Student Essay

Write a 250–500-word essay that responds to **one** of the following prompts:

1. Father Paul Kidner, O.S.B., showed a continued commitment to Saint Louis Priory School and its students for more than 50 years of teaching and coaching. In what ways have you demonstrated a commitment to a cause, a class, or an activity? How has that commitment formed you into the young man you are today?

2. Priory's mission is "to help talented and motivated young men develop their full potential as children of God." What is your full potential as a child of God? How do you think that Priory will help you achieve your full potential?

St. Benedict Scholarship recipients will be selected based on application materials and essay responses.

Students selected to move forward in the Kidner Scholarship process will be asked to complete an on-campus interview.
