

Universal Screening

Why: The purpose of universal screening is to identify what supports students might need to grow in their learning.

What: The tools used for universal screening will be:

- Grades K-3 – mClass (Literacy)
Tests needed for composite scores in Early Literacy will administered.
- Grades K-2 iReady Diagnostic (Math)
Tests needed for composite scores in Early Numeracy will administered.
- Grades 3-10 – Measures of Academic Progress (MAP)
Tests in Math and Reading will be given to all students.

Who: Classroom teacher will administer the universal screeners to ALL students.

When: All K-9 students are required to take the universal screeners three time per year - once in the fall, once in the winter, and once in the spring.

2023-24 mClass Benchmark Windows

Fall: September 11 - 22, 2023
Winter: December 11 - 22, 2023
Spring: April 22 - May 3, 2024

2023-24 MAP Assessment Schedule

Fall: September 5 - 29, 2023
Winter: January 9 - 19, 2024
Spring: RIT score available after AK STAR state assessment

Progress Monitoring

Why: Progress monitoring is a practice that helps teachers use data to continually evaluate student growth and learning in an effort to make more informed instructional decisions.

What: The tools used for progress monitoring will be:

- Grade K-3 – mClass
- Grades K-2 – iReady Diagnostic
- Grades 3-10 – MAP Growth

Who/When: Progress monitoring schedule is:

1. Students who score between the 11th and 25th percentile on the fall benchmark assessment and are receiving Tier 2 supports should be progress monitored biweekly for 6 weeks.
2. Students who score between 1st and 10th percentile on the fall benchmark assessment and are receiving Tier 3 supports should be progress monitored weekly for 6 weeks.
