

**ADMINISTRATIVE REGULATION**

**PARENT AND STUDENT VERIFICATION OF RECEIPT OF INFORMATION CONCERNING CONCUSSIONS**

In accordance with AS 14.30.142, the school district requires that each student, and each minor student’s parent/guardian, receive written information on the nature and risks of concussions each year. Students may not participate in school athletic activities unless the student and parent/guardian of a student who is under 18 years of age have signed a current verification that they have received the information provided by the district. Parents will be provided with a pamphlet provided by the Alaska School Activities Association entitled “A Parent’s Guide to Concussions in Sports.” Students will be provided with a fact sheet produced by the U.S. Dept. of Health and Human Services Centers for Disease Control and Prevention entitled “Head’s Up: Concussion in High School Sports – A Fact Sheet for Athletes.” Students who are 18 years of age or older will also be provided with the Parent’s Guide. Other suitable age appropriate documentation fulfills this requirement.

Parents and students should review this information, discuss it at home, and direct any questions to the student’s coach, school principal or athletic activities coordinator.
