E. Required Assurances

1. Select the following checkboxes to indicate your compliance with the required assurances.

- ☒ The LEA assures that although funds may be used for one-time or ongoing purposes, the LEA understands the use of the funds for ongoing purposes could result in funding deficits in future years after the funding expires on September 30, 2024. The LEA assures it makes no assumption that the state will provide replacement state funds in future years, and that this fact will be raised and explicitly discussed in a meeting of its governing board.
- ☒ The LEA assures that it engaged in meaningful consultation with stakeholders and gave the public an opportunity to provide input in the development of its plan for the uses of ARP ESSER III funds.
- ☒ The LEA assures that it specifically, engaged in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff.
- ☒ The LEA assures that it specifically, engaged in meaningful consultation with, and to the extent present in or served by the LEA tribes, civil rights organizations (including disability rights organizations).
- ☒ The LEA assures that it engaged in meaningful consultation with stakeholders representing the interests of children with disabilities, English language learners, children experiencing homelessness, children in foster care, migrant students, children who are incarcerated, and other underserved students.
- ☒ The LEA assures that its plan for the uses of ARP ESSER III funds is provided in an understandable and uniform format.
- ☒ The LEA assures, to the extent practicable, the plan is written in a language that parents can understand or, if not practicable, orally translated; and, upon request by a parent who is an individual with a disability, provided in an alternative format accessible to that parent.
- ☒ The LEA assures that the program schedules to this application, or a separate document containing all the information included in the program schedules, serving as the LEA's plan for the uses of ARP ESSER III funds will be posted to the LEA's website within 30 days of receiving its ESSER III Notice of Grant Award.

2. Briefly describe the activities selected in PS3013 questions A16, A17, B1, B2, and/or B3. A response in at least one of these PS3013 questions is required.

B2 Muenster ISD had over 97% of the 530 students on campus during the entire year. Our general student population had some learning loss because of the unusual conditions due to various mitigation strategies. Parent and community support was very positive and this reduced some of the learning loss. Our special education population did experience set backs, especially those with learning issues tied to social emotional state. To assist with their needs for the 2021-2022 school year, Muenster ISD will request ESSER funds to provide an additional special education certified teacher at the Muenster Elementary to provide for small group instruction recommended by ARD Committee members. This should help with more one on one and small group instruction, as needed to better connect with the children. The additional attention to the needs of these students with a teacher experienced in social emotional learning needs will improve the learning opportunities for these children.

3. Briefly describe the activities selected in PS3013 questions A6, A13, A15, A17, B1, B2, and/or B3. A response in at least one of these PS3013 questions is required.

A15 Muenster ISD has one counselor for our 530 students. We propose the use of ESSER funds for the purchase and implementation of the "Rhithm App" to assist our counselor with identifying students with social and/or emotional needs through the use of a short daily individual emotional needs assessment. Our counselor will be able to review results quickly through the use of the "Rhithm App". If more funding becomes available through ESSER II, we would like to hire an additional counselor for the elementary campus.

Program Description PS3014 - Program Narrative

C. Safe Return to In-Person Instruction and Continuity of Services Plan

Directions: Your plan must be made available for public comment and take any comments received into account before posting the final plan to the web site listed below. A previously developed plan may meet this compliance requirement if it meets the statutory requirements. TEA will randomly verify the plan is available at the link provided after Notice of Grant Awards (NOGAs) are issued.

1. Enter the direct web link to the LEA's web page where you post your required "Safe Return to In-Person Instruction and Continuity of Services Plan" and the PS3013 and PS3014 program schedules to this application, or a separate document containing all the information included in the program schedules, serving as the LEA's plan for the uses of ARP ESSER III funds within 30 days of receiving your ESSER III Grant NOGA. These plans must be reviewed at least every 6 months and updated as appropriate.

D. Prevention and Mitigation Strategies Consistent with Centers for Disease Control and Prevention (CDC)

1. Briefly describe the activities selected in PS3013 questions A5, A8, A9, B5, B6, B7, B8, and/or B9. If none of these activities were selected, enter "No prevention and mitigation strategies funded."

A9, B5, B6, B7 The Muenster ISD purchased PPE and experienced additional costs associated with cleaning and sanitizing our buildings. Muenster ISD required the wearing of masks and/or shields by all students and faculty. We purchased sanitizing wands for our buses and classrooms. We purchased air purifiers for our primary children because they had a difficult time of keeping their masks in place. The MISD also provided touchless water coolers to both campuses and our athletic department. During the summer of 2020, the Muenster School Board contracted with Gexa Energy to replace the 20+ year old HVAC system at the Muenster High School (Contract signed on August 11, 2020). They made fresh air available, as well. We propose that ESSER funds be used for the cost of bringing in the fresh air which is about 10% of the total project cost. We believe, that because of these mitigation measures, we did not have to shut down a campus the entire 2020-2021 school year. Most of our neighbor districts were faced with closures. To assist our secondary students (especially those who chose remote learning), we propose the use ESSER funds to purchase smart boards for all high school classrooms. This will provide easy access to materials and teacher presentations and a new and different way to look at information and assignments. This will be especially helpful for our special needs students.
