifth graders are off to Science Camp at Camp Campbell next Tuesday through Friday, Oct. 25th-28th, to benefit from indoor and outdoor learning with their classroom families. *Thank you, HSC, for making this event possible.*

MakerSpace Ship Coming to Sartorette

The San Jose Library's MakerSpace Ship will "land" at Sartorette Oct 27th and Nov 3rd for students to learn about structural engineering. *Thank you, HSC, for making this event possible.*

Teacher Leaders

We are very fortunate to have a team of extraordinary teachers who go above and beyond to enhance instructional practices. Some of their duties require them to attend and lead trainings that take them out of the classroom to allow Sartorette colleagues to benefit from their work. While teachers do not like to be away from their classrooms, time with co-workers is essential to the professional development of our entire educational team and their ability to bring out the best in students.

All the best,
Debbie Stein

SARTORETTE STUDENTS OF THE WEEK

SARTORETTE STANDARDS! SUPERSTARS ARE:

- SAFE
- RESPONSIBLE
- RESPECTFUL

Each week students are recognized for positive citizenship.

For Exemplifying Sartorette's Life Skills:

For Exemplifying Sartorette's PBIS Focus Area of the Week:

No Assembly on Friday, Oct. 21st.

Assembly returns Friday, Oct. 28th

MAKERSPACE

This week in the MakerSpace students worked in a rotation. One group was working on a collaborative weaving project which will be hung in the MakerSpace. The other groups had free making time.

Friday, October 21 was our first Lunchtime MakerSpace. We will continue to be open on Fridays and Mondays as long as we have volunteers. If you are free from 11:20-1:15 on Fridays or Mondays please consider volunteering. Your job is simple: collect MS passes as students arrive, supervise the students making (the younger ones may need a little more hands on help), call time to clean up, make sure the STUDENTS clean up what they took out, sort passes into teachers boxes on the way out. That's it! Parent volunteer Amanda Nieves is helping me organize the Lunchtime volunteers. Thank you to those of you who have signed up so far. Chrisy Teil, MakerSpace Coordinator

To sign up to be a lunchtime volunteer, please click on the Sign Up Genius link below.

<https://m.signupgenius.com/#/showSignUp/4090b45aaad22a5ff2-lunch>

Our Superstar students THANK YOU IN ADVANCE for volunteering!!

Chrisy Teil, MakerSpace Coordinator

LUNCHTIME MAKERSPACE STARTED THIS WEEK

Students can choose to spend their Friday lunch recess in the MakerSpace for free-making, like making a replica of a real pumpkin.

FIRST GRADERS HAD AN ADVENTURE AT HAPPY HOLLOW

THIS WEEK IN THE SCIENCE LAB

Fourth graders learned how fossils form in sedimentary rocks. Fifth graders learned how the sun's position in the sky changes as the earth rotates by observing their shadows.

LOVE ON A LEASH RETURNED

Therapy Dog Shiloh was back again this week to visit upper grade superstars. We appreciated her fluffy soft and sweet companionship.

UPCOMING SCHOOL FUNDRAISER FLYERS

SCHOOL FUNDRAISER

Sartorette Elementary School

Wednesday, October 26
3pm-6pm

THE UPSTANDERS

Dear Cambrian Families,

This year we are pleased to share that we have access to three films created to support our students' social emotional well being and the challenges they face.

- [*The Upstanders*](#)

The Upstanders teaches about the power of connection and resilience to end bullying behavior, both online and in person.

- [*LIKE*](#)

LIKE explores the addictiveness of social media and the role and impact of technology in our lives.

- [*Angst*](#)

Angst raises awareness and opens up the conversation about anxiety, helping people understand and manage their symptoms and learn when and how to ask for help.

We will be providing either live or virtual access to each of these films during the school year.

The first film we would like to share is *The Upstanders*. *The Upstanders* teaches about the power of connection and resilience to end bullying behavior, both online and in person. The *Upstanders* is recommended for ages 10 and above.

We are pleased to provide home access to our families. Although the film is intended for ages 10 and up, parents of younger students will benefit from watching the film because it will help build awareness of the issue of bullying, and how to support their child to play a positive role. If you would like to view the film, please visit the *The Upstanders* viewing site at <https://bit.ly/3SNUYVY>. If you choose to watch the film with your child, here is a [Kicking Off the Conversation](#) ([Spanish](#)) document designed to provide a parent with questions to explore the content presented in the film.

If you have any problems accessing the film, please contact Matt Hill at hillm@cambriansd.com.

If you would like more information about any of the films, please see:

- [*The Upstanders*](#)
- [*LIKE*](#)
- [*Angst*](#)

Matt Hill
