**As a part of my schoolwork, my school gives me the use of computing devices such as iPads, Chromebooks, and Laptops including storage space on the server for my school work. My behavior and language should follow the same rules I follow in my class and in my school. To help others, and myself I agree to the following promises:**

1. I will use the computing device only to do school work, as explained to me by my teacher and not for any other reason. I will not use a school computer for personal or illegal purposes.
2. I will use the Internet only in ways the teacher has approved.
3. I will keep my computing device clean and free of stickers or graffiti.
4. I will keep my passwords private and I will respect the privacy of other people's passwords.
5. I will keep personal information such as my address or telephone number private and respect the privacy of other people.
6. I will not upload, link, or embed an image of others or myself to unsecured, public sites.
7. I will only take pictures or videos of someone (others) with their permission or the permission of the teacher.
8. I will not use games or other electronic resources that have objectionable content or that engage me in an inappropriate simulated activity.
9. I will be polite and considerate when I use my computing device. I will not use it to annoy, be mean to, frighten, tease, bully, threaten, or poke fun at anyone. I will not use swear words or other rude language.
10. I will not try to see, send, or upload anything that says and or shows bad or mean things about anyone's race, religion, sex, or gender.
11. I will not damage my computing device or anyone else's work. I will keep my device safe, dry, and cared for.
12. If something does happen to my device, I will show my teacher immediately and explain what happened.

13. I will not break copyright rules or take credit for anyone else's work. If I have or see a problem, I will not try to fix it myself but I will tell the teacher. If I am frustrated, I will not tap repeatedly or cause damage to my device. If the problem is an inappropriate image, I will turn off the monitor and then seek help.
14. I will not block or interfere with school or school system communications.
15. The use of Virtual Private Network (VPN) applications, programs, and the like are not permitted while using a school issued computing device or a personally owned computing device on the school district network. If I am found to be using a VPN I am subject to consequences in school up to and including not being able to use the computing device or keep my personal device on the network.
16. My computing device usage is subject to review at any time. My teacher may look at my work to be sure that I am complying with the Acceptable Use Agreement (AUA). Not following this guidance may result in not being able to use my computing device.
17. I know that unacceptable behavior and actions in school are also forbidden when I use a school computing device outside of school. If I interfere with other students' education, and if I am unable to comply with these expectations I am subject to consequences such as losing my privilege to possess a computing device. I would be subject to direct supervision while using a computing device to complete school related work. This can also include decreased access to applications and programs as well as further limiting access to the Internet.

**Parents:** *I have read and discussed with my child/student the Acceptable Use Agreement, and I am aware of the resources provided for my child/student. I understand that computing device access is conditional upon adherence to the guidelines expressed in this agreement. Although students are supervised when using these resources, and their use is electronically monitored, I am aware of the possibility that my child may gain access to material that school officials and I may consider inappropriate or not of educational value.*
