EXCITING OPPORTUNITIES AWAIT AT ISAAC MIDDLE SCHOOL FOR THE 2023-2024 SCHOOL

New London, CT: The hallways of ISAAC Middle School are buzzing with excitement as the 2023-2024 school year kicks into high gear. This year promises an array of enriching experiences, with an impressive lineup of clubs and athletic offerings that are sure to ignite the passions of our young scholars.

One of the highlights of this school year is the diverse range of clubs designed to cater to every student's interests and talents. From the Marine Science Academy for budding scientists to the thrill of the Gaming Club, the Culinary Club's culinary adventures, and the MathCounts Club's mathematical challenges, there's something for everyone. For those who love to move, the Dance/Cheer Club and the Theater Club offer opportunities to express creativity through movement and drama. Meanwhile, the Advanced Art Club provides a canvas for artistic expression and exploration.

If you have a passion for sports, ISAAC Middle School has you covered! This year, we're thrilled to announce the launch of our first-ever boys' and girls' soccer teams, adding to the excitement of our existing athletic offerings. From soccer and basketball to cross country and volleyball, ISAAC is the place to be for aspiring athletes. The dedication and teamwork of our students in these sports are truly remarkable.

While the anticipation is building, it's important to note that athletics have already begun, with students lacing up their sneakers and cleats. As for the clubs, they are set to commence on **October 2nd**. **Please keep in mind that pickup time for all clubs is promptly at 5 pm**, ensuring our students' safety and a smooth transition from school to home.

Participation in these clubs and athletic programs is not only a chance for our students to explore their passions but also vital to securing grant funding that supports these offerings. ISAAC Middle School maintains a strict attendance policy for participants, emphasizing the importance of consistent attendance for the success of these programs. For more information about ISAAC Middle School's after-school offerings, including detailed club descriptions, schedules, and policies, please visit <https://www.isaacschool.org/dragon-life/after-school-program>.

The 2023-2024 school year at ISAAC Middle School promises to be a year of growth, learning, and fun. With an impressive lineup of clubs and an expanding athletic program, our students have the opportunity to explore, excel, and succeed. Don't miss out on this exciting journey of discovery and achievement!

STAFF SPOTLIGHT: MR. FERGUSON

What do you enjoy most about ISAAC?

The thing I enjoy most about ISAAC is the uniqueness of the students and the positive environment.

What made you become a teacher?

I became a teacher because every day is different and I wanted to be the teacher that I needed when I was a student.

What are some of the things you enjoy doing outside of school?

I enjoy jet skiing, all things soccer and spending time with my puppy.

Principal's Notes:

Hello ISAAC Families,

I hope this message finds you well. I wanted to send a quick reminder about important upcoming dates:

PowerSchool Check: Please take a moment to check PowerSchool for your child's academic progress. The first quarter ends on October 25th, and staying informed about their performance is crucial for their success.

After School Programming: We are excited to announce that our After School programming will commence on October 2nd. This offers an excellent opportunity for your child to explore new interests and engage in enriching activities outside of regular school hours.

Your active involvement and support play a significant role in your child's educational journey, and we appreciate your partnership in ensuring their success.

Go Dragons!
