September 2023

Wednesday 9/27/2023	10:00am - 12:00pm	Let's Talk AAC: An Introduction WEBINAR https://taskca.org/evrplus_registration/?action=evrplusegister&event_id=1219	In this webinar, we will introduce low, mid and high tech Augmentative Alternative Communication devices and varied options. Participants will leave with a thorough understanding of what AAC is, where to obtain it, and who may benefit. Handout includes a list of AAC helpful resources.
Wednesday 9/27/2023	6:00pm- 7:00pm	Restorative Connection Online Support Group https://taskca.org/evrplus_registration/?action=evrplusegister&event_id=1288	Restorative Connection is an online psycho-educational therapeutic support group for parents and caregivers of children with disabilities. A place to connect, converse, and share with your peers who are on a similar journey. Participants can engage or be present to receive guidance and support. Together we will address some of our most challenging and sensitive topics. Restorative Connection is designed to restore hope, determination and stability during uncertainty. This session is intended for parents or guardians ONLY. If you are a professional, we encourage you to refer to the Calendar page on our website for other, more suitable training opportunities. We appreciate your help in making this a safe space for parents to speak candidly. All conversations in this group are confidential and will NOT be recorded. Restorative Connection is led by a mental health professional.
Thursday 9/28/2023	6:00pm- 8:00pm	Navigating Early Intervention and Special Education https://taskca.org/evrplus_registration/?action=evrplusegister&event_id=1262	Do the IFSP and IEP processes seem overwhelming and confusing? Join us to learn about Early Intervention and Special Education, the terminology that is used during meetings and in IFSP/IEP documents, and tips to help you successfully navigate each system.
