### **DRESS AND PERSONAL GROOMING**

The Board of Education believes that no mode of attire will be considered proper for school wear that distracts from or disrupts classroom and school decorum. Employees shall dress as professionals on a daily basis, in business-like attire in order to set a good example for students, co-employees, and the public. Employee dress and grooming shall not detract from the learning/educational environment of students in their classes, school programs or other school related activities

### **DRESS CODE FOR CUSTODIAL & MAINTENANCE**

The Goldendale School District shall project an image that emphasizes the professional services provided to students, staff and the community. It is desirable that these employees be distinguishable from other individuals, authorized or unauthorized, who are located on school grounds, as a safety issue. As such, a uniform look is required, sets, and supports a significant safety standard. Therefore, all employees in the Custodial, Maintenance and Technology Department shall be required to wear a uniform shirt tucked in with the Goldendale School District logo that will be provided by the District. These employees may wear work type and/or denim pants. In addition, the employee must wear appropriate footwear. The maintenance and custodial staff may wear caps when appropriate. Goldendale School District Food Service employees shall project a professional image and comply with all Department of Health regulations. Food Service employees are required to follow the guidelines, including hair net, shoe and apron specifications related to safety or health issues.
