Subject: Visitors to the School - Board Members

The Board encourages its members to visit the District Schools and support services. However, such visits shall be made in accordance with the following guidelines:

- a) School visits should be scheduled with the Building Principal and/or support service supervisor.
- b) All school visits must begin at the main office to sign in.
- c) Such visits are for the purpose of becoming acquainted with school programs, personnel, operation, and facility;
- d) Board members should refrain from giving directions or express evaluations of personnel, policy or operating procedures during their visit;
- e) If a school visit leaves a Board member with a concern, this concern should be discussed with the Superintendent.

Board members may have children in the schools and therefore have parental opportunities to converse with their child's teacher, counselor or administrator. In those instances, the Board member should make it clear that he/she is visiting as a parent and not as a member of the Board of Education.
