

VOLUNTEER HOURS CONTRACT

We believe in the benefit of establishing a strong, collaborative culture between our school's staff and our students' families. Parents, guardians, and family members are strongly encouraged to be actively engaged in their child's education! There are MANY ways families can be involved and we have needs that will fit all kinds of skills and preferences. Some of these opportunities involve working with students directly, while other projects or repairs can be completed outside of school.

Families are expected to invest a minimum of 10 volunteer hours per semester, this is per family not per student.

Families can watch for volunteer opportunities to arise throughout the year through our volunteer tracking app.

Start Here:

Create an account online (only one account needed per family):
