2022-23 Approved Budget Executive Summary

July 15, 2022

Enclosed within is the Fairbanks North Star Borough School District's FY23 Approved Budget for the district's Operating Fund and all Special Revenue Funds, totaling **\$238,196,033**.

The FY23 Approved Budget establishes a spending plan that addresses the substantial budget challenges the district is facing, but also supports the district's strategic plan and the community's commitment to successful student learning.

The FY23 Approved Budget includes appropriations for all funds requiring annual budgets. It represents an increase in both revenues and expenditures in all funds of \$3,797,802, or 1.6%, compared to the FY22 Approved Budget. When removing increased CARES funding from the equation, the FY23 budget decreased by \$8,309,892 compared to the prior year. Overall, the district began the FY23 budget process facing a \$19 million budget deficit in the Operating Fund.

Fund Name	2022-23 Approved	2021-22 Approved - Revised	Over(Under)

OPERATING FUND OVERVIEW

This budget represents an operating spending plan that is based on a slight decrease in projected enrollment, as well as a decrease in both state funding and Federal Impact Aid. The FY23 local contribution appropriated by the Borough Assembly was increased by \$2,650,000 compared to FY22. While fund balance utilization has been eliminated, the FY23 overall spending plan relies heavily on one-time CARES funds provided by the federal government. Additional future reductions will need to be made as these funds are exhausted by the district.

The FY23 Operating Fund Approved Revenue totals \$183,747,239, a decrease of \$7,431,414 or 4.0%, compared to FY22. The table below summarizes estimated changes to Operating Fund revenues:

Operating Fund	2022-23 Approved	2021-22 Approved - Revised	Over(Under)
Local Revenues Total	\$ 53,272,400	\$ 50,602,400	\$ 2,670,000
State Revenues Total	\$ 115,720,280	\$ 123,634,487	\$ (7,914,207)
Federal Revenues Total	\$ 14,754,560	\$ 16,921,766	\$ (2,167,206)
Other Financing Sources Total	\$ -	\$ -	\$ -
Operating Fund Revenues	\$ 183,747,240	\$ 191,158,653	\$ (7,411,413)

REVENUE OUTLOOK

District Operating Fund funding sources are comprised of local, state, and federal revenues.

Local Revenue

Estimated local revenue from all sources in FY23 totals \$53,272,400. This amount includes an increase in the local contribution of \$2,650,000, or 5.4%, as compared to the prior year. Other local revenue sources remain unchanged from the previous year.

State Revenue

State revenue has been reduced significantly over the past three years due to student enrollment declines related to the effects of the global pandemic. The district is projecting a student enrollment of 12,191 for FY23, which is a decline of 76 students compared to actual FY22 enrollment. Approximately \$5 million in one-time supplemental funding approved by the legislature for FY23, as well as a \$30 increase to the BSA included in the READS Act, will provide some financial relief. Estimated state revenue in the FY23 Approved Budget totals \$115,720,280, a decrease of \$7,914,207, or 6.4%, compared to FY22. As of the publication of this budget, the Governor had not yet signed the FY23 state budget, however it is anticipated that he will do so.

FY23 Operating Fund - Revenues

Federal Revenue

Estimated federal revenue in the FY23 Approved Budget totals \$14,754,560, a decrease of \$2,167,206. Federal revenues are comprised primarily of Title VIII Federal Impact Aid. Impact Aid revenue is based on the number of federally-connected children in the district and a number of funding formula variables. Annual receipts of Impact Aid are highly unpredictable in both amount and timing. Similar to state funding, Federal Impact Aid is declining significantly due to reduced student enrollment, with estimates dropping over \$4 million in the last three years. It is important to note that the state reduces foundation funding by roughly one-half the value of expected Impact Aid funding. Therefore, only about one-half of the value of Impact Aid funding is a true net funding source to the district.

The district also receives federal funding to partially offset staffing costs of JROTC programs. In FY23, the district again anticipates receipts totaling approximately \$300,000 to support these programs. These receipts fund approximately 26% of the JROTC program costs.

Other Financing Sources

The use of fund balance as a source of income for the Operating Fund has again been eliminated in the FY23 Approved Budget. Some reductions were made to account for this, however, much of the loss of revenue has been offset with pandemic-related relief funds provided by the federal government (CARES). These one-time funds provide the temporary ability to continue to provide many important components of the district's educational programs. As these funds are exhausted, the district will need to make additional reductions. The amount of those reductions will largely depend on how close student enrollment rebounds over the next two years to pre-pandemic levels. The district estimates that approximately \$15 million in CARES funds will be available for FY23. With an anticipated \$12 million in CARES funds being dedicated to various staffing and departmental needs in the FY23 budget, it is anticipated that there will be approximately \$3 million remaining for allocation in the FY24 budget.

The Board of Education understands the importance of establishing a sustainable fiscal plan to weather turbulent funding. The Board of Education further recognizes that maintaining a responsible fund balance is essential for the preservation of the financial integrity of the District. As a result, the Board of Education adopted an Operations Fund

Balance policy in April 2017 which provides additional guidance through the budget process. The resultant fund balance becomes the stabilization funds available to the Board of Education to address emergencies, unanticipated economic downturns, and one-time opportunities. They provide flexibility to respond to unexpected challenges or opportunities that may help the district achieve its clear strategic goals.

EXPENDITURE OUTLOOK

The goal of the administration in this budget is to provide the same or increased level of services for students as existed in the prior year. Administration is guided by the strategic plan adopted by the Board of Education. Review of programs and support services occurs regularly. There continue to be reclassifications of job descriptions to address pile-on effects caused by ongoing personnel reductions. A maintenance level of services budget starts with the previous year's budget with subsequent adjustments to staffing and other costs based on projected changes in enrollments, benefit costs, negotiated agreements, and other inflationary changes to existing, desired or mandated programs.

Over 85% of the district's operating budget is allocated directly to personnel costs. Negotiated wages and health benefit costs make up the vast majority of the district's operating fund costs. The FY23 Approved Budget includes step movement for all eligible employees based on negotiated collective bargaining agreements. Increasing labor costs, combined with static or declining revenue sources at the state and federal levels, will continue to put pressure on operating budgets and fund balance levels going forward.

The Fairbanks North Star Borough School District has a history of providing a strong and comprehensive educational program to our students. The district is committed to responsible management of public resources and in providing students with a quality, 21st Century education. The Approved Budget once again considers the Board's priority of maintaining class size and as well as adding services in schools where additional supports are required to maintain the integrity of existing programs.

Below is a summary of the FY23 Approved Operating Fund Expenditure Budget categorized by function as noted in the Alaska State Department of Education and Early Development state chart of accounts:

The district expects the current challenging economic and financial landscape to persist in the near term with both state and local governments continuing to struggle to balance their budgets. The district faces continued inflationary pressures on personnel and other costs, combined with a decreasing long-term enrollment trend.

Budget Process

The district has embodied the budget process supported by the National Advisory Council on State and Local Budgeting wherein budget development is “a long-term perspective and not simply an exercise in balancing revenues and expenditures one year at a time”. To that end, in addition to maintaining a clear fund balance policy, the Board of Education also utilizes a budget committee comprised of various stakeholders whose role it is to:

- Review and consider all aspects of the district’s budgeting process.
- Determine if the current budgeting process is a goal-driven approach that spans the planning, development, adoption, and execution phases of the district’s strategic plan.
- Consider the district’s current budgeting process and make recommendations for the establishment of policies and plans to achieve efficiency and best practice in financial management.
- Ensure that the budget planning process is timely, accurate, participatory, and comprehensive.

The Budget Committee met three times during the months of September and October 2021 and discussed the overall financial position of the district. The group held in-depth conversations about the district’s revenue sources and expenditures. As a part of reviewing the expenditure side of the budget, the committee received several in-depth reports from directors of various departments within the district.

The following feedback was approved by the Budget Committee for communication to the Board of Education:

1. Student Success:

- **Competency Based Learning** – The district should ensure that students are acquiring the knowledge and skills that are deemed essential to success in school, higher education, careers, and adult life. The pandemic has created significant challenges to this work, and the committee urges the district to utilize CARES funding as one tool to address these challenges.
- **Instructional Excellence** – Student success is most likely to be achieved through highly effective educators. The district should continue to invest in professional development that engages educators in a cycle of reflection and continuous improvement.

- **Career Technical Education (CTE)** – The district should continue to leverage existing community partnerships and seek additional ones that would effectively prepare students to enter the workforce. CTE partnerships and investments by the district benefit both students and industries that have a difficult time filling high demand positions.
 - **Social Emotional Learning** - Students face an ever increasing amount of external and internal social pressures and obstacles that inhibit and/or prevent academic achievement in the classroom. These challenges are magnified and are faced by a higher number of students than before due to the pandemic. The district should preserve programs that promote and focus on meeting the social and emotional needs of students and staff.
- 2. Workforce & Organizational Excellence/Staff:** The district's most valuable resource is its staff. Attracting and retaining a highly effective staff is the single most effective way to increase student success and to effectively implement the strategic plan. Given the challenging hiring environment, the district should preserve or expand its recruiting efforts. Additionally, the committee encourages the district to consider demographic shifts and look at new ways to retain its staff.
- 3. Workforce & Organizational Excellence/Facilities:** The committee recommends the district consider school closures as a way to consolidate operations in light of significant enrollment declines. Districtwide capacity is currently at 65% with several schools below 60%. This equates to over 5500 empty seats across the school district. While it's possible enrollments will rebound in the future, building capacities have persisted at low levels for many years. There are significant fixed costs associated with maintaining school buildings which include administration, routine and long-term major maintenance, and utility costs, among others. Staffing vacancies have created gaps in services available to students as the district maintains the same number of physical buildings with significantly reduced enrollment. By reducing the number of buildings in operation, economies of scales will be gained, efficiencies will increase, and students will be better served.

Additional priorities identified by committee members that contribute to student success, especially during the pandemic, were **Effective Communication (3.1)** and **Family Engagement (3.2)**.

Ongoing Commitment

As stewards of nearly \$240 million public dollars whose responsibility it is to ensure a high quality education for the borough's 12,000+ students the Board of Education takes seriously its responsibility as expressed in the district's mission statement: "Our mission is to provide an excellent, equitable education in a safe, supportive environment so all students will succeed and contribute to a diverse and changing society".

The FY23 Approved Budget reflects the Fairbanks North Star Borough School District's commitment to the effective use of resources and fiscal responsibility. It is also a goal driven, long-term approach to providing all students with a personalized education. It is our best effort to accurately anticipate or request funding resources and to work within that level to provide a comprehensive and sustainable level of service for our students and community.

Budget Preparation

The objective of the district's budget process is to develop a budget that is "a long-term perspective and not simply an exercise in balancing revenues and expenditures one year at a time" (*National Advisory Council on State and Local Budgeting*).

The strategic plan is the guiding document for resource allocation. In addition to its directives, the following objectives are also prioritized:

- Student welfare and success
- Evidence-based budget recommendations (data-driven, realistic, and feasible)
- Transparent, timely and objective budget system
- Participation and awareness from district stakeholders

BUDGET COMMITTEE

The Budget Committee is charged with ensuring that the budget development process is a goal-driven approach which includes the planning, development, adoption, and execution phases of the district's strategic plan. The committee reviews the district's current budgeting process and provides input for the establishment of policies and plans to achieve efficiency and best practice in financial management.

FUND BALANCE POLICY

The Board of Education recognizes that maintaining a responsible fund balance is essential for the preservation of the financial integrity of the district. As a result, in 2017 the Board of Education adopted Policy 412: Fiscal Management Philosophy-Fund Balance, which states the following:

The district will strive to maintain the Government Finance Officers Association (GFOA) recommended unrestricted fund balance in the general fund of at least two months (16.67 percent) of operating expenditures. However, this amount may not be greater than the amount allowed by Alaska law. The district may have general fund unrestricted fund balance below the GFOA recommendation of 16.67 percent but shall strive to maintain between 2 to 4 percentage points below the maximum percentage point allowed under state law.

Unreserved operating fund Fund Balance currently stands at \$0.

2021-22 Approved-Revised Budget Summary

FY 2021-22 General Fund Revenue

TOTAL GENERAL FUND REVENUE: \$191,158,653

FY 2021-22 General Fund Expenditures

FY 2021-22 General Fund Expenditures by Type

The 2021-22 approved-revised budget reflected a decrease in expenditures of more than \$21 million due to student enrollment declines. State revenue decreased approximately \$10.5 million (down 8.5% from previous year) and revenue from the Fairbanks North Star Borough increased \$400,000 to approximately \$49.5 million. FY22 was the second year of the Hold Harmless clause, which restored 50% of state foundation funding that was lost due to the student enrollment decline in FY21. Projected federal revenue declined by approximately \$2.2 million.

In order to cover significantly rising labor and benefit costs, amid a severe loss in revenue, the district was required to make substantial cuts to programs and staffing. Districtwide, 226 positions were eliminated in areas such as custodial and maintenance, activities, art, music, special education, ELL, among others. Many of these positions were temporarily restored using federal CARES act funding. Additionally, pupil to teacher ratios (PTR) were increased across all grade levels. The prior-year, lower PTRs were also temporarily maintained using CARES funds.

2022-23 Approved Budget Highlights

Revenue

The Fairbanks North Star Borough School District is primarily funded through the State of Alaska Foundation Funding Formula and local property taxes, with additional Federal revenues coming from Federal Impact Aid (FIA). FIA is a program to offset lost local tax revenue for students living on Fort Wainwright or Eielson Air Force Base, and other federally connected students. Reimbursements for JROTC instructors and Medicaid are also included in Federal Revenue. Other local revenues, beyond property taxes, include user fees and facility rentals, as well as p-card and utility rebates.

The district will benefit from between \$5.5 to \$6.0 million in additional state funding through a small increase to the BSA, as well as one-time supplemental funding approved by the legislature. However, state foundation funding will drop by approximately \$1.2 million due to a continuing decline in student enrollment and a step down of the Hold Harmless clause. FY23 will be year three of the clause, therefore the district will be held harmless for 25% of the actual revenue loss related to the student enrollment decline in FY21. Federal revenue is budgeted to be \$2.1 million less than the prior year due to lower student enrollment. Local revenue is largely dictated by the local contribution, which is appropriated by the Borough Assembly. The Assembly approved an increase of \$2.65 million to the local contribution compared to FY22, for a total amount of approximately \$52.1 million for FY23.

Expenditures

In light of the revenue cuts facing the district, significant reductions have been made to the expenditures. Given that approximately 85% of the operating fund is spent on salaries and benefits, the vast majority of the cuts are to these categories. The Board approved an addition to Fund Balance of approximately \$5.1 million in order to replenish some of these depleted funds. The benefit rate is unchanged from FY22.

2022-23 Approved Budget Summary

The goal of the FY23 Approved Budget is to provide quality services to students within the context of significantly decreased revenue. The district closed three elementary schools (Anderson Elementary, Joy Elementary, and Nordale Elementary) and moved 6th grade to middle school in an effort to lower fixed and variable operating costs and

to dedicate maximum resources to direct support and instruction of students. Additionally, new pupil-to-teacher ratios (PTR) for elementary (25:1), middle (27:1), and high schools (30:1) were approved by the Board of Education using CARES funds. A total of 47.6 full-time equivalent (FTE) positions have been cut districtwide in the Approved Budget.

Elementary Schools

Teacher allocations have been adjusted based on current school enrollment projections and the pupil-to-teacher ratio of 25:1.

Reductions

- **38.6 FTE** Teachers (enrollment decline, closures, removal of 6th grade)
- **18.0 FTE** Teaching Assistants (Kindergarten)
- **1.0 FTE** Barnette Magnet Program Secretary
- **.5 FTE** Barnette Magnet Teacher (Supplemental FTE)
- Anderson Elementary closed
- Joy Elementary closed
- Nordale Elementary closed (repurposed)
- Reduction in funding for supplies

District Profile

Fairbanks North Star Borough

Spanning a total area of 7,444 square miles in interior Alaska, the Fairbanks North Star Borough (FNSB) is in an area characterized by extreme temperature differences, with extremely cold winters and warm summers. Temperatures have been recorded as low as -62°F in mid-winter and as high as 96°F in summer.

Home to 97,738 people, as estimated by U.S. Census, the FNSB contains the communities of Fairbanks, North Pole, Ester, Fox, Salcha, and Two Rivers, as well as two military installations: Fort Wainwright and Eielson Air Force Base.

The FNSB is governed by a mayor and nine-member assembly who serve in three-year terms.

The University of Alaska Fairbanks (UAF) is the largest campus in the state's university system, and is a land grant, sea grant, and space grant institution. In 2013, the campus had 10,000 students enrolled. The UAF campus includes the Museum of the North, a major year-round visitor attraction.

School District

The first school in Fairbanks was started in 1904 with 10 students. Over 110 years later, the Fairbanks North Star Borough School District (FNSBSD) has grown to **31 schools** educating over **12,000 students**. The school district employs over **1,600 full-time equivalent employees**, including members of three unions.

Schools in the district range in size from a small, rural elementary school of fewer than 100 students, to comprehensive high schools with more than 800 students. The school district is also home to charter, magnet, and specialized schools

Elementary Schools

The district has 15 elementary schools. Each school provides a well-rounded academic program that includes general music, physical education, and art.

Many schools also offer before and after school programs, breakfast programs, and tutoring. Full-day kindergarten is available in all district elementary schools.

Middle Schools

The district has four middle schools for 6th-8th grade and one junior high. These schools offer a full academic

program including health and physical education, plus electives such as art, world languages, and music.

High Schools

The district has four traditional high schools for students in grades 9-12. The high schools offer a wide range of classes including electives, honors courses, and advanced placement classes.

Schools of Choice

The district has eight schools of choice including Fairbanks BEST Homeschool, Barnette Magnet School, and several charter schools. Hutchison High School is the state of the art career and technical high school focusing on five career clusters and is also a school of choice.

BOARD OF EDUCATION

K12NORTHSTAR.ORG/SCHOOLBOARD

The 10-person Fairbanks North Star Borough Board of Education consists of seven elected, voting members and three appointed, advisory members. Elected members serve for three-year, staggered terms. They are elected at-large and do not serve specific geographical regions within the Fairbanks North Star Borough. Advisory members include two military representatives, one from Fort Wainwright and one from Eielson Air Force Base. The third advisory member is a high school student from the Regional Student Council.

2020-25 STRATEGIC PLAN

OUR MISSION & PURPOSE

Our mission is to provide an excellent, equitable education in a safe, supportive environment so all students will succeed and contribute to a diverse and changing society.

OUR VALUES

CONDUCTIVE LEARNING

SAFE ENVIRONMENT

INNOVATION

STUDENT-CENTERED

HIGH EXPECTATIONS

INTEGRITY

RESPECT

COLLABORATION

OUR VISION FOR SUCCESSFUL STUDENTS

We envision each and every student achieving academic and life success by personalizing the learning process.

Each and Every Student

Reach every student by working with each individual, one-by-one.

Academic Success

Improve achievement for all students, close the achievement gaps, and provide accelerated learning options.

Life Success

Prepare every student to contribute to society as a competent, confident, caring and curious citizen.

Personalizing Learning

Provide flexible and adaptive options, pacing and creative support.

HOW WILL WE DO THIS?

OUR GOALS TO ACHIEVE THIS VISION

Learn how our goals from the strategic plan will impact our students.

STUDENT SUCCESS

Define competencies by grade level and content areas, allowing students to advance based upon demonstrated mastery rather than seat time.

Expand CTE pathways and access to career and technical education opportunities across the District.

Engage teachers in reflective practices in a cycle of continuous improvement.

Provide multiple ways to progress through the K-12 system based on student needs and interests.

Utilize the "Core 4" key elements to personalize learning and meet student needs.

Support the social emotional needs and character development of all students through a personalized learning model.

Ensure technology is embedded within instruction as appropriate to support learning.

EQUITY & INCLUSION

Close opportunity gaps while increasing student outcomes/achievement for all.

Create a culture of belonging and inclusion for all, where issues of intolerance are addressed through education, awareness and civic responsibility.

WORKFORCE & ORGANIZATIONAL EXCELLENCE

Attract, retain and empower excellence in our employees.

Achieve an environment that promotes social, emotional and physical safety.

Ensure facility plans to address safety, changing needs and fluctuating enrollment.

Execute efficiency and best practice in operational support and financial management for schools, students and staff.

Continue to develop capacity for staff to effectively use technology through continual training and support.

Ensure robust, reliable and relevant technology infrastructure.

COMMUNICATION & ENGAGEMENT

Enable consistent, relevant and inclusive two-way dialogue with internal and external stakeholders.

Celebrate and support the diverse ways families engage in partnering for student success.

Engage local stakeholders in contributing to student success.

The Fairbanks North Star Borough School District is an equal employment and educational opportunity institution, as well as a tobacco and nicotine-free learning and work environment.

Budget Process

Planning for the budget process begins in September with the selection of new members to the budget committee. In the fall, the committee reviews the current academic year’s approved budget and identifies key points for communication to the Board of Education. In November, administration submits enrollment projections to the Alaska Department of Education.

In December, school, department, and program leadership provide budget recommendations to the superintendent. The superintendent considers feedback from the budget committee district leadership, as well as class size targets and strategic goals and objectives to determine administrative priorities.

Through the strategic plan, the Board of Education provides guidance on district initiatives and budget priorities.

Preparation of the upcoming academic year’s proposed budget begins in December and is presented to the Board of Education by the first week of February. Once the proposed budget is presented

to the Board of Education, the public can provide feedback at regular board meetings, through email, and online through public outreach tools.

After public input, changes are made to the budget as needed and the recommended budget is presented to the Board for approval. By State of Alaska statute, the Board of Education must submit the district budget to the Fairbanks North Star Borough (FNSB) Assembly no later than May 1 for approval of the total amount. Borough ordinance has set that date as April 1.

The Assembly determines the local appropriation for education, approves the district’s bottom line budget in total, and sets the local mill levy accordingly. Funds for the support of operating schools are subject to the tax cap adopted by FNSB voters.

With a 90-day session, the legislature will typically approve a statewide budget for education by mid-April, unless they extend to special session(s). The budget is subject to veto by the governor, which can occur as late as July. If the district requests are fully funded by the Borough Assembly and the State, the budget process is nearly complete. If the

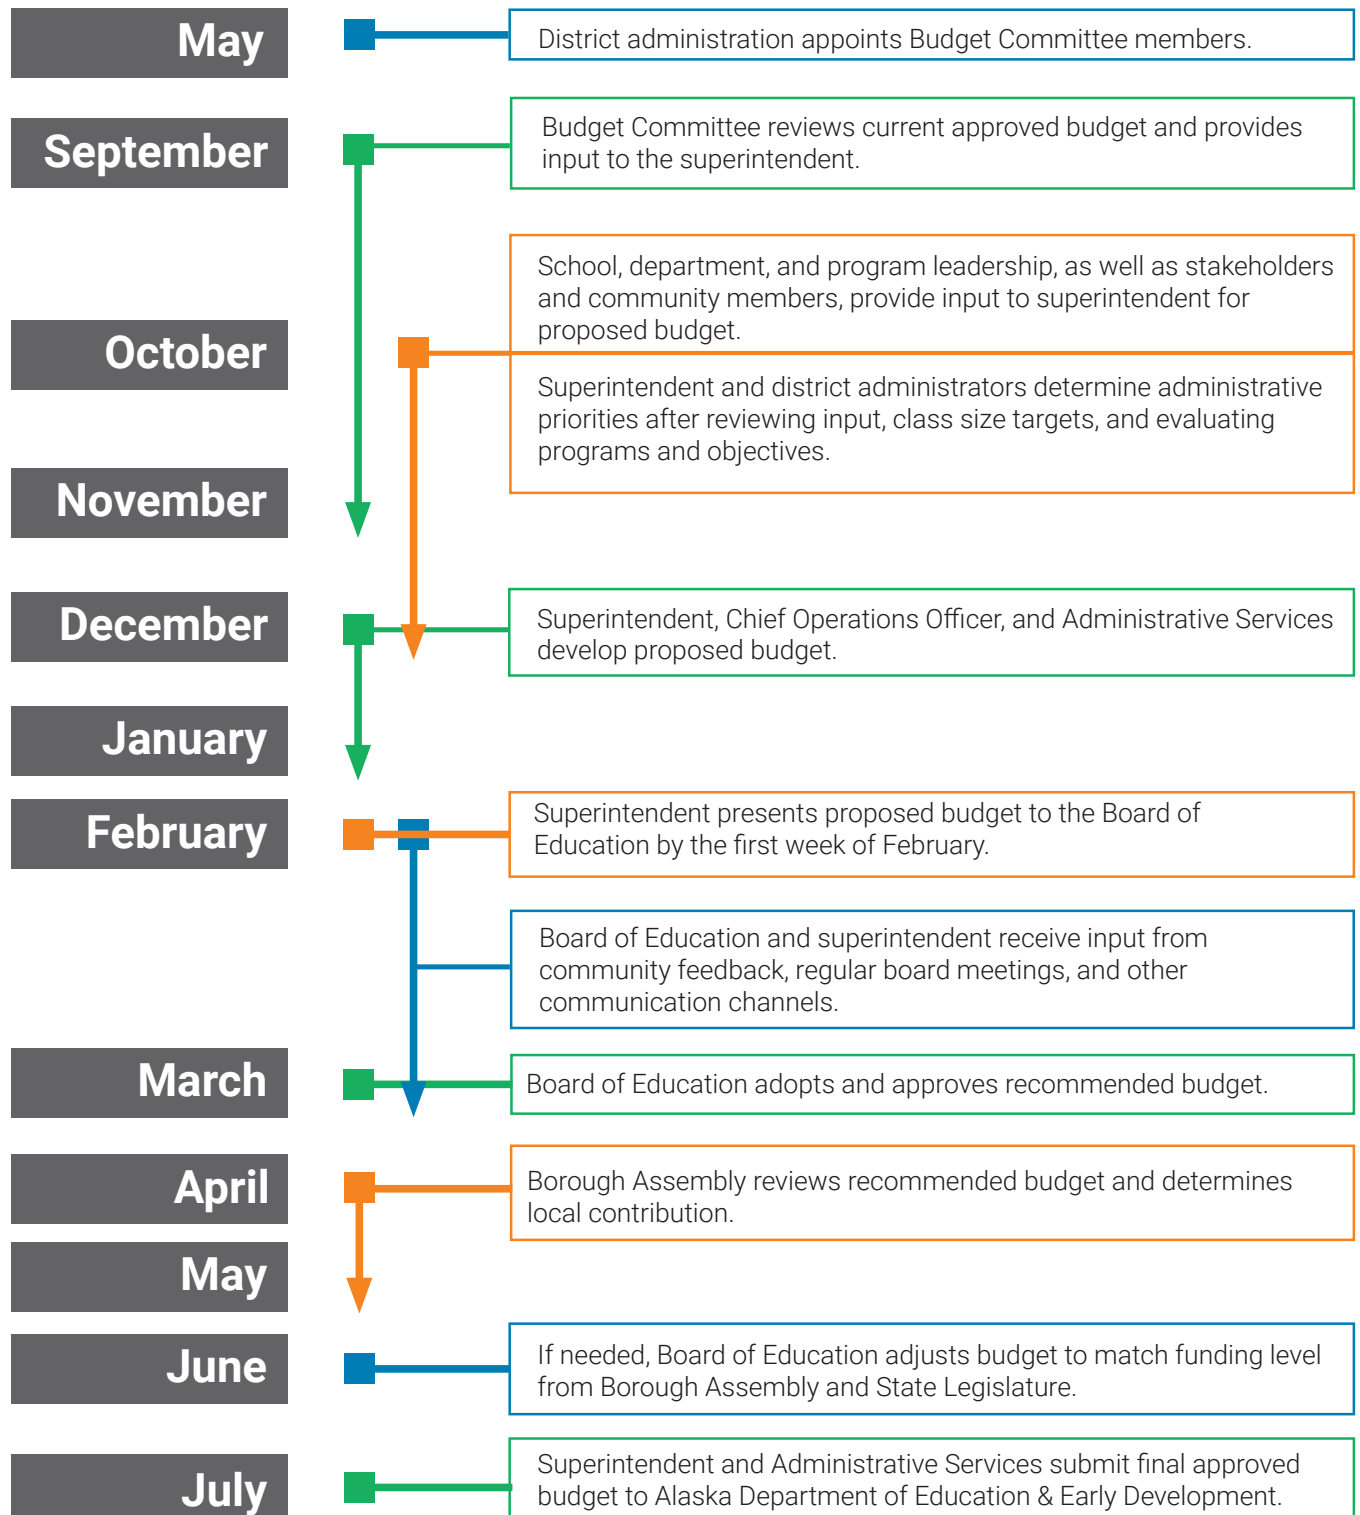

level of local or state funding has changed, the Board must determine where budget adjustments are to be made and provide an opportunity for public comment. In either case, final action on the budget is required.

When the final budget is balanced to match funding levels from the Borough and State, the budget becomes the “Approved Budget” and the spending plan of the district. The Board of Education adopts the Approved Budget by resolution.

Budget Process Timeline

State Foundation Formula & Local Contribution

Funding for the school district is based off its **Average Daily Membership (ADM)**. ADM is the average student enrollment for 20 school days, ending on the fourth Friday in October. The ADM is then adjusted by the following factors, determined by the State of Alaska, to get the **Adjusted Average Daily Membership (AADM)**.

SCHOOL SIZE FACTOR

A formula from the school size factor table is used to calculate the adjusted ADM for each school. Smaller schools will be adjusted at a greater level than larger schools.

Step 1: 12,191 (ADM) -> 13,934

CAREER & TECHNICAL EDUCATION FACTOR

Assist districts in providing career and technical education services in grades 7-12. The district's previously adjusted ADM is multiplied by the vocational and technical education factor of 1.015.

Step 4: 17,891 -> 18,159

DISTRICT COST FACTOR

Cost factors are specific to each school district and dependent on geographic location. The district's school size adjusted ADM is multiplied by the cost factor.

Step 2: 13,934 -> 14,909

INTENSIVE SERVICES COUNTS

Adjustment for students meeting qualifications and receiving specialized services. The district's intensive count is added to the previously adjusted ADM.

Step 5: 18,159 -> 23,151 (AADM)

SPECIAL NEEDS FACTOR

Includes special education, gifted/talented, and bilingual/bicultural. The previously adjusted ADM is multiplied by the special needs factor.

Step 3: 14,909 -> 17,891

Correspondence enrollment (90%) is then added and the final AADM is then multiplied by the **Base Student Allocation (BSA)**, which is set annually by the State of Alaska, to determine the district's **Basic Need Entitlement**.

23,804 (AADM, rounded) x \$5,960 (BSA) = \$141,872,561 (Basic Need Entitlement)

The **Required Local Contribution** and the **Deductible Federal Impact Aid** are then determined.

The **Required Local Contribution** equals the full and true value of taxable property multiplied by the mill rate.

$\$12,797,391,653 \times .00265 = \$33,913,088$

The **Deductible Federal Impact Aid** is: **\$7,937,531**

The **State Foundation Aid**, or the level of funding provided to the district from the State of Alaska, is determined by the Basic Need Entitlement subtracted by the Required Local Contribution and the Level of Federal Impact Aid.

Basic Need Entitlement	\$141,872,561
Required Local Contribution	\$33,913,088
Level of Federal Impact Aid	- \$7,937,531
State Foundation Aid	\$100,021,943

BOARD OF EDUCATION

K12NORTHSTAR.ORG/SCHOOLBOARD

Department Summary

The powers and duties of the Board of Education are defined by state statute. The Board of Education has developed and adopted a well-defined strategic plan which is used to guide the district's educational program and provide goals and objectives for accessing progress. The Board is responsible for adopting the district's annual budget and for exercising control over the finances of the district to ensure proper use of, and accounting for, all district funds. Additionally, the Board sets policy, determines school facility needs, and is responsible for the employment and evaluation of the superintendent/chief school administrator to carry out the day-to-day operations of the district.

Department Spotlight

Board members are elected by the community as at-large representatives representing the entire borough. The Board governs the district through setting priorities, establishing policies, and evaluating the outcomes of the district's operation.

Important Tasks

- Setting the district's strategic direction
- Employment of the superintendent/chief school administrator
- Adoption of the district's annual budget and oversight of resources
- Policymaking

Accomplishments

- Focus on goals and core values of the district's highly effective strategic plan
- Selection of Chief School Administrator
- Improved Facility Utilization & Efficiencies: closed two elementary schools, repurposed one elementary school, and moved 6th grade to middle schools
- Maintained in-person instruction through another year of COVID-19

COMMUNICATIONS, DEVELOPMENT & ENGAGEMENT

K12NORTHSTAR.ORG/CDE

Executive Director: Rebecca Hurbi

Budget: \$722,123

Employees: 5.0 FTE

Department Summary

The Communications, Development & Engagement department cultivates effective communication and engagement within the district, as well as between the district and its stakeholders.

Bright Futures Fairbanks

Bright Futures Fairbanks connects existing community resources to address the needs of children. School staff are often the first to notice when a child comes to school hungry, without winter gear or school supplies. For assistance, staff can refer to the Bright Futures Fairbanks Community Resource Guide or contact the volunteer leadership team. When children's needs are met by school mentors, volunteers, and/or partners, Bright Futures Fairbanks recognizes their efforts on social media.

Here are a few examples of how school mentors, volunteers, and partners have addressed student needs:

- Hunter Elementary donated 122 pounds of food to the Food Bank
- The Chamber of Commerce hosted Positive Picketing at Joy and Nordale Schools
- Hunter Elementary families and the Literacy Council partnered holding English classes
- Virtual Resiliency Conference III hosted by Fairbanks Wellness Coalition
- Donors purchased snowshoes for students at North Pole Elementary w/ Amazon List
- Bright Futures Fairbanks donated 15 bags of pellet stove pellets to a family in need
- Students at Midnight Sun Elementary donated 33 boxes of food to the Food Bank
- MAC Federal Credit Union donated teacher appreciation baskets to 6 schools
- Students at Ticasuk Brown donated 2,430 pairs of socks to Fairbanks Rescue Mission

Important Tasks

- Foster effective communication and collaboration within the district and with the community
- Facilitate grant acquisition and oversight and develop strategic partnerships to connect staff to supplemental resources
- Cultivate engagement within district communities to build mutually beneficial relationships to support the district's mission to provide students with an excellent and equitable education

Quick Facts

- The district and school websites consist of over 3,500 webpages that received over 2.8 million page views in the 2021-22 academic year. More than 60% of the visits are from a mobile device.
- The district sees more than 200 media mentions each year, meaning it was the topic or important element in a news story or segment.
- The Communications, Development & Engagement department regularly facilitates communication with over 17,000 parents and employees.
- Engaging with the community via social media platforms, it's possible to regularly communicate with almost 15,000 followers.

ADMINISTRATIVE SERVICES

K12NORTHSTAR.ORG/ADMIN-SERVICES

Chief Operations Officer: Andreau DeGraw

Budget: \$5.4 million

Employees: 21.8 FTE

Department Summary

Directs all business support services and financial activities of the district. Focused on responsible, sustainable resource management to provide the framework for the educational process.

Department Spotlight

The primary focus of the Administrative Services department is to establish policies and procedures that streamline processes and create efficiencies in order to maximize the amount of district resources that can be dedicated to students and the classroom.

The State of Alaska, as well as the local borough, are facing unprecedented revenue challenges. Because the district is completely reliant on funding sources from these external agencies, it is imperative that a responsible, long term financial plan be established and followed so that ample resources are consistently available to fulfill the district's educational directives.

Administrative Services is responsible for planning, directing, and coordinating supportive services of the district to allow for efficient and expedient operations. The current focus of the department is to provide an increased level of support to schools and departments to assist them in their budgeting and finance related activities. Helping them become more efficient in these areas will allow staff to dedicate more time and resources to student and classroom needs. This system creates site-based involvement in the budgeting process and will promote transparency, collaboration, and accountability.

Important Tasks

- Establish a goal-driven budgeting process with a long-term perspective.
- Develop and implement business policies and procedures to ensure efficient use of resources and compliance with internal policies as well as external regulations.
- Direct operations departments of the district to provide for infrastructure, equipment and services necessary to support the district's strategic plan goals and objectives.
- Provide oversight and collaboration to operations-related departments including: Accounting Services, Business Services, Purchasing, Facilities Management, Human Resources, Information & Technology, Nutrition Services, and Pupil Transportation.
- Manages the allocation of just under \$250,000,000 in budgeted revenue to ensure students' needs are met.
- Provided a framework for responsible financial management through adoption by the Board of Education of a fund balance policy.
- Manages the Equipment Replacement Internal Service Fund which serves as a strategic planning tool and a sustainable funding source to replace instructional tools, as well as district capital assets.
- Oversees the district Health Plan design in order to provide competitive benefits as well as manage and address rising healthcare costs.

HUMAN RESOURCES

K12NORTHSTAR.ORG/HR

Executive Director:

Ivory McDaniel-Ilgenfritz

Budget: \$2.66 million

Employees: 17.5 FTE

Department Summary

The Human Resources department manages the employment needs of the district to include recruitment, selection, placement, orientation, equal opportunity, performance management, evaluation, certifications, mandatory training, and employee benefits.

Department Spotlight

While teachers and support staff recharge over the summer, HR kicks into high gear to ensure that when students return in the fall, classrooms and buildings are fully staffed. In the summer of 2021 there were over 300 vacancies to fill, including approximately 80 teaching positions and 200+ support staff positions.

Important Tasks

- Develop and maintain policies, standards and procedures in order to ensure compliance with applicable federal and state employment laws, as well as district policies.
- Provide training, guidance, and support for supervisors in the areas of recruitment and selection, Equal Employment Opportunity (EEO), performance management, provisions of the negotiated agreements, employment laws, and other employment best practices.
- Manage employee relations and retention through onboarding, administration and maintenance of employee records, and customer service.
- Provide training to all staff regarding services, district policies and administrative regulations, procedures, benefits plan provisions, and performance expectations.
- Administer employee benefit plans and provide information and support for employees related to benefit options and maximization.

Quick Facts

- Over 1,600 applicants applied for various positions of employment with the district during the 2021-2022 fiscal year.
- 41 certificated staff were awarded internal transfers to another school or department of their choice for the 2021-2022 school year.
- 974 community members were approved to volunteer in district schools.
- 248 Family Medical Leave cases were opened during the 2021-2022 school year.
- 7,401 training certificates were received and processed by HR over the course of the 2021-2022 school year.
- 1,060 background checks were processed for both employees and volunteers.
- 196 support staff were hired to assist in various capacities around the district
- A total of 32 non-represented staff were hired during this time period, 7 of which were transfers from other positions within the district.
- 266 new substitute employees and temporary workers were hired to help cover for staff who are on leave.
- Currently the district employs approximately 828 substitute and temporary workers.
- 51 Americans with Disabilities Act ("ADA") cases were handled by HR during the 2021-2022 fiscal year
- 165 students participated in the NAACP Black History Month Essay and Coloring Contest which was sponsored and supported by HR.

FACILITIES MANAGEMENT

K12NORTHSTAR.ORG/FACILITIES

Executive Director: Jahanara Carreon

Budget: \$19.0 million

Employees: 132.5 FTE

Department Summary

The Facilities Management department ensures a safe, clean, and inviting environment to learn, work, and play.

The department ensures facilities are constructed, maintained, and operated in accordance with federal, state, and local regulations, sanitation, and fire/life/safety codes, while also reducing waste and energy costs as much as feasible.

Department Spotlight

Facilities Management staff usually work behind the scenes. Day custodians support schools during the school day and maintenance staff are usually found in the fan rooms or mechanical and electrical rooms out of sight. The custodial staff arrive as the school day is ending and prepare the buildings for the following day. The grounds department works the graveyard shift so that the snow is plowed and the lots are graveled before schools open up for the day.

Quick Facts

- Custodial and maintenance crews clean and maintain 2,436,368 square feet of building space.
- Grounds crews care for 600 acres of land.
- Building Rentals uses an online Event Management Software system to schedule and manage building rentals in a transparent manner for the community.
- Maintenance crews use web help desk software to create and manage work orders online, allowing for efficient submission and resolution of maintenance requests.
- The district fleet consists of 66 vehicles, not

Important Tasks

- Ensures district buildings are safe, clean, and ready for staff and students each day.
- Provides preventive maintenance so equipment will serve the district for the life of the building and makes repairs as needed to keep all buildings and systems running correctly.
- Ensures that the community has use of the buildings when school is not in session.
- Offers support services for other district departments such as Nutrition Services by keeping their kitchen equipment up and running and Network Services by installing the infrastructure for camera systems, wireless networks and for all of the schools in the district.
- Provide a vision into the future for building upgrades and school construction to keep pace with the needs of the community.

including two loaders, four wheelers, and mowers.

- Average daily electrical cost per school contact day is \$7,538.
- Average daily heating cost per school contact day is \$7,756.
- The oldest building in the district is Lathrop High School. It was built in 1953, added onto in 1957, then again in 1958, 1974, and 2002.
- Maintenance and custodial departments closed 7,181 work orders in the last fiscal year.

Department Summary

The Elementary and Secondary Instruction & Supervision department oversees and supports the district's elementary, secondary, and charter schools in the administration of district priorities, policies, initiative and goals. It provides leadership and administrative guidance for all school principals as well as the directors and executive directors associated with Alternative Learning Systems, Student Support Services, Nursing Services, Special Education, Career & Technical Education (CTE) and the Teaching & Learning department.

Important Tasks

- Supervises and provides leadership to school administrators and head teachers
- Assists in the implementation of the district's strategic plan
- Develop and guide the district through the accreditation process with COGNIA
- Provides oversight and direction to other departments
- Oversees and supports safety efforts
- Responds to parents, staff, community members, and school board inquiries and requests
- Provides leadership and support for the district's diversity, inclusion and equity goals, including the professional development of the Fairbanks Coalition Building Team
- Provides leadership and support for all student activities

Department Spotlight

To ensure each student achieves their highest potential, we create a student-centered environment that engages, inspires and empowers all learners based on their unique needs and strengths. Personalized learning that utilizes quality digital instruction tools allows educators to meet the needs of every student, every day.

Quick Facts

- Using the district's Centralized Application Portal or CAP, every school becomes a school of choice. Families may apply to multiple lotteries, or be added to an Out of Attendance wait list for a chosen school.
- BEST Homeschool and eLearning options, which expanded to meet the increased demand for home and digital learning options, will continue to offer choice for families, including expanded options for students in elementary and middle school.
- In the 2021-2022 school year, the district successfully engaged in an accreditation process with COGNIA and has earned Full District Accreditation Status in recognition of the district's commitment to providing quality education and engaging in a continual improvement process.

STUDENT SUPPORT SERVICES

K12NORTHSTAR.ORG/STUDENT-SUPPORT

Executive Director: Carla Marquand

Budget: General Fund - \$3.4 million
Federal Grants - \$9.4 million

Employees: General Fund - 36.4 FTE
Federal Grants - 44.35 FTE

Department Summary

Student Support Services provides leadership and supervision to programs and staff in Federal Programs and Social Emotional Learning & Prevention Services. The focus of Federal Programs is to provide equitable opportunities for education, close achievement gaps and build resilience for students through programs under the Every Student Succeeds Act. The focus of Social Emotional Learning and Prevention Services is to support positive climates by focusing on skill development and continuous improvement of resources, tools, and professional learning to help prepare every student to contribute to society as a competent, confident, caring and curious citizen.

Important Tasks

- Support improved student academic achievement
- Work to eliminate achievement gaps
- Facilitate wrap around social emotional learning (SEL) support for students
- Increase effective family engagement in student learning
- Promote and support culturally relevant and enriching experiences
- Eliminate barriers to full access to education and extra-curricular opportunities
- Increase stakeholder engagement and community partnerships to enhance department services

Quick Facts

- The federal programs team includes 21st Century Community Learning Centers, Alaska Native Education, English Language Learners, Foster Care, McKinney-Vento, Migrant Title I-A, Targeted Support for Improvement Schools, and Comprehensive Support for Improvement Schools.
- The social emotional learning & prevention team is made up of counselors, social services managers, behavior intervention aides, behavior technicians, prevention intervention specialists, and safety assistants.
- Significant grants of the social emotional learning & prevention department include Title I-D, Title IV-A, Alaska RISES and Project AWARE.
- When the Student Support Services department works in support of high risk students, they successfully reduce the dropout rate of students served by close to 50%.

Department Spotlight

Student Support Services has made significant progress shifting towards stronger evidence-based improvement plans for schools. Support for improvement includes culturally responsive schools training and extensive professional development support. As part of the school closure process in 2022, Student Support Services held special events for staff at those schools, providing emotional support and self-care opportunities.

Department Summary

The purpose of special education is to enable students with disabilities to access the general education curriculum to the greatest extent possible by providing a free appropriate public education in compliance with the Individuals with Disabilities Education Act.

Quick Facts

- Serves approximately 2,100 students ages 3-22 in a variety of programs ranging from preschool to post-secondary services.
- Special Education school teams, along with parents, conduct over 2,000 student driven meetings and almost 1,000 student evaluations per year.
- Provides professional development for both certificated and classified staff and training for parents and caregivers.
- Provides support in every district school including schools of choice, the BEST Homeschool program and to students on homebound status who cannot attend school based on their unique medical needs.
- Works closely with other community agencies to provide support for children in alternate settings including students in residential or therapeutic settings and students placed in correctional facilities.
- The Extended Learning Program serves students with characteristics of giftedness and is a function of the Special Education department.

Important Tasks

- Work collaboratively with parents, families and community agencies to develop and provide the best educational program for students with disabilities.
- Provide a range of educational and social services to individuals with disabilities between the ages of 3 - 22.
- Ensure that students with disabilities are provided an environment that allows them to be educated effectively and realize their maximum potential.
- Provide a full range of program options to meet the educational and service requirements of individuals with exceptional needs in the Least Restrictive Environment.
- Serve as child advocates along side with parents and other agencies.

Department Spotlight

The Special Education Department serves approximately 145 preschool-age students in our 12 special education preschool programs across the district. Students receive support in a small group, adult rich environment to support developmental needs in multiple areas, such as speech and language, daily living, early learning, and social skills. Approximately 71 students who need support in speech and language only receive support from our speech and language pathologists at each child's home area school as a stand alone service. Preschool-age students who need support are identified through our monthly Child Find events and through transition meetings in collaboration with our local Infant Learning Program. During FY22, 127 children were screened through Child Find and 89 transition meetings were held with the Alaska Center for Children and Adults Infant Learning Program.
