Our High School Placement Process:

- Our high school counseling program prepares students and families for all aspects of their admission journey – from inquiry, research, and campus visits, to interview preparation and application/essay writing.
- High school counseling begins during the spring of 7th grade and continues through graduation.
- SF Day supports families in a variety of ways, encouraging all students and their families to keep an open mind about what “best match” means to them.
- SF Day is highly regarded amongst Bay Area high schools and beyond. Our students represent themselves and our community with pride and confidence during their admissions process and their placement is proof of our success. Once on campus, SF Day alumni impact kids at their new high schools.
