

# IT and Math Curricula: Revision Overview

School Board  
May 17, 2022

---

## School Board & AR Requirements

### **SBP & AR 910:**

Curriculum development and evaluation involving students, parents, teachers, and administrators. We also reach out to UAF and community organizations (FNA, TCC, NAACP, etc.).

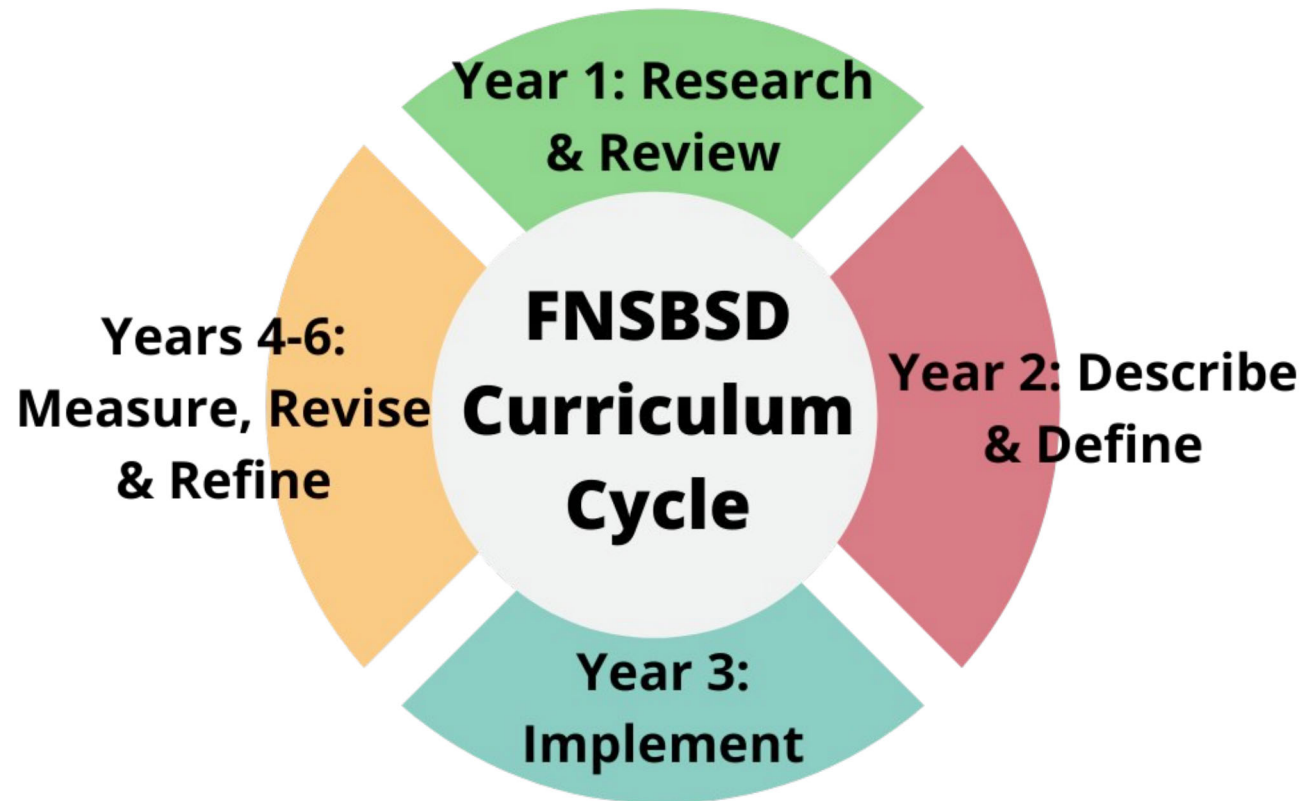

**District Strategic Plan (Student Success):** Increase academic achievement and social emotional well-being for all students.

**1.1 Competency Based Learning:** Define competencies by grade level and content areas, allowing students to advance based upon demonstrated mastery rather than seat time.

### **SBP & AR 236.1:**

Board Curriculum Committee receives monthly updates, reviews all drafts, and makes a recommendation to the School Board.

---

Per SBP/AR 910, we are required to engage in a curriculum cycle.

# Revised Curriculum Calendar

## ADMINISTRATIVE REGULATION

910 Appendix A - FNSBSD Curriculum Cycle Calendar

Content Area	2022-2023	2023-2024	2024-2025	2025-2026	2026-2027	2027-2028	2028-2029
<b>Health</b> Curriculum: K-12: 2016 Materials: K-6: 2008; 7-12: 2016	Research & Review	Develop & Define	Implement	Measure- Refine- Revise			Research & Review
<b>PE</b> Curriculum: K-12: 2016	Research & Review	Develop & Define	Implement	Measure- Refine- Revise			Research & Review
<b>Science</b> Curriculum: K-12: 2016 Materials: K-6: 2009; 7-8: 2018; 9-12: 2009, 2016	Research & Review	Develop & Define	Implement	Measure- Refine- Revise			Research & Review
<b>Art</b> Curriculum: K-12: 2017	Measure - Refine - Revise	Research & Review	Develop & Define	Implement	Measure- Refine- Revise		
<b>Music</b> Curriculum: K-12: 2017 Materials: K-6: 2010; 7-12: 2015	Measure - Refine - Revise	Research & Review	Develop & Define	Implement	Measure- Refine- Revise		
<b>World Language</b> Curriculum: 6-12: 2018 Materials: 6-8: 2010; 9-12: 2018 French: 2010	Measure- Refine- Revise		Research & Review	Develop & Define	Implement	Measure- Refine- Revise	
<b>Social Studies</b> Curriculum: K-12: 2020 Materials: K-12: 2020	Measure- Refine- Revise		Research & Review	Develop & Define	Implement	Measure- Refine- Revise	
<b>English Language Arts</b> Curriculum: K-6: 2011, rev. 2014; 7-12: 2020 Materials: K-6: 2018; 7-12: 2020; English 11: 2021	Measure- Refine- Revise			Research & Review	Develop & Define	Implement	Measure - Refine - Revise
<b>Math</b> Curriculum: K-5: 2014 6-12: 2022 Materials: K- Algebra 2: 2021	Implement	Measure- Refine- Revise			Research & Review	Develop & Define	Implement
<b>Technology</b> Curriculum: 2011							

# CTE Curriculum Revision

## 2022/2023

Fall: STEM

Spring: Arts/AV

Hospitality & Tourism (Culinary)

## 2024/2025

Fall: Automotive & Small Engines

Spring: Aviation

## 2023/2024

Fall: Architecture & Construction

Spring: Health Science

WBL & Capstone

# 6-12 Math

# Overview of the Revision Process

2019-2020

34 Teachers, 3 Meetings

Portrait of a Graduate  
Development of K-12  
Competencies

2020-2021

8 Teachers, 6 Meetings

Review Stakeholder  
Feedback Collected  
Board Adopts Core  
Materials

2021-2022

8 Teachers, 6 Meetings

Revise the Existing  
Math Curriculum

## Developed with the Community

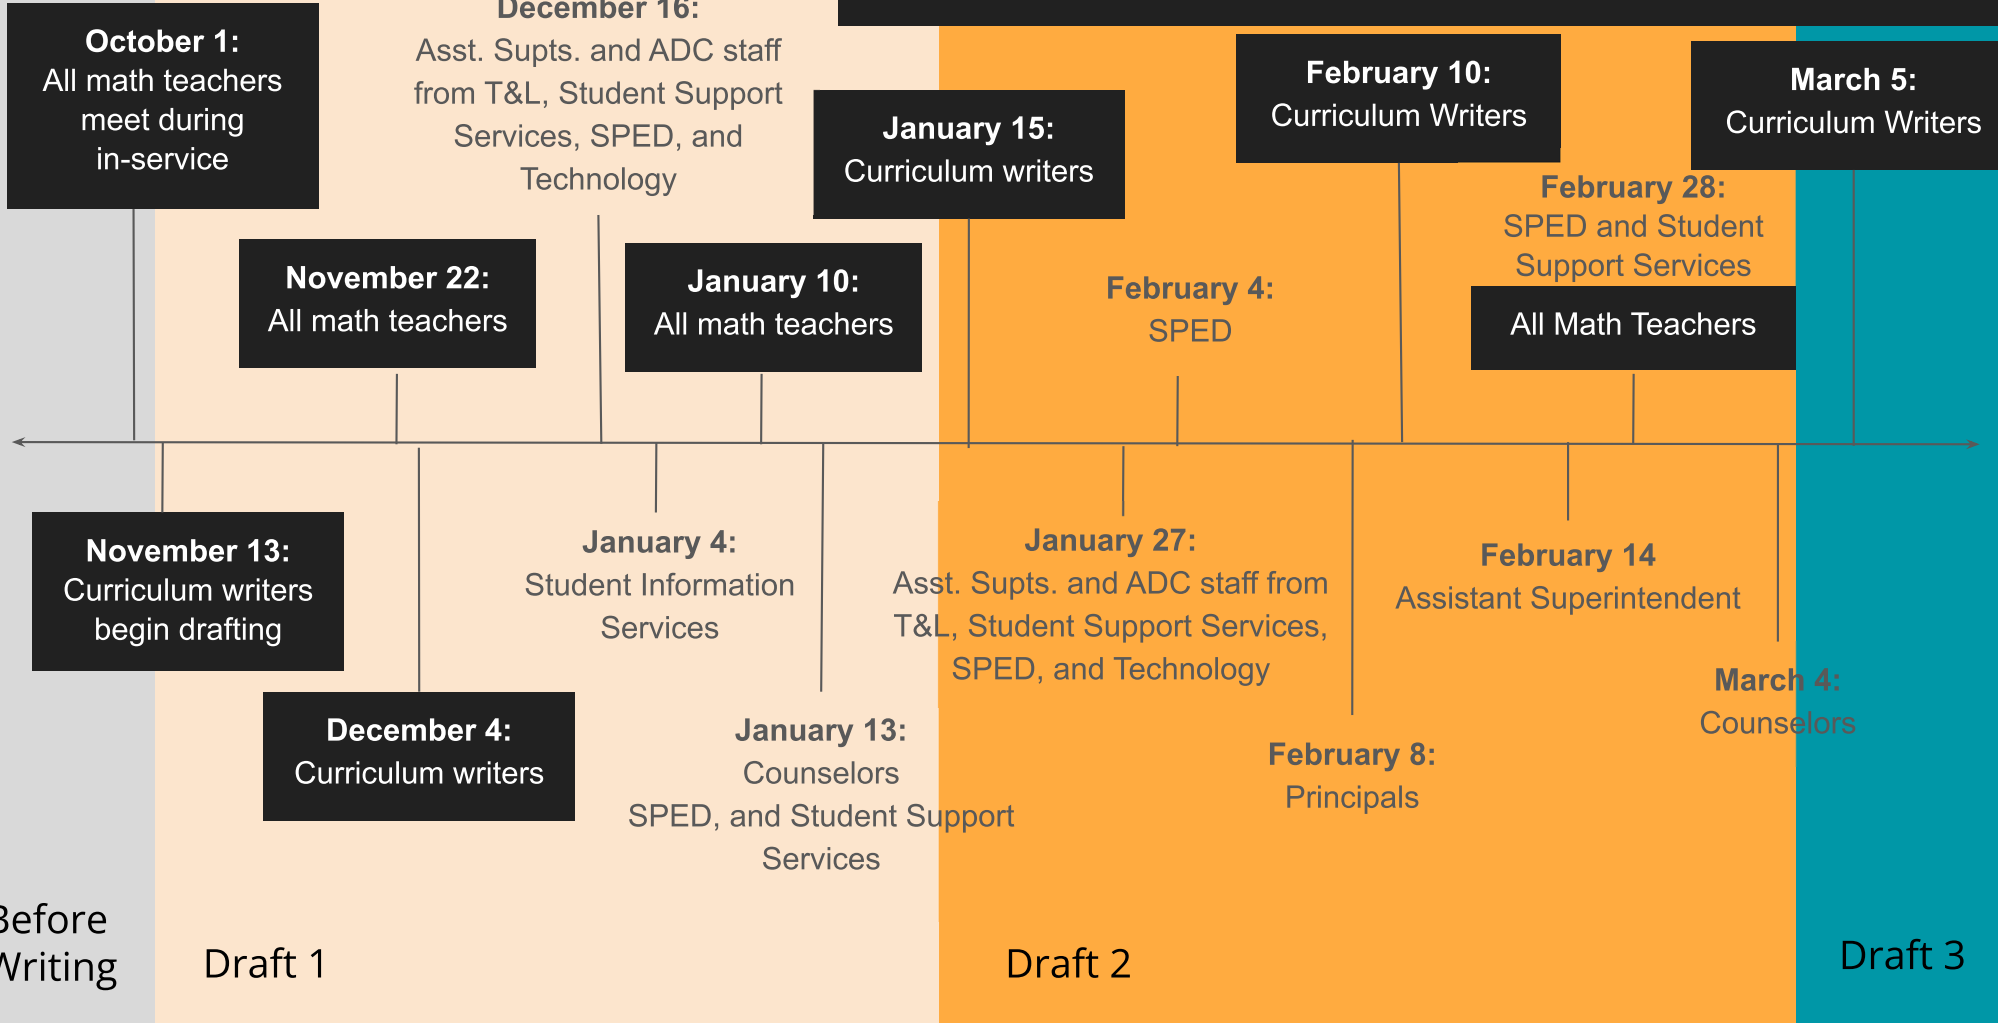

**Groups we met with:** UAF Math Department, NAACP, Board Curriculum Committee

**General schedule of input:** Pre-writing surveys, Surveys after each draft, In-person meetings as needed

**Who was notified:** Monroe, FNA, TCC, University Departments (Math, IT, School of Education), Alaska PTA & School PTAs, NAACP

**How they were notified:** Facebook, district website, targeted emails, district digest, T&L newsletter

# Developed with Educators

Thank you to the  
eight writers who  
took on this work  
*this year!*

# Streamlining Middle School Courses

## Overlap of Alaska Math Standards

6th Grade

8th Grade

7th Grade

Algebra 1

Not condensing courses; Advancing students to the level that is appropriate so that they can explore and understand the content more deeply

Pre-Reqs should  
match the work done  
in the course!

-Math Teachers

- 
- Removed the Algebra 2, Semester 1 requirement for all math elective courses
  - Reviewed Pre-Requisites for all courses to see how we could increase access to engaging math electives
- 

# Ensuring Students Pass Algebra 1

## Start Early

### **Middle School Math Lab**

Providing personalized interventions to students at their point of need

## Focus Support

### **Equitable placement in 2-Year Algebra 1**

Identifying students in need of this intervention using key data points

## Explore New Paths

### **More math electives that do not require Algebra 1**

Math for the Trades  
Accounting  
Computer Programming

## Why Statistics?

- Statistics is the place where Math meets the “real world”
- It allows you to make informed decisions
- Critically analyze information that is presented as fact
- Used in almost any career paths
- Students have been exploring statistics since kindergarten

My kids should be able to understand taxes and make financial decisions!

Math should be useful to my kids after they graduate (whether they go to college or not)!

We want our students to be engaged citizens!

From our  
Community

# Preparing Students for Life

Current Graduation  
Requirements

**3.0 CREDITS TOTAL**

1.0 Credits Algebra 1

2.0 Credits Math Electives

Revised Graduation Requirements

**All students will earn 3.0 credits of Math IN HIGH SCHOOL**

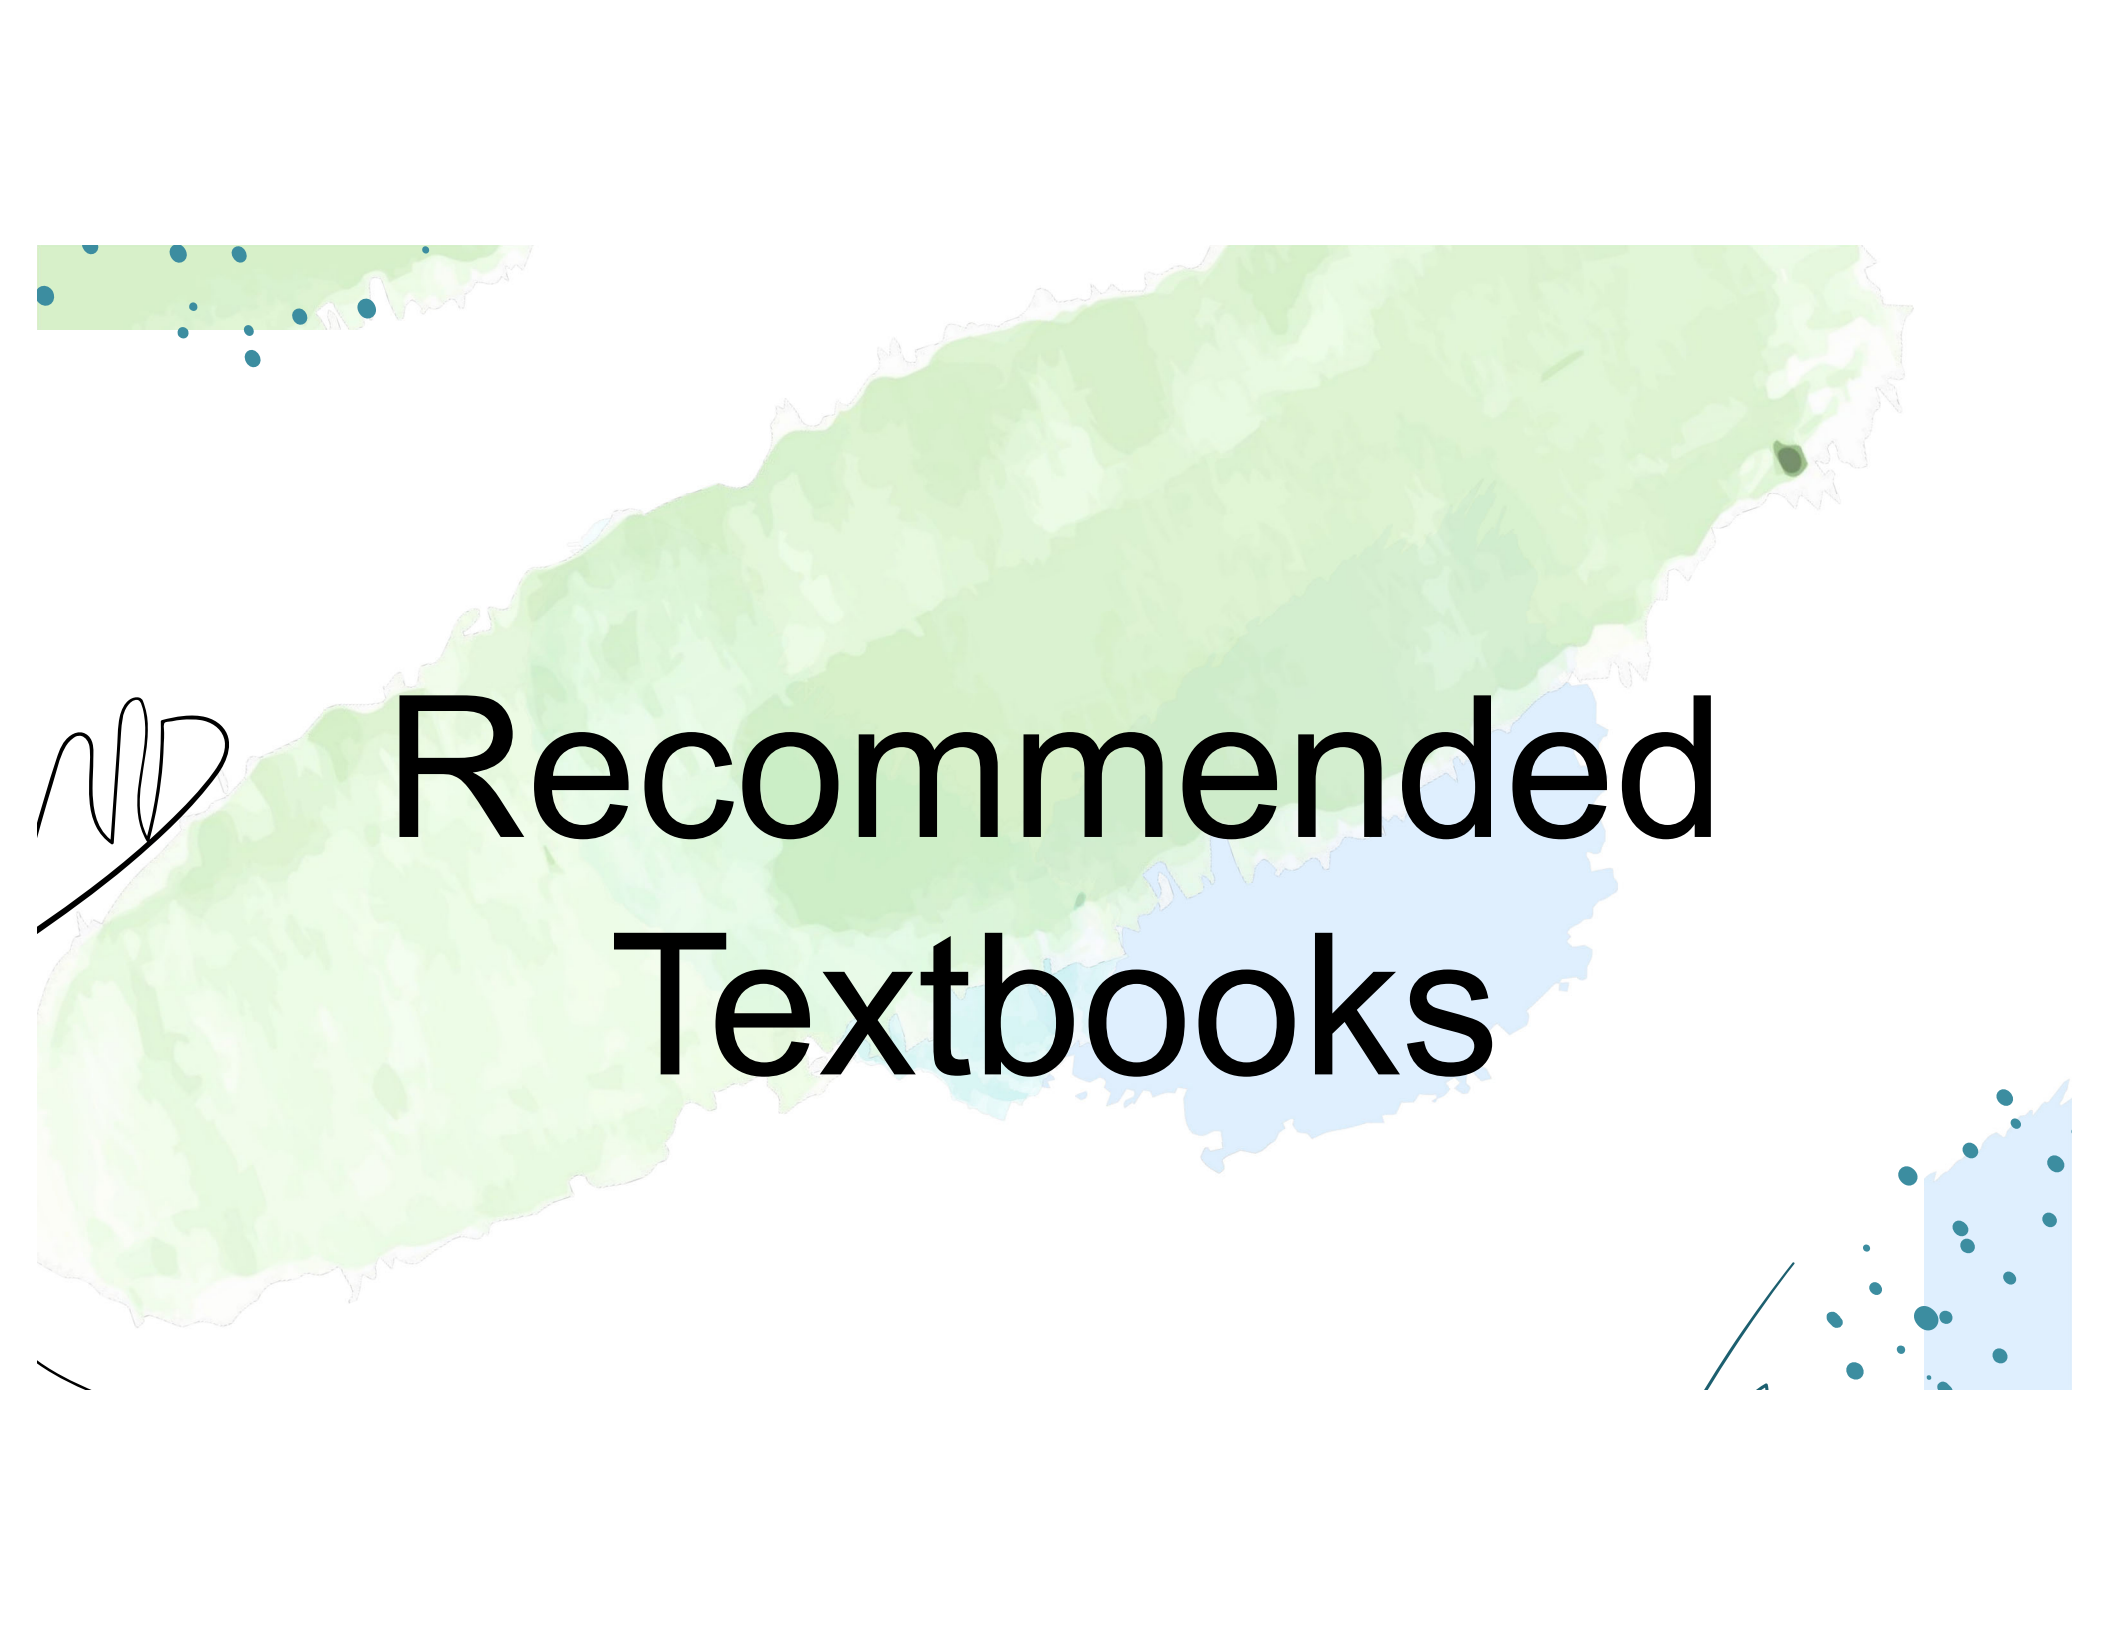

**1.0 Credits Algebra 1** (or another math elective if the student earned credit for Algebra 1 in middle school)

**0.5 Credits Statistics** by taking 1 of the following courses:

- Survey of Math and Society
- Intro to Data and Statistics
- Algebra 2, semester 2
- AP Statistics

**1.5 Credits of Math Electives**

The Board Curriculum  
Committee recommends  
that we adopt the Math and  
IT Curriculum revisions.

# Recommended Textbooks

## Recommended Textbooks

The Board Curriculum  
Committee recommends  
that we adopt these  
materials.

## In your packet for today

- Board reports
- Letters of recommendation from the Board Curriculum Committee and from District Administration
- Summary of changes
- Curriculum documents

# June 7, you will vote on

Adopting the math curriculum

Adopting the IT curriculum

Adopting Materials for:

- Math for the Trades
- Accounting
