Field Games Club Bowling Adventure

To celebrate the end of the Field Games season, the group took a trip to the Virgin River Bowling Center. While there, the students engaged in numerous activities. For many, bowling was the best part, For others the best part of the outing was the delicious pizza and hot wings provided by the exceptional staff of the Bowling Center. This great event marked the end of the Field Games season, during which the students stayed after school on Tuesdays, playing various games. It was a great season, with an excellent ending.

News On Killer Clowns

Monica V, Marselle Q

Killer clowns have become a social phenomenon. It started by a clown sighting near the woods of S.C. Greenville, attracting children with money. People have been dressing up and creeping around streets and neighborhoods scaring others. Some say it's just the spirit of Halloween, but it has gone too far for the “Spirit of Halloween.”

There have been school shootings, sightings around streets and stores, and it has gone as far as to murder.

This is an actual issue and not something to joke around about. So you should be careful and stay safe!

Athletes of the Month

Dana Gomez, Ana Moreno, and Lilly Sisson

This month’s Athletes of the Month are Alex Gonzalez and Marissa Horner. Alex thinks he was chosen because he’s “athletic, active, hyper, crazy, and down to do anything”. Marissa said she thinks she got it because she “worked hard”. Mr. Gonzalez said he’s honored and Ms. Horner told us she was happy about being the athlete of the month. Alex claimed that this reminded him to do well, Marissa stated that she was proud to make it. These two people worked hard and earned a spot on the wall, and we’re a proud Jr. High to have them. These kids are very special; they deserve to be athlete of the month. These kids are pretty cool they know what they’re doing thanks for being in our 7th and 8th classes we’re proud to have you guys in our Beaver Dam Jr/Sr High School.
