Dear Parent/Guardian:

Under the Title VII of the Elementary and Secondary Education Act, the New Braunfels Independent School District (NBISD) is eligible to apply for Federal Impact Aid funds. NBISD is entitled to these funds based on the district's enrollment of students whose parents are federally connected such as Active Duty in the Uniformed Military Services, or Civilians employed on Federal Property. NBISD anticipates receiving unrestricted funds that will become part of the district's general operating budget and is critical in maintaining our high standards for educational excellence.

In order for NBISD to apply for funds we have to be able to show record of our claim. Please review and complete the form carefully. This form has been revised in an attempt to make the form easier to understand and to include additional information required by the United States Department of Education. It is essential that all people that are federally connected complete this survey. However, a survey must be completed **for every child that attends a school in NBISD and will remain confidential.**

For more information on the program, visit the U.S. Department of Education's website <https://oese.ed.gov/offices/office-of-formula-grants/impact-aid-program/>

If you have any questions regarding this survey, please call the Federal Programs Department at 830-643-5744. Please return this form to your school by Thursday, November 9, 2023 Thank you for your cooperation.

Sincerely,
Tera Thompson
Director of Federal Programs
