STUDENT APPEARANCE

In addition to the uniform, it is expected that students will present themselves as neat in appearance and take pride in representing SJI International and our community.

HAIR, NAILS AND MAKEUP

Hair should be moderate in style, clean, neat and off the face with no patterns or shaved sides (for boys and girls).

Hair dye is discouraged. If students dye their hair, it should not be noticeably two tone or unnatural in colour.

Boys must be clean-shaven except for reasons of religious observance, validated by the appropriate religious authority.

Finger nails must be clean, trimmed short and without nail varnish.

NON-UNIFORM DAYS

Non-uniform days as charitable events, happen 4 times a year (twice a term). Students must pay a fee to participate. Clothing must be moderate and conservative to the eye - students who wear inappropriate clothing will be sent home to change.

Other non-uniform days when students are encouraged to wear alternative clothing without charge (e.g. on National Day), are held periodically according to the school calendar.

Students must observe the expected etiquette with regards to clothing or will be sent home to change.

UNIFORM TRANSITION

As SJI International introduces a new uniform for 2023, we would remind families of the following:

All new students, joining from January 2023 onwards, must wear the new style uniform.

Current students can continue to wear the existing uniform, provided it is still appropriate and follows the uniform guidelines detailed in this policy.

We recommend that all uniform items are clearly labelled to ensure any misplaced uniform can be easily returned.

ACCESSORIES AND JEWELLERY

- Belts, if worn, must be plain black with a simple buckle.*
- Discreet items of religious significance may be permitted upon request to the Head of Grade.*
- Hats are not permitted to be worn inside school buildings, but should be worn as protection from the sun during outdoor activities. Students are responsible for deciding when it is appropriate to wear a hat or apply sun block for protection.*
- No piercings other than one small stud/sleeper in each earlobe for girls. Students who have other piercings are not allowed to wear clear sleepers or other jewellery in them during school / school events.*
- Bracelets, rings and/or necklaces are not permitted.*
