**Do you require an electrical outlet? \_\_\_\_yes**  
(Bring a short extension cord)

- Project size shall not exceed 2 ft. front to back, 3 ft. side to side, and 6 ft. top to bottom.
- All containers of liquids must be protected against leakage and spillage to the maximum extent possible.
- Hazardous materials, such as bacteria, unsealed Petri dishes, open flames, or dangerous chemicals may not be exhibited. (Photos or illustrations are recommended instead.)
- Valuable items or equipment should **not** be left unattended at the science fair, as the displays are not monitored.
- I will not show a live or dead vertebrate animal, and my exhibit will not be hazardous to people or the environment

I have read the guidelines for the Interior Alaska Science Fair and will comply with them. I will ensure that my project is set up at the Pioneer Park Civic Center on Wednesday between 2 and 7 p.m. and is removed on Saturday between 10 and 2 p.m. The science fair staff is not responsible for the project after 2 p.m. on the final exhibit day.
