Subject: After-School Activities Run

The Board of Education will provide transportation from school to home for students involved in regularly scheduled after-school extracurricular activities if fiscally possible under the following conditions:

1. The Director of Transportation shall have the discretion to establish appropriate stops for discharging pupils using an activity bus, taking into consideration the safety, efficiency, economy, and convenience of the service to be provided. In the case of any activity bus provided for a non-public school, students shall be returned and discharged at the centralized pick-up point.
2. All students riding the extracurricular activities need to present a pass provided by the school to ensure student was engaged in a regular after school extracurricular activity or academic support.
