Subject: Professional Growth/Staff Development

It is the policy of the District that attention be given to in-service and pre-service staff development programs. The Superintendent shall arrange in-service education programs which will help teachers master new methods acceptable to the schools, or to help them improve techniques which are already being used in the schools, with the objective of improving their professional competencies as instructors.

The Board of Education will provide the means necessary to make staff in-service opportunities possible.

Members of the staff shall be encouraged to continue their formal education as well as to attend professional workshops, conferences and meetings, and to take an active part in professional organizations.
