**Subject: Rural Transportation**

In addition to the transportation of students to and from school and/or school activities, the Board may include for bus transportation the following:

- a) Certain infants and toddlers of students enrolled in District or BOCES programs
- b) Employees of the District or other educational or training institutions
- c) Teachers and other persons acting in a supervisory capacity to or from school or school activities
- d) Adult residents enrolled in educational or training programs
- e) Children, under the age of five (5) years, traveling between home or day care and the District's Universal Pre-Kindergarten Program

Such transportation will be accessible upon the approval of the Superintendent by an individual application, provided space is available and any fee set by the Board, not to exceed the cost of transporting a student enrolled in the District, is paid by the individual riding the bus. The Superintendent shall establish rules and regulations that may include the number of persons riding the school bus.
