Celebrations

~ Welcome back!

~ We are so grateful for all of our community partners! The Elks, our Veterans, the Bank of Nevada, Dr. Rice, and so many other community partners have supported our school and families with a variety of donations. Thank you!

~ **Congratulations to our BDES spelling bee winners! The grade level winners will compete at the district spelling bee on January 29th.**

Class Winners: Elias, Kiera, Selah, Matthew, Dale, Jaziel, Taj, Greyson, Brinley, Whitley, Ceceila, Crissy, Daniel, Gabriela, Kahlan

Grade Level Winners: Elias, Brinley, Whitley, Kahlan

School Winner: Whitley

~ A big thank you to all of you for your support of both the spelling bee and the Christmas program. We had great turn out for both events.

Important Information

~ Please watch for mid-term progress reports this week if you did not receive them before the winter break.

~The Mesquite Motor Mania Car Show is hosting a student art contest. The first place student wins a great prize. Schools can get prizes, too. The deadline is January 10th. Please encourage your student to make a poster.

~ Our student growth award assemblies are on January 11th at 1:55 (K-2nd) and 2:15 (3rd-6th). Watch for invitations. We will also have our student award party at 1:00.

Teaching and Learning

Please review what your child is learning in literacy (www.myngconnect.com) and follow along with what they are learning in math (www.engageny.org). Thank you!

Student Growth and Achievement

Wow! We had another big jump in the number of students who met their monthly reading goal in December.

The monthly goal for students in 1st-6th grade is to read books in (or above) their reading range (as determined by the STAR assessment), meet/exceed the AR point goal generated by a 30 minute a day reading goal, and score an 85% or higher accuracy rate for the month.

The monthly goal for students in kindergarten is based of important early literacy skills.

Wow! A huge thank you for all your support! Great job, Eagles!!

Crecimiento y logro estudiantil

¡Guauu! Tuvimos otro gran salto en el número de estudiantes que alcanzaron su meta de lectura mensual en diciembre.

La meta mensual para los estudiantes de 1º a 6º grado es leer libros en (o más) su rango de lectura (según lo determinado por la evaluación STAR), cumplir / superar la meta de AR generada por una meta de lectura de 30 minutos por día y calificar una tasa de precisión del 85% o más para el mes.

La meta mensual para los estudiantes de kindergarten se basa en importantes habilidades de alfabetización temprana.

¡Guauu! Un gran agradecimiento por todo su apoyo! ¡¡Gran trabajo, Águilas !!
