**SUBJECT: MEMORIALS**

The Williamson Central School District, as a visible symbol of the community, is occasionally asked to provide for memorials to students and/or staff members who have passed away. The following criteria was developed in helping to address planning issues related to this need:

- a) All proposed memorials must be submitted to the Board of Education for their review and approval.
- b) The size, form, location and scope of any proposed memorial will be solely at the discretion of the Board of Education.
- c) The type and location of all memorials will be based upon considerations of good taste and a sensitivity to school/community standards.
