“

*At Waunakee Intermediate School we pursue excellence in academics and character. We honor and appreciate ourselves and each other by being respectful, responsible, resourceful, honest, kind, and fair. We give our best inside and outside of the classroom. #### 2023-2024 Building Goals

- In order to improve student literacy skills, teacher teams will utilize student achievement data, with a focus on summarizing texts, to differentiate instruction within each unit so that 83% of our students demonstrate proficiency on classroom summative assessments at the end of each unit.
- In order to become more independent and engaged learners, all students will participate in goal setting and self-reflection activities throughout the school year to promote growth in self-management as measured by a student and staff self-reflection rubric.
