In the case of closure due to extreme cold, Computer Technicians and Help Desk Associates will be required to report to work.

If facilities are closed, but school is still in session, technology employees will be expected to report to work for their regularly scheduled hours.

If the district is closed, but there are district events that are scheduled requiring technology employee assistance/support, an on-call list will be established (developed in conjunction with the union) that designates employees who will be on call and expected to report either in-person or virtually, as deemed necessary. Employees called in will be paid time and one-half for the hours they are required to report. If called in, minimum of 2 hours of pay.

For ten (10) month employees, in the event such a school day is rescheduled these employees will work the rescheduled day without pay because they were previously paid for the work day. - C. The Union will furnish the Employer with the names of its stewards when elected and such changes as may occur from time to time in such personnel so that the Employer may at all times be advised as to the authority of the individual representatives of the Union with whom it may be dealing. Until the Employer has received written notice of changes from the Union, it shall not be required to deal with such employees purporting to be Union Steward representatives.

Any duly authorized Union representative must first secure permission from the building principal and/or appropriate administrator(s) to conduct said business. Such business will be transacted in private.

ARTICLE 4 SENIORITY

- A. New employees hired in a permanent position, other than substitutes and temporary employees, shall be considered as probationary workers for the first one hundred and twenty (120) work days of their job assignments. There shall be no seniority among probationary employees. When an employee, as described above, finishes the probationary period, he/she shall be entered on the seniority list and shall rank for seniority back to the date of hire. The probationary period may be extended for any absences during that period by the amount of said absences. Employees will be eligible for sick leave, approved leave, holiday pay and vacation pay after completion of sixty (60) work days.
- B. The Union shall represent probationary employees for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment as set forth in this Agreement, except that the Employer will have the right to discharge and take disciplinary action involving a probationary employee without a grievance filed or processed.
- C. Probationary employees shall be eligible for fringe benefits earned and provided for in this Agreement only at the successful completion of their probationary period, with the exception of health care benefits. Those eligible for health benefits will receive those benefits in accordance with the Affordable Care Act timeline (currently 90 days).
- D. Seniority shall be counted on a School District-wide basis within the individual's department classification. Employees moving from one job classification to another shall retain District-wide seniority accrued in any other classification or department but not transfer said classification seniority into their new department.

If an employee returns to a department in which he/she has accrued seniority, his/her seniority in that department will be the total amount of seniority accrued previously. He/she will start to add to that seniority when he/she returns to the department and shall be able to use that seniority to bid on an open position in that department.

- E. When more than one employee is hired on the same day, seniority will be determined by alphabetical sequence of last names.
- F. The seniority list will show the names and job titles of all employees of the unit entitled to seniority.
- G. The Employer shall provide the Chapter Chairperson with a seniority list annually on July 1.
- H. An employee will lose his/her seniority and terminate his/her services with the Rochester Community Schools for the following reasons:
 - 1. Employee quits or retires.
 - 2. Employee is discharged and the discharge is not reversed.
 - 3. Employee is absent for three (3) working days without notifying the Employer. The Superintendent/designee, provided notification is given to the Employer representative and reasons are acceptable to the Employer, may make exceptions to this rule.
 - 4. If the employee fails to return to work when recalled from layoff as set forth in the recall procedure provided herein.
 - 5. If the employee overstays by three (3) days a leave of absence granted for any reason, as hereinafter provided, unless an extension has been granted.
 - 6. Involuntary layoff for two (2) years or length of seniority in the District, whichever is shorter.
 - 7. If the employee gives false reasons for a leave of absence or engages in other employment during such leave without permission of the Employer.
 - 8. If the employee falsifies information on his/her application for employment even if the falsity may come to light sometime after the employee's date of hire or date of acquiring seniority.

- I. Notwithstanding their position on the seniority list, the Chapter Chairperson and Chief Steward of the Local Union shall, in the event of a layoff, continue to work provided they are qualified for and can perform the work available.
- J. Employees on medical or medical/child care leave of absence will accrue seniority for the first ninety (90) calendar days of the leave. If the leave is in excess of ninety (90) calendar days the employee will not continue to accrue seniority.

Employees on a military or union business leave will accrue seniority while on a leave.

Employees on an educational or any other type of leave will have their seniority frozen for the entire leave.

ARTICLE 5 DISCIPLINE AND DISCHARGE

- A. The Employer agrees upon the suspension or discharge of a seniority employee to notify, in writing, the Chief Steward, and Chapter Chair of the suspension or discharge.
- B. The suspended or discharged employee will be allowed to discuss his/her discharge with the steward of the department and the supervisor. The supervisor will make available an area where he/she may do so before he/she is required to leave the property of the Employer.
- C. If the decision from the supervisor is still not acceptable to the seniority employee, the matter may be referred to the grievance procedure commencing at Level Three (3) within five (5) working days of the answer given by the supervisor.
- D. Employees shall have the right to Union representation at all levels of the disciplinary process.
- E. An employee shall be told the purpose and notified in advance of any meeting that may result in discipline.
- F. The parties subscribe to the concept and use of progressive discipline whenever possible. All discipline made by the Employer is to be done in a discreet manner and not in front of fellow workers.

The parties agree that depending on the nature and severity of the offense, it may be necessary for a first-time disciplinary action meted out by the Employer to commence at a step higher than a Verbal Counseling, up to and including Termination.

Any disciplinary action taken by the employer shall be for just cause, and any/all such disciplinary action (s) are subject to the grievance procedure.

ARTICLE 6 LAYOFF AND RECALL

- A. Layoff means a reduction in the working force due to a decrease of work or limitation or reduction in operating funds or any other condition beyond the control of the Board.
- B. If it becomes necessary for a layoff, all part-time employees followed immediately by full-time probationary employees within the affected classifications will be laid off first. Seniority employees laid off from their positions will have bumping rights within their classification on the basis of their department seniority and will be entitled to bump the employee with the least department seniority currently in that classification. Lateral bumping must be requested, in writing, within ten (10) calendar days from the notice of layoff.

- C. Any employee not possessing the necessary department seniority or desiring to bump laterally as outlined in (B.) above may opt to exercise their seniority by bumping the employee with the least department seniority, providing the position is equal in pay or in a lower classification than the employee currently holds and the employee meets the qualifications for the position. Classification ranking will be determined on the basis of wage rates on the Salary Schedule.
- D. An employee not possessing the necessary seniority to bump within a department can exercise seniority gained in a former department and bump the employee with the least seniority in a previously held or lower classification.
- E. Any employee who assumes a new job assignment due to the layoff procedure will also assume the salary rate for that position.
- F. Employees to be laid off will have at least fourteen (14) calendar days' notice of their intended layoff. The Chairperson and Chief Steward shall receive a list of employees being laid off.
- G. Employees laid off through the procedure as stated in this Article shall be maintained on a recall list for a period of two (2) years or length of seniority in the District, whichever is shorter and shall be recalled in reverse order of their layoff.
- H. The Employer may transfer within the departmental classifications on a District-wide basis where operating staff in one or more buildings is reduced due to layoff.
- I. Notice of recall shall be sent to the employee at his/her last known address by registered or certified mail. If an employee fails to report for work within fourteen (14) calendar days from date of mailing of recall notice, he/she shall be considered as having quit.
- J. Each employee is responsible for keeping the Employer advised, in writing, of any change of address and will not be excused for failure to report for work on recall if he/she fails to receive recall notice because of his/her own failure to advise the Employer, in writing, of his/her change of address.
- K. The Employer shall have no obligation to recall probationary employees who may be laid off.
- L. It is clearly understood that any individual laid off shall automatically terminate and suspend the Employer's obligation to salary or fringe benefits under this collective bargaining agreement or any other agreement.
- M. Should an employee be offered a full-time position and refuse such appointment, he/she will lose his/her right to remain on the seniority recall list and shall be considered as having quit.

ARTICLE 7 TRANSFER / PROMOTION / DEMOTIONS / TEMPORARY ASSIGNMENTS

- A. A transfer is a lateral change within a job classification where there is no addition or increase in compensation; for example, to another shift, to another job within the salary classification, or request for increase/decrease in work hours falls into the definition of a transfer.
- B. Transfer of seniority employees is to be minimized whenever possible. Transfers shall be based upon seniority. Employees placed in a new position by virtue of a transfer may be required to complete a trial period of thirty (30) workdays subject to the provisions under Section L. The trial period shall be automatically extended for any absences during that period by the amount of said absence(s).

- C. Employees desiring a transfer must file their request, in writing, within the posted period. The request shall set forth the reason for transfer and the applicant's qualifications, work experience, as well as any other relevant information. Only one (1) transfer in a nine (9) month period shall be permitted. The Employer may permit exceptions to this rule.
- D. Employees transferred under the above circumstances shall retain all rights accrued for the purpose of any benefits provided for in this Agreement.
- E. If an employee takes a permanent or temporary position outside of the bargaining unit in Rochester Schools for more than ninety (90) calendar days, he/she will have the right to return to his/her former position during the ninety (90) days. The Employer will post the employee's position for temporary promotion.
 - 1. After ninety (90) calendar days, the employee's position shall be posted and filled in accordance with this Article. The ninety (90) calendar-day period for temporary positions may be extended by agreement of the Union and the Employer.
 - 2. An employee who takes a position outside of the bargaining unit shall retain seniority accumulated while working in the bargaining unit.
 - 3. Such employees who desire to return to the unit shall be allowed to use their accumulated bargaining unit seniority to apply for any open position that remains vacant after such job has been posted as a transfer/promotion for current bargaining unit employees.
- F. If any transfer or reassignment would place an employee's seniority in jeopardy, the Employer agrees that it will discuss the situation with the Union in order to provide for the protection of the seniority of the employee(s) involved.
- G. Employees temporarily involuntarily transferred to a lower classification shall be paid at his/her regular rate. Employees who volunteer for extra assignments in a lower classification shall be paid the lower classification rate. Employees working in a higher classification shall be paid at the rate of the higher classification.
- H. All vacancies within the bargaining unit will be posted as soon as practical after it is determined that the vacancy will be filled. The vacancy will remain posted for a period of seven (7) calendar days. If the vacancy is not filled within 30 calendar days of the posting deadline, the union will be notified as to the reason.
- I. A promotion is an upward change in an open job classification within the bargaining unit which results in additional compensation during the regular workday. Promotions are not meant to include the taking on of additional duties within the same job classification or work involving overtime, shift differential, or premium pay. Employee(s) interested in a promotional position shall apply within the above stated posting period to be considered for the promotion.
 - 1. Promotions to entry-level positions shall be made on the basis of established qualifications, seniority, and prior work record. It is understood that employees bidding between departments are only eligible to apply for entry-level positions in the other department, unless they have accrued seniority in a higher than entry level classification. Qualifications will be detailed on each job description and listed on each posting.

2. All promotions to bargaining unit positions shall be made first from within the department on the basis of meeting established qualifications, seniority, and prior work record.

Prior work record criteria will include a review of previous disciplinary actions, attendance, and evaluation documents. If these criteria are substantially equal, then the most senior employee will be placed in the position.

The individual granted the promotion will be granted up to a ninety (90) calendar day trial period to determine his/her ability to perform the job.

Any absence during the trial period shall automatically extend the trial period for a like number of days.

3. Employees not granted a promotion may have their application reviewed. If the employee is not satisfied with the results of that review, the matter may then become proper subject for the grievance procedure beginning at Step 2.
- J. If at any time during the trial period, the Employer believes the employee is not able to satisfactorily perform the job, such employee shall be returned to his/her former position and notice of such action shall be submitted to the Chief Steward, in writing, with a copy to the employee. The employee returned to his/her former position shall retain salary and seniority status as previously enjoyed before the promotion.
 - K. An employee who requests and is granted a transfer shall remain on the job for six (6) months before he/she becomes eligible to request another transfer. Moving to another building or assignment in the same classification does not constitute a transfer. The Employer may make exceptions to this rule, with notification to the Union.
 - L. An employee who is promoted during his/her probationary period shall be considered to have satisfactorily completed his/her probationary period in the classification from which he/she had been promoted.
 - M. Employees requesting or receiving a transfer or demotion to a lower classification shall be paid at the rate of said assignment.
 - N. A voluntary demotion is a change to a lower job classification within the work departments. Voluntary demotions are to be minimized whenever possible. Voluntary demotions shall be based upon seniority. Employees placed in a new position by virtue of a voluntary demotion may be required to complete a trial period of thirty (30) workdays. The trial period shall be automatically extended for any absences during that period by the amount of said absence(s).

Demotions, transfers and promotions are allowed only within an employee's representation department as defined in the Representation Article of this Agreement. The Employer may permit exceptions to this rule.

O. TEMPORARY ASSIGNMENT

When it is determined that the length of absence (including Workers Compensation) causing a vacancy in the Maintenance and Operations Department will be sixty (60) work days or more, the position will be posted on a temporary basis for bargaining unit employees. The employee filling the temporary assignment must meet the minimum requirements to fulfill the job to be eligible.

Seniority employees taking a temporary assignment will retain that position in the event the previous employee cannot return to work. Position will not be re-posted.

ARTICLE 8 LEAVES OF ABSENCE

- A. General leaves of absence for reasonable periods not to exceed one (1) year, upon written request to the Superintendent or his/her designee, may be granted to employees who are on seniority status without loss of seniority for good cause; such leave may be canceled if the employee is employed during that leave. Leaves of absence will be rescinded only by mutual consent of the Employee and the Employer.
- B. An employee granted a leave of absence by the Employer of more than six (6) months may be given a position upon his/her return provided there is an opening in his/her job classification and job assignment (the position held immediately prior to the granted leave), and he/she has given proper notice. An employee on a leave of absence of six (6) months or less shall be returned to his/her regular position. No seniority employee shall be laid off in order to create a position for an employee wishing to return from a granted leave.

An employee returning from a leave of absence may bump a probationary employee.

An employee is required to notify the appropriate supervisor, in writing, at least fifteen (15) days preceding the expiration date of a leave indicating his/her desire to return, request an extension, or resignation. An employee on leave of absence of three (3) months or less will be required to submit only (7) day written notice. An employee must make application for reinstatement within the time limit specified and if the employee does not provide such notice, he/she shall be deemed to have terminated his/her employment with the Rochester Community Schools unless an exception to this rule has been made by the Superintendent/designee.
- D. Re-employment of an employee on a leave of absence of more than six (6) months will be conditioned by the availability of a vacancy existing within the employee's job classification and assignment as indicated at the time the leave was granted. The Employer's obligation to re-employ an employee shall end six (6) months after the termination of the leave.
- E. The notice of intention to return to duty after a medical leave shall be accompanied by a written statement from a physician certifying the fitness of the employee to fulfill his/her duties.
- F. Employees granted a leave of absence shall maintain their accumulative sick leave days remaining at the time the leave was granted less any deductions for days used. All benefits cease to accumulate during the leave except seniority for those on approved medical or maternity leave of absence. Hospitalization insurance will be paid for those on Medical Leave based upon the requirements of the Family Medical Leave Act (FLMA).
- G. Leaves of absence may be granted for the following good causes, by way of illustration but not limited to: 1) education; 2) maternity; 3) medical; 4) Military, and 5) Union Business.
- H. Eligibility for any leave of absence requires a minimum of one year of continuous employment by the School District immediately prior to such leave of absence.
- I. No accrual of seniority shall be granted during leave of absence except for medical or maternity leaves of absence. This section is governed by Article 7, section K.
- J. While an employee is on a leave of absence for less than six (6) months, temporary employees may be hired. Such temporary employees shall not accumulate seniority and may be terminated upon expiration and return of the employee from his/her leave of absence.

- K. Members of the Union elected to Local Union positions or selected by the Union to do work which takes them from their employment with the Board shall be granted a temporary leave of absence for a period up to, but not to exceed, one (1) year or the term of office whichever may be shorter, provided a written request from the Union and the employee is received by the Board. The total number of persons allowed this type of leave shall not exceed one (1) person within any fiscal year.
- L. Each year, two (2) seniority members of the Union elected to attend a convention and two (2) seniority members elected to attend a seminar shall be granted a maximum of two (2) work days with pay, plus any approved leave days remaining as a total number of days approved with pay. The use of approved leave days will be deducted from their sick bank. It is understood that not more than two (2) such members may be allowed to attend a Union convention in any fiscal year.
- M. The Employer cannot guarantee the return of any employee to a specific building or special assignment at the conclusion of the period of absence lasting six (6) months or more. The Employer will make every effort to return an employee who has been on leave of absence to the same or comparable job that he/she held before the leave.
- N. At the expiration of a leave and as stated in the sections above, if an employee does not return and no extension is granted, his/her removal and termination of employment with Rochester Community Schools becomes automatic.
- O. The Union shall be given notice when an employee is granted a leave or granted and extension of a leave of absence.
- P. The District will comply with the provisions of the Family Medical Leave Act of 1995.

ARTICLE 9 SICK LEAVE

- A. The Employer may, at its discretion, require that employees provide medical data from the employee's doctor for any illness or injury that requires an employee to be absent from work three (3) days or more.
- B. All seniority technology/maintenance/grounds employees and any other twelve (12) month employee shall accumulate eleven (11) sick days per year earned at the rate of 11/12ths day per calendar month, and all seniority ten (10) month employees shall accumulate nine (9) sick days per year earned at the rate of 9/12th days per calendar month. Accumulation of sick days not used shall be unlimited.
- C. Credited and accumulated sick days may be used for personal illness or illness in the immediate family. The immediate family for sick leave purposes is defined as:
 - A biological, adopted or foster child, stepchild or legal ward, or a child to whom the employee stands in loco parentis;
 - A biological parent, foster parent, adoptive parent or legal guardian of an employee or employee's spouse;
 - Individual who stood in loco parentis when the eligible employee was a minor child;
 - An individual to who the eligible employee is legally married under the laws of any state;
 - A grandparent;
 - A grandchild;
 - A biological, foster, or adopted sibling.

A maximum of seven (7) sick leave days may be granted under the provisions of this Article for illness in the immediate family, which will be charged against the employee's sick leave accumulations. The Superintendent/designee may make exceptions to this provision. Any employee on Family Medical Leave (FMLA) must use available sick days concurrently with the leave.

- D. All employees shall accumulate sick leave from the date they are hired. Probationary employees can accumulate sick leave but cannot receive sick or approved leave pay until the completion of their probationary period and then only on a prorated basis for the first year of employment.
- E. After completion of the employee's first year of employment, an employee will be credited in advance with sick leave allowance for the entire next year which may be used by the employee after working one (1) FULL pay period following the commencement of that fiscal year providing no absences occur during said pay period. If an employee overdraws from his/her credited sick leave accumulation more days than have actually been earned and, if repayment is not made in sick days when earned and accrued, the sick days used will be deducted from the final paycheck. If a sufficient amount to cover the number of sick days used is not available in the employee's final check, the employee shall refund to the Employer the amount of overpayment.

These employees may sign up for the overtime in the Maintenance Office by signing the outside overtime list. Employees on the outside overtime sign-up sheet will be called on the basis of least number of overtime hours charged to them provided they are capable of doing the work. This new list will reflect the excess overtime hours worked by employees in each classification over the lowest number of hours worked within that classification. The above shall also apply to the outside overtime list. This amount shall be pro-rated for all part-time employees who remain members of the bargaining unit on that date. It is expressly understood that this is a pre-tax contribution and shall not apply towards Michigan Public Schools Employees Retirement System (MPSERS).

The plan will have a \$1000 per member/\$2000 per family annual deductible, \$20 co-pay for office visits and urgent care services, \$250 emergency room copay, and \$5/\$25/\$50 prescription drug co-payment.

Employees hired or who become eligible for benefits on or after September 1, 2012 will be eligible for Board paid single subscriber only coverage. The employee will be eligible to purchase two-person or family coverage at the full increased cost of their benefit election over single subscriber coverage.

There is no limitation of time for which this provision may be invoked.

3. To be eligible for medical insurance benefits, the employee must be working, or on approved Family Medical Leave. Employees on leaves of absence in excess of two (2) weeks or not on or eligible for Family Medical Leave shall be required to pay the COBRA cost for the benefits or the benefits shall cease until they return to full-time benefit eligible status.
4. There shall be no duplication of medical insurance benefits. The employee must notify the Department of Human Resources of any personal, duplicated benefit coverage – either through personal coverage or coverage from spouse’s or family’s benefit plan. If the employee is covered by any other duplicated hospitalization benefit, the Employer’s obligations under this provision shall be waived.

In the event that Public Act 152 of 2011 is repealed, or declared unconstitutional or legally not effective by a court or administrative agency, employees taking medical insurance through the School District shall make monthly contributions toward the cost of that medical insurance in the amount of twenty percent (20%) or thirty percent (30%, if more than 6 hours and less than 8 hours) of the cost of that medical insurance as defined in PA 152, and payroll deductions are authorized for this purpose.

I. The Employer, by timely payment of the premium payments required to provide the coverage set forth herein, shall be relieved from all liability with respect to the benefits provided by the benefit coverage as described above. The failure of a benefit company to provide any of the benefits which it has contracted, for any reason shall not result in any liability to the Board/Employer or the Union, nor shall such failure be considered a breach by either of them of any obligation under this Article.

J. Subject to the terms of the contract with the respective benefit carriers, it is the intent of the parties that benefits provided for in this Article shall commence on the first compensable working day of the seniority employee and that coverage shall remain in effect continuously for the duration of this Agreement as long as the employee is actively employed by the Employer or otherwise eligible as indicated by this Master Agreement.

K. Notwithstanding the provisions of this paragraph, the terms of any contract or policy issued by a company hereunder shall be controlling in all matters concerning benefits, eligibility and termination of coverage, and other related matters as long as the Employer complies by paying the timely premium.

L. Differences between employee(s) or beneficiaries of employee(s) and any benefit company shall not be subject to the Grievance Procedures.

ARTICLE 16 WAIVER CLAUSE

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, neither the Board nor the Union, unless mutually agreed, shall be obligated to bargain collectively with respect to any subject or matter referred to or covered by this Agreement and with respect to any subject or matter not referred to or covered in this Agreement.

ARTICLE 17 ENTIRE AGREEMENT CLAUSE

This Agreement supersedes and cancels all previous Agreements or past practices between the Board and the Union and constitutes the entire Agreement between the parties. Any amendment or Agreement supplemental hereto shall not be binding upon either party unless executed, in writing, by the parties hereto.

ARTICLE 18 GREIVANCE PROCEDURE

- A. A grievance is defined as an alleged dispute or violation of a specific Article or Section of this Agreement. There shall be an earnest effort on the part of the grievant, the Union, and the Board/Employer to settle the grievance through the following steps. Any employee(s) who believe he/she has been unjustly dealt with may grieve up to and including Step 4 of the grievance procedure.
- B. The time limits specified herein for movement of grievances through the process shall be strictly adhered to and may be relaxed or extended only by mutual consent of the parties in writing. In the event that the seniority employee or the Union, in behalf of the seniority employee, fails to appeal a grievance or grievance answer within the stated time limits, the involved grievance shall be deemed abandoned and settled on the basis of the Board/Employer's last answer.

In the event the Board of Education representative does not reply within the time limit specified, the grievance may proceed to the next step unless the grievant or the Union, on behalf of the seniority employee, indicates otherwise.

Each grievance must be initiated within ten (10) working days of the occurrence of the grievance.

- C. Any written agreement reached between the Employer and the Union is binding on all employees affected and cannot be changed by any individual.
- D. Where more than one (1) written grievance involving the same issue has been filed and processed through the grievance procedure to STEP THREE, the parties may, by mutual written agreement at STEP THREE, select one of the grievances as representative of the group. The remaining grievance shall then be held in abeyance at STEP THREE while the selected representative grievance is processed further in the grievance procedure. The ultimate disposition of the selected grievance shall then be applicable to the remaining grievances held at STEP THREE.
- E. In the event it becomes necessary for the Steward to be involved in handling a grievance, the appropriate Union Steward will be allowed reasonable time during working hours, without loss of pay, for the proper handling of grievances. The appropriate supervisor or principal may grant permission to the appropriate Steward, with the exception of drivers during their regular scheduled driving times, to leave their work for a reasonable period of time and no Steward shall leave his/her work without first obtaining permission.

Stewards shall perform their regularly assigned work at all times and must not leave their building unattended, except when granted permission to leave their work as provided herein, and the privilege granted to Stewards to leave their work is subject to the understanding that they will expeditiously devote such time to the proper handling of grievances and must report back promptly when their part in the grievance adjustment has been completed, and they will not abuse such privilege.

- F. If the Steward is required to go into another building other than his/her own in the handling of a grievance, the principal at both buildings (and all buildings involved) must be notified; permission will be granted provided that it does not unduly interfere with or interrupt or affect work or school operations or assigned duties. It is the responsibility of the above-mentioned Steward to report to the building principal before their conference with any employee. If, in the opinion of the principal or the immediate supervisor of the

Union member, such Union activity is interfering with classroom activity or assigned duties, such Union activities will be postponed.

G. Except as set forth above, no Steward or any other employee shall be granted time off for the purpose of handling Union matters, affairs, or grievances unless the supervisor or principal has granted specific permission.

H. CLAIMS FOR BACK PAY

All grievances must be filed, in writing, within ten (10) days from the time the alleged violation was to have occurred or knowledge of occurrence. The Board shall not be required to pay back wages for more than ten (10) days prior to the date a written grievance is filed unless it involves a payroll error.

1. All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned, minus any unemployment compensation received, if applicable.
2. No decision in any one case shall require a retroactive wage adjustment in any other case unless other cases were filed and pending on the representation case.

STEP ONE

Within ten (10) working days of the time an alleged grievance occurs or as stated in Section C above, the grievant and/or Steward will present the grievance, in writing, to his/her immediate supervisor during non-working hours, whenever possible. The aggrieved employee shall have the right to request representation by a Steward.

The Steward and the aggrieved shall be allowed to confer regarding the grievance and if they so desire, a meeting on the alleged grievance shall take place between the parties with the objective of resolving the matter informally. The grievance form shall be signed by the parties involved in the grievance at STEP ONE with a copy given to the grievant. Within ten (10) working days after discussion of the alleged grievance, the immediate supervisor shall give his/her written answer to the grievant and the Union.

STEP TWO

- a. In the event that the grievant is dissatisfied with the result of the meeting in STEP ONE, then a signed, written "Statement of Grievance" shall be submitted to the appropriate supervisor within ten (10) working days after the STEP ONE answer by the grievant or the Union, on behalf of the grievant.
 - The "Statement of Grievance" shall name the employee or employees involved, state the facts giving rise to the grievance, identify all the provisions of this Agreement alleged to be violated by appropriate reference, state the contention of the employee with respect to these provisions, indicate the relief requested, and shall be signed by the employee involved or appropriate Union Representative.
- b. A meeting on the alleged grievance shall take place between the grievant, Steward, and the appropriate supervisor(s) if requested by the grievant, and the appropriate supervisor(s) and/or administrator(s) within five working days.
- c. The written answer of the appropriate supervisor and/or administrator shall be given to the grievant with a copy to the Union within ten (10) working days of the date of the meeting indicated in STEP TWO-b above.

STEP THREE

- a. If the grievance is not satisfactorily settled in STEP TWO, then the grievant and the Union shall have the right to appeal the decision of STEP TWO within seven ten (10) working days of receipt of said answer or time limits indicated in STEP TWO-c. Such appeal, "Statement of Grievance", shall be directed to the Superintendent of Schools/designee.
- b. A meeting on this grievance shall take place within ten (10) working days of the date of receipt of the grievance as prescribed in STEP THREE-a. The grievant, Chief Steward, and one (1) other Union representative to be named by the Union and the Superintendent and/or his/her designee(s) shall meet in an attempt to resolve the grievance.
- c. The Superintendent and/or designee(s) shall render a written decision within ten (10) working days to the grievant and the Union after the date of the STEP THREE-b meeting.

STEP FOUR ARBITRATION

- a. If the grievance is not resolved at STEP THREE, the Union has fifteen (15) days from receipt of the STEP THREE answer to file a Notice of Intent to Arbitrate, by sending a letter to the Director of Human Resources or the appropriate Employer representative. If the Union fails to request arbitration within this time limit, the grievance shall be deemed not eligible to go to arbitration.
- b. Upon mutual agreement, after the Notice of Intent to Arbitrate, the parties may request mediation through MERC in order to attempt to resolve the grievance. The mediation shall take place at the earliest date agreeable to by the parties. If the parties do not mutually agree to mediation, upon written request by either party, the parties shall meet in order to attempt to resolve the grievance. Such meeting is not intended to be automatic for all grievances so as to defeat the purpose of Step Three. The meeting shall be composed of two (2) representatives of the Union and the grievant, if necessary, and two (2) representatives for the Employer. The union members shall be the President or Chapter Chair and the Council 25 Representative, or their designee.
- c. If the parties agree to resolve the grievance, its disposition shall be reduced to writing and signed by both the Union representatives and Employer representatives.

SELECTION OF THE ARBITRATOR

- a. If the grievance remains unresolved at the conclusion of Step Four, it may be submitted for binding arbitration at the request of the Chapter Chair, provided written notice of the request for submission to arbitration is delivered to the Superintendent or designee within five (5) working days from the date of the meeting set forth in Step Four, Section B above, if said meeting occurs. Otherwise, the parties agree to use the American Arbitration Association selection procedures to choose an arbitrator.

POWERS OF THE ARBITRATOR

It shall be the function of the arbitrator, and he/she shall be empowered, except as his/her powers are limited below, to make a decision in cases of alleged violation of the specific articles and sections of this Agreement.

1. He/she shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement.
2. He/she shall have no power to establish salary scales or to change any salary.
3. If there is a question of the arbitrability of any grievance under the terms of this Agreement, the arbitrator shall have to decide if the grievance is arbitrable. In the event that a case is appealed to an arbitrator on whom he/she has no power to rule, it shall be referred back to the parties.

4. There shall be no appeal from an arbitrator's decision if within the scope of his/her authority as set forth above and below. It shall be binding on the Union, its members, the employee or employees involved, and the Board and its agents.
5. The fees and expenses of the arbitration shall be shared equally by the parties. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.

ARTICLE 19 NO STRIKE CLAUSE

- A. The local Union officers and/or employees for the term of this Agreement shall not authorize, sanction, condone, engage in or acquiesce in any strike as defined in the Michigan Public Act 336 and as amended or may be hereinafter amended by Public Act 379 or any other appropriate act. Strike shall also be defined to include slowdowns, stoppages, sit-in, picketing, boycotts, work stoppage of any kind, the concerted failure to report for duty, the willful absence from one's position, the stoppage of work, or the abstinence, in whole or in part, from full, faithful and proper performance of the duties of employment, for the purpose of inducing, influencing, or coercing a change in the conditions, compensation, or the rights, privileges, or obligations of employment, and any other connected or concerted activities having the effect of interrupting work or interference of any kind whatsoever with the operation of any of the facilities of the Rochester Community Schools. The Employer shall institute no lockout of employees during the term of this Agreement.
- B. In the event of any such violation of this Article, the Union shall endeavor to return the employees to work as expediently and quickly as possible by:
 1. Delivering immediately to the Employer, a notice addressed to all employees repudiating such acts of the employees and ordering them to cease such acts and return to work; and,
 2. Taking such other action which it deems reasonable and appropriate to bring about compliance with the terms of this Agreement.
 3. The Union will take prompt, affirmative action to prevent strikes and picketing or any other action as described in this Article by notifying the employees and the public that the Union and its officers and membership disavows their actions.
- C. Should differences arise between the Employer and the Union and/or employees as to the interpretation or application of the provision(s) of this Agreement, or should any dispute of any kind arise, it is agreed that there shall be no work stoppages, walkouts, or slowdowns, picketing, etc., or any other type of concerted action until the entire Grievance Procedure has been exhausted and said situation resolved
