Subject: Emergency Closings

In the event it is necessary to close school for the day due to inclement weather or other emergency reasons, announcement thereof shall be made over local radio and television stations designated by the Superintendent of Schools and through the District's approved mass notification system..

When school is closed, all related activities, including athletic events and student activities, will ordinarily be suspended for that day and evening.

Instructions from parents such as phone numbers for working parents, baby-sitter directions, or emergency numbers should be made known to the school office. The bus garage will remain open until all school buses have returned from their runs.

If all snow days are exhausted, the District reserves the right to engage in remote instruction on emergency closure days at the discretion of the Superintendent.
