# Community

Located in the heart of the Lowcountry, Dorchester School District Two thrives because of the extraordinary community that surrounds us. Our students, families, teachers, and staff cherish this truly special place to learn, grow, and belong.

# Dorchester Two Educational Foundation

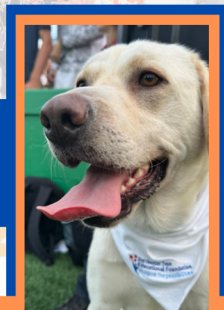

imagine the possibilities

**DDTwo is the only Lowcountry district with a Foundation. The Dorchester Two Educational Foundation has awarded more than \$1.7M to directly enrich DDTwo teachers, students, and community through innovative programs and supports.**

Infusing STEAM in classrooms serving students with special needs, the Foundation invested \$160,000 for hydroponic gardens at all DDTwo schools. Featured at the National Association of Education Foundations National Conference, this program is being replicated in districts nationwide.

To support DDTwo's security efforts, the Foundation purchased a gun-detection K-9, Chester, to strengthen safety at schools and district events.
