What is Title I?

LCMS identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support state and local school reform efforts tied to the challenging state academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must develop, with parents and family members, a written parent and family engagement policy.

School Plan for Shared Student Achievement

What is it?

LCMS values the contributions and involvement of our parents in order to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that LCMS will encourage and support parent engagement. It lists opportunities where parents can participate in activities and events that will help promote their child's learning at school and at home.

How is it revised?

LCMS welcomes parent input and comments at any time regarding this plan. All parent feedback will be used to revise the plan for the next school year. The plan is posted on our school website for parents to view and feedback is welcome throughout the year. We also distribute an annual survey online. A note will be sent to parents via students that has the survey link and information about how they can request a paper copy of the survey.

Who is it for?

All students and their families are encouraged and invited to fully participate in the opportunities described in this plan. LCMS will provide full opportunity for the participation of parents with limited English, parents with disabilities, and parents of migratory children. Residential facilities in the school attendance area are included in any parent involvement correspondence and activities as well.

Where is it available?

At the beginning of the school year by November 1, the plan is distributed to all students. Parents can also retrieve a copy of the Family Engagement Plan from the school's front office, the Parent Resource Center, the school website, and the Bulloch County Board of Education.

School - Parent Compacts

As part of this plan, LCMS and our families will develop a school - parent compact. This compact is an agreement to explain how parents and teachers will work together to make sure all students reach grade-level standards. The compact will be reviewed and updated annually based on feedback from parents, students and teachers received throughout the school year.

LCMS believes that family engagement means the participation of parents and family members in regular two-way, meaningful communication. Our goals is to ensure that:

1. Parents play an integral role in assisting their child's learning.
2. Parents are encouraged to be actively involved in their child's education at school.
3. Parents are full partners in their child's education.

LCMS Parent Resource Center

The Parent Resource Center is filled with educational games, books, and much more. It is located in room 506. The Family Engagement Specialist will be available at the school by appointment. If you need assistance please contact your school Family Engagement Specialist, Coco Roberts at (912) 678-5341 or email croberts@bullochschools.org

LCMS Supports Achievement!

- Share information in English and Spanish for parents to understand the school's academic standards and assessments as well as the ways parents can monitor their child's progress and work with educators.
- Work with parents to develop relevant trainings and presentations to educate them on how to help their child achieve academic success.
