

American
Cooperative School
of Tunis
SINCE 1959

The American Cooperative School of Tunis will inspire a passion for learning, while endowing students with the expertise and confidence necessary to pursue dreams in and for a global society.

Job Title: One-on-one teacher for an early childhood student with special needs

Individualized Instruction:

- Provide one-on-one instruction tailored to the specific needs and abilities of the special needs student.
- Modify and adapt curriculum materials and teaching methods to accommodate the student's learning styles and abilities.

Assessment:

- Conduct ongoing assessments of the student's academic, social, and emotional development to track progress and identify areas that require additional support.

Collaboration and Communication:

- Work closely with the homeroom teacher and other educators to align teaching strategies and curriculum modifications to meet the student's individual needs.
- Maintain regular communication with the homeroom teacher, parents, and any other relevant professionals to ensure a coordinated approach to the student's education and development.

Personal Support:

- Implement strategies and interventions to promote positive behavior and social skills development.
- Promote the inclusion of the student in classroom activities and social interactions with peers.
- Ensure the safety of the student at all times, both in the classroom and during transitions between activities.
- Foster the development of independence and self-help skills in the special needs student to the greatest extent possible.

Professionalism:

- Exhibit professionalism, patience, and empathy in all interactions with students, colleagues, and parents.
- Maintain confidentiality regarding the student's personal information and educational records.

Working Days/hours: Monday to Friday from 7:30 - 3:30
