

East Fairview Elementary School

October Newsletter

October is a busy month in the school. We have the end of the first quarter, teacher convention, plus school board conferences, too. Add to that Halloween to wrap up the month and we are looking forward to exciting days ahead.

Teacher Conference Days

October 18 & 19. There will be NO SCHOOL on the 18th & 19th and no Friday School on the 20th.

**Turkey Bingo Snack Orders Due -
Monday, October 30th.**

We are doing a new Snack fundraiser to coincide with Turkey Bingo instead of pies this year. Look for the opportunity to purchase awesome snacks, starting on October 2nd. There is also an online ordering option this year. Orders are due October 30th and will be delivered during our Bingo this year! Watch for more details.

Power School Parent Portal

We are transitioning away from report cards this year. We will use the parent portal in power school to ensure communication of learning is accurate and immediate instead of only during quarter breaks. The staff will train parents during conferences.

Dates to Remember

- ✓ Oct 13 Teacher PD day
- ✓ Oct 16 Board mtg. @ 6pm
- ✓ Oct 17 1st Quarter ends
- ✓ Oct 18-19 No School - Convention
- ✓ Oct 20 No Friday School

Turkey Bingo

We are looking forward to our annual Turkey Bingo. We will be hosting the energy packed event in our gym on November 10th. Stay alert for more details.

School Attendance

Attendance is important to the educational process. Please help by getting your student to school every day. But, please don't send them with a fever or if they have puked. If we see symptoms of sickness, we will send them home. Under our Health & Wellness Plan, masks are optional and if we have students who are coughing, we will ask them to wear a mask while at school. If you want to look at our Health & Safety Plan, it is posted on our website, or you can call the office to get a copy.

The mission of our school is for each student to demonstrate proficiency in our academic standards. We believe all students have the ability to learn, each student is an individual learner, errors are a part of the learning process, and frequent evaluation influences instruction.
