### Students Need You

When organizations connect with the Fairbanks North Star Borough School District, they allow schools and programs to reach beyond their immediate resources to create a stronger learning environment for students. Building student-focused partnerships leads directly to enhanced student learning and success.

# Bright Futures Framework

### **The 3 Components of the Framework**

- 1. Create communication and resource structures to meet any child's basic needs within 24 hours.**
- 2. Build community capacity to improve problem solving capabilities to address the greater challenges faced by today's youth.**
- 3. Provide service-learning opportunities to provide students and teachers curriculum-based, hands-on service experiences to grow generations of service-minded citizens.**
