Public Record Requests - The Superintendent or designee may assess a special service charge for any public record requests that require the extensive use of information technology resources or extensive clerical or supervisory assistance by school system personnel. Any such special service charge shall be reasonable and based on the actual costs incurred for such extensive use of information technology resources and/or the actual labor costs of the personnel providing the services, not including any costs associated with the redaction of privileged or confidential information. For purposes of this policy, the Board considers four (4) hours or more to be "extensive" clerical or supervisory assistance. The school system will provide an estimate of any such special service charge before making the records available and will give the requester the option of paying the charge or narrowing the scope of the request. For planning purposes, the average clerical cost per hour is \$25 and the average administrative cost per hour is \$45. (Board Policy 5070,7350)

Field Trip Fees – Fees for day or overnight trips are based on estimated costs for transportation, meals, lodging, admission and supplies. No fees for Board sponsored field trips.
