**1.5 Designation of Status of New Exempt Position**

- a. The following criteria will be used to determine if a position is exempt. A position shall be designated as exempt if any one of the following criteria is met.

Criterion 1. The position requires supervision of other employees and the employee has authority to hire, promote, discipline or terminate employees, or has substantial weight given to his/her recommendations regarding decisions to hire, promote, discipline, or terminate employees.

Criterion 2. The position requires work that is confidential because the work directly involves the formation of policies and resource allocations related to collective bargaining.

Criterion 3. The position's primary duty requires work that regularly and customarily involves the use of employee discretion and independent judgment with respect to matters of significance that are directly related to management policies of the District or to the general business operations of the District.

- b. Given the parties' desire to avoid the litigation of issues involving criteria 1 and 2, and the long-term prior understanding between the parties of the application of the Public Employees Relations Act (PERA) to those criteria, PERA applies to the application of criteria 1 and 2.

The Fair Labor Standards Act (FLSA) applies to the application of criterion 3.

These criteria are to be narrowly construed.

- c. If the ESSA disputes the decision of the District, it shall so advise the District in writing within ten (10) workdays, stating the reasons for the dispute. The District shall meet with the ESSA within ten (10) workdays of receipt of the notice by the ESSA. If a dispute still exists after the meeting between the District and the ESSA, the ESSA may submit the matter to binding arbitration within fifteen (15) workdays of the meeting.

### a. Investigatory Meetings

When an administrator has an investigatory meeting with an employee that could result in subsequent discipline for the employee, the employee may have a representative present. The employee and ESSA President will be notified when an investigation is initiated. The District will also notify other parties identified by the ESSA President, but limited to the UniServ Director and ESSA Rights Chair. The written notice will include the reason for the investigation. The confidentiality of the employee throughout the investigation will be protected.

The representative for investigatory meetings may confer with the employee before and after the interview and may clarify the questions or statements of the District for the employee's benefit during the interview.

The investigatory meeting is an opportunity for the employee and supervisor to discuss the concerns outlined in the written notice of the meeting. The employee will have an opportunity to respond to the complaint and submit any documentation related to the complaint. If necessary, the employee will be afforded reasonable time to provide any documentation necessary after the investigatory meeting and before conclusion of the investigation.

No discipline may be imposed during an investigatory meeting.

### b. Suspension

Suspension with pay may occur at the discretion of the District for the purpose of conducting an investigation. In cases of suspensions with pay the investigatory meeting will be held within a reasonable time frame ~~not to exceed five (5) workdays~~.

### c. Discipline

1. An employee may at his/her request have a representative officially designated by the ESSA present when he/she is being disciplined for any infraction of rules or delinquency in professional performance. When a request for representation in the above circumstance is made, no action shall be taken for twenty-four (24) hours with respect to the employee without the presence of an ESSA representative. Whenever possible the meeting will be held within three (3) workdays of the request by the employee.

## 5.4 Procedure

### a. Informal

The parties in interest acknowledge that it is usually most desirable for an employee and his/her supervisor to resolve problems through free and informal communication. Prior to the filing of a grievance, but within ten (10) workdays of the date the problem/dispute arose, employees will discuss potential problems with their supervisor. Each party may have representation by the union or District present at the informal meeting.

The Employee and supervisor will discuss the presented problem. If the parties are unable to resolve the problem/dispute, the employee may file a grievance.

### b. Grievance Filing

1. The grievance process is initiated with the filing of the mutually agreed upon form and after the informal meeting has occurred between the employee and the supervisor. The mutually agreed upon form must be filed within ten (10) workdays. Upon the receipt of the mutually agreed upon form, the District shall schedule a meeting at a mutually agreed upon time within ten (10) workdays.
2. If in the judgement of the ESSA, a grievance affects a group of employees, or the ESSA, the ESSA may initiate and submit such a grievance in writing, the parties may mutually agree to start the grievance process at Step 2 of the procedure.
3. The employee or representative, upon request, shall be granted up to a five (5) work day extension prior to filing the grievance, if requested prior to the conclusion of the ten (10) workdays to file the grievance. The request must provide a rationale on the need for an extension.

### c. Step One

The meeting will be comprised of open dialogue to ensure a good faith attempt to resolve the problem/dispute.

Within five (5) workdays after the aforementioned meeting the District shall communicate their answer to the parties in writing.

### d. Step Two

1. If the grievance is not resolved at step one, the grievant may within ten (10) workdays submit the grievance in written form to the Superintendent and parties.
2. The Superintendent shall arrange for a step two meeting with the grievant to take place at a mutually agreed upon time within twenty (20) workdays. If the step two meeting is related to a termination of employment, the parties in interest shall have the right to include in the meeting any person necessary to develop facts pertinent to the grievance.
3. Upon conclusion of the meeting, the Superintendent will have ten (10) workdays to

provide an answer in writing, together with the reasons to the parties.

4. If the grievance is denied at step two, the parties may jointly decide to meet within five (5) workdays to discuss whether the dispute can be informally resolved.

If the grievance is not resolved at step two, step three - Binding Arbitration may be followed.

e. Step Three - Binding Arbitration

1. Within fifteen (15) workdays after the receipt of the decision by the Superintendent, the ESSA or the District may, upon written notification to the other party, submit the grievance to arbitration under and in accordance with the rules of the American Arbitration Association. If any question arises as to whether the grievance is arbitrable, such question will first be ruled upon by the arbitrator selected to hear the dispute. In the event that a case is appealed to an arbitrator on which he/she has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.
2. Within ten (10) workdays after such written notice of submission to arbitration the District and the ESSA will attempt to agree on a mutually acceptable arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such commitment within a ten (10) work day period, a request for a list of arbitrators will be made jointly to the American Arbitration Association.
3. The arbitrator will be without power or authority to make any decisions which require the commission of an act prohibited by law or which violates the terms of this Agreement. He/She shall have no power to change any practice, policy, or rule of the District nor to substitute his/her judgment for that of the District as to the reasonableness of any such practice, policy, rule, or any action taken by the District.
4. There shall be no appeal from an arbitrator's decision if it is within the scope of his/her authority. It shall be final and binding on the ESSA, its members, the employee or employees involved, and the District. The Association shall discourage any attempt of its members and shall not encourage or cooperate in any appeal to any court or labor board from a decision of an arbitrator.
5. The costs of the services of the arbitrator, including per diem expenses, if any, his/her travel, subsistence expenses, and the cost of any hearing room will be borne equally by the District and the ESSA. All other expenses shall be borne by the party incurring them and neither party shall be responsible for the expenses of witnesses called by the other.

## 6.2 Evaluation Method

The performance of all employees shall be evaluated in writing. Such evaluations shall be on the standard form provided by the District, based upon observations, and shall acknowledge the strengths of employees as well as deficiencies. The evaluator will inform the employee of any deficiency in performance in a timely manner. If a deficiency is not corrected it may result in a "Need Improvement" (NI) or Unsatisfactory (U) rating on the annual evaluation.

Data used to support the District's assessment for items marked NI or U will be shared with the employee. The evaluator shall take into consideration and note in writing any circumstances which may adversely affect an employee's performance, such as workload or physical facilities.

The District's Classified Employee Evaluation Handbook may be amended in consultation with the ESSA.

The District will provide an annual evaluation of each ESSA employee by an evaluator not in the ESSA bargaining unit. A supervisor/lead will draft evaluations as input for employee evaluations. A separate file for processed grievances shall be kept apart from the employee's personnel file. Material originating within the District will not be placed in an employee's personnel file unless it is dated and signed by the author. The employee will have the opportunity to read and sign material critical\* of an employee's performance and/or conduct before it is entered into his/her personnel file. An employee's signature indicates only that the material has been seen, not agreement to its content. *\*For the purposes of this article, "critical" shall mean; characterized by careful analysis and judgment.*

Critical material must be shown to the employee within ten (10) workdays after receipt or composition, exclusive of any absences by the employee or supervisor. Any critical material not shown to an employee within ten (10) workdays shall not be allowed as evidence in any grievance or in any disciplinary action against such employee.

Critical material originating within the District may be removed from an employee's personnel file if, after three (3) consecutive annual (non-probationary) evaluation cycles, all areas of the evaluation instrument are rated MS or better. Such removal will occur at the employee's request once the conditions for removal have been met. An employee's evaluation, maintained as a permanent personnel record, may contain reference(s) to discipline received during the reporting period, including notation of the type of discipline and the nature of the offense.

- b. All documents, communications, and records dealing with employee termination shall be removed if the employee is reinstated and absolved. These materials shall be maintained in a separate, closed, confidential file, which shall not be subsequently used or referred to, save as may be ordered by a court of competent jurisdiction. The employee will be made aware of any evaluative information placed in the file and may sign the document. The employee's refusal to sign the document does not preclude the placement of it in the file.
- c. It is recognized by the Association that supervisory files are maintained by the employee's supervisor of record. Supervisory files will not be transferred. Except for corrective emails, memos, and letters addressed to the employee and formal evaluations, supervisory files for all support employees will be destroyed by the outgoing administrator when the administrator is no longer employed at the site. The above corrective documents shall be destroyed after three (3) years from the date of issuance. Employees may view the content of any supervisor's building or site files upon request and reasonable notice.

## 7.2 Layoffs

- a. All layoffs within a specific job classification (as outlined in the ESSA ~~Salary~~ **Wage** Schedule) initiated by the District for reasons of budgetary limitations or reorganization shall be based on district-wide seniority. (In the event of employees with the same hire date, seniority shall be established by lot.) For the purpose of this article, seniority shall be defined as the total uninterrupted service in the district. For the purpose of this section, unpaid leave shall not constitute a break in service.

The employees in that job classification with the least district-wide seniority will be laid off first, save that if the District determines that a critical person is affected, then the following procedure will be followed:

1. The District will notify the ESSA of its position and the ESSA and the District will meet within three (3) workdays to determine whether there is agreement that a critical person is affected.
2. If there is no agreement, the issue will be submitted to the Superintendent for his/her resolution.
3. If the ESSA disagrees with the Superintendent's decision, the issue will be submitted within three (3) workdays to an arbitrator, selected pursuant to Article 5.4(d) of this Agreement, whose decision shall be final and binding.

A critical person is defined for purposes of this paragraph as one who if laid-off would cause a significant adverse impact on the ability of the District to complete its mission.

In the event of a recall, employees shall be given the opportunity to return to work on a seniority basis within the specific job classification.

- b. The ESSA shall receive a copy of any letters of layoff, reduction of time worked, or recall sent to the ESSA bargaining unit members.
- c. Every reasonable attempt will be made to place laid-off employees in any temporary or substitute positions without penalty. An employee may decline temporary or substitute positions without penalty.
- d. Laid-off employees shall be considered as inactive employees and entitled to request transfers in response to in-district postings consistent with this Agreement.
- e. All benefits to which employees are entitled at the time of their layoffs, including unused accumulated sick leave, shall be restored to them upon their return to active employment, and they shall be placed on the ~~salary~~ **wage** schedule for their current position according to their qualifications and experience.
- f. It shall be the responsibility of each employee to notify the District of any change of address or telephone number. The employee's address and telephone number as it appears on the District's records shall be conclusive when used in connection with the layoffs, recalls, or other notices to employees. If the employee cannot be successfully contacted using the information the employee has provided to the district, the employee's employment with the district will be terminated.

- g. When an employee is required to take a position within the same classification which results in a loss of regular hours which does not include overtime, standby, or call-out time to be worked for the year, the employee shall be placed on a Negative Impact List. The list will be maintained by the Human Resources Department and will be based on seniority. As positions become available within the same classification which would return an employee to at least the same level of regular hours as that enjoyed by the employee before the reduction occurred, the position will be offered in turn to the most senior negatively impacted employee before the position is considered a vacancy according to Article 8, Vacancies and Transfers. If an employee declines a position at any time which would restore the employee to at least the same number of hours per year as the employee previously enjoyed, the employee will be dropped from the Negative Impact List. The employee shall be given no less than three (3) workdays to accept or decline the position. See Appendix A for flowchart.
- h. Recall rights under these layoff and negative impact provisions will be in effect for three (3) years from the date of the layoff or placement on the negative impact list.

## TENTATIVE AGREEMENT

If an assault by a student against an employee occurs, the District will document the assault and provide the following supports at the request of the employee:

1. The administrator will provide the student an environment to de-escalate. If necessary, the student will be removed from the classroom to protect others from further injury. This removal is temporary for the purpose of de-escalation and safety. The removal does not constitute a suspension.
2. Before the student is returned to the classroom, the administrator will hold a conference with the teacher, student, parents and other necessary staff members to discuss the return to the classroom. The absence of any participant will not delay the student's return to the classroom.
3. The employee will be provided an opportunity to work with the classroom teacher and other staff members (i.e. behavior coach, school psychologist, or counselor) for support in managing the student's behaviors.

c. Employee Absence Related to Assault

Whenever an employee is temporarily absent from school and temporarily unable to perform his/her duties as a result of an assault either directly or while intervening in the assault of students or other staff and incurred in the scope and course of employment, the employee will be paid full salary and benefits less the amount of any workers' compensation payments or payments made for temporary disability. The District's payments will continue for a period equivalent to that of a full contract year beginning on the date of the injury. Such temporary absence will not be counted against accrued sick leave.

d. Workers' Compensation

TENTATIVE AGREEMENT

2. Injury

The District, being required by law to carry workers' compensation insurance on all employees, agrees to cover those accidents that happen while an employee is on the job or in any function in compliance with a direct order by a supervisor(s). A workers' compensation report must be filed in the District Office within forty-eight (48) hours of a compensatory accident. Forms shall be available in all school offices. The employee has two compensation options during any absence in conjunction with a work-related injury:

- A. The employee may choose to take workers' compensation payments in lieu of wage benefits and retain his/her accrued sick leave. The workers' compensation benefit will always be lower than the sick leave benefit.
- B. The employee may choose to take workers' compensation payments and receive, through use of sick leave, additional wages up to the employee's normal gross wage. An employee on workers' compensation shall accrue all leave benefits available for that position.

e. Americans with Disabilities Act (ADA)

The parties acknowledge that the District must comply with the Americans with Disabilities Act and other statutes prohibiting discrimination due to an employee's disability. It is specifically recognized that the District may need to permanently or temporarily reassign or reemploy employees who have sustained work-related injuries and who are physically restricted, either temporarily or permanently, from returning to pre- injury job descriptions. ~~Should the District receive a request from an employee for accommodation involving reassignment or reemployment due to injury or illness, the District shall meet and confer with the ESSA prior to accommodating the employee.~~

- b. All vacancies shall be posted five (5) workdays during the school year and seven (7) calendar days during the summer months prior to public advertisement provided two (2) weeks' notice is given by the employee creating the vacancy. In the event less than two (2) weeks' notice is given or a vacancy is created by an in-district transfer, the District shall still endeavor to adhere to the above agreement; however, if in the opinion of the District, the vacancy requires filling within a shorter time frame, the time of in-district posting may be shortened or waived and hiring may be done within or outside the district after consultation with the ESSA.

15.3 Placement

a. Newly Hired Employees

~~New employees will be placed at Step 1 in the appropriate Grade.~~

~~If the District is unable to hire a qualified employee at the Step 1 rate of pay, it may place a newly hired employee on an advanced step, provided current employees in that specific position also advance so no employee makes less per hour than the newly hired employee in that position.~~

**One step for each year of direct work experience is allowed, not to exceed six (6) steps on the wage schedule for newly hired employees.**

**Upon ratification of this agreement, current employees will have one (1) month to provide documentation of previous direct work experience, not inclusive of the experience gained by their current District position, to seek advancement no greater than step six (6) on the wage schedule. Employees whose step advancement is approved shall have the increase applied retroactively to the date they provided documentation to the District after ratification.**

b. Employee Placement

When transitioning to a position that is one Grade higher, the employee will be placed at Step 1 of the new Grade or on the first step that provides a minimum of an eight percent (8%) hourly rate increase. When transitioning to a position more than one Grade higher, the employee will be placed at Step 1 of the new Grade or on the first step that provides a minimum of an eight percent (8%) hourly rate increase and advanced one additional step for each Grade above one Grade. For example, if a Grade 4 Data Entry Clerk at Step 5 transitioned to a Grade 8 Counseling Technician position, the employee would be placed at Grade 8 Step 4. If transfer to a higher sub-grade (i.e. 5A to 5B) occurs, the employee will be placed on the same step from which the employee moves.

When transitioning to a position in a lower Grade, the employee will be placed at the same step of the lower Grade.

c. Step Advancement

Step advancement will normally occur on July 1, provided steps have been awarded as part of the Agreement.

Those employees hired before January 1 will be eligible for a step advancement on July 1 if steps are awarded in the Agreement for the year beginning July 1.

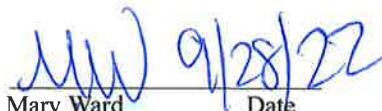

Those employees on the last step of each Grade will remain at that pay rate unless the schedule amount is increased or a step is added as a result of change in the Agreement.

Those employees not eligible for step advancement for the duration of this contract will be paid a stipend of one thousand dollars (\$1000).
